I. INTRODUCTION

A. DESCRIPTION

The Women's Tennis Association ("WTA") is an international award competition open to all women tennis players.

The tournaments comprising the WTA ("WTA Tournaments") are connected by a points system in which players earn ranking points based on a tournament's category and the player's performance.

B. ADMINISTRATION

The WTA is administered and governed by the WTA Tour, Inc. ("WTA Tour" or "WTA"), a US registered corporation whose members are the players, its recognized WTA 1000, WTA 500, and WTA 250 Tournaments worldwide, and the International Tennis Federation ("ITF"). The Chief Executive Officer ("CEO") of the WTA Tour is responsible for the day-to-day operations of the WTA. The Board of Directors of the WTA Tour is comprised of three (3) Player Board Representatives, three (3) Tournament Board Representatives, one (1) ITF Board Representative, and the CEO. The Board of Directors is responsible for establishing the long-term strategic plan for the WTA. Alternate Board Representatives for each member class may also attend Board of Directors meetings as determined by the CEO.

C. RULES

In accordance with the rules ("Rules") set forth in this WTA Official Rulebook ("Rulebook"), as amended from time to time and updated online at www.wtatennis.com/wta-rules, the WTA Tour selects and schedules WTA Tournaments and is responsible for the resolution of any matter of dispute pertaining to the WTA, including imposition of penalties on players, WTA Tournaments, tournament officials, player relatives and representatives, coaches, and other credentialed persons.

The ITF Rules of Tennis shall apply to all WTA Tournaments except as amended by the Rules. An excerpt of the ITF Rules of Tennis is set forth in Appendix J. For the complete and current ITF Rules of Tennis, please visit www.itftennis.com/en/about-us/governance/rules-and-regulations/.

The Rules may be altered, amended, or repealed by the WTA pursuant to the WTA By-Laws. Capitalized terms have the meanings set forth in this Rulebook, including Section VII.C – Clothing and Equipment, Section XIV – Prize Money Formula, Section VIII – WTA Ranking System, Section X – Age Eligibility and Player Development, Section XVII – Code of Conduct, Section XVIII – Standards, and Appendix I – Glossary. The headings and titles to the Sections contained herein are inserted solely for convenience purposes and shall not affect the meaning or construction of the Rules.

SECTION I - INTRODUCTION

Any action of the WTA Tour pursuant to these Rules or otherwise with respect to the WTA shall be deemed effective only when the parties affected thereby shall have been sent notice of the action, or, in the case of any action of general applicability, notice thereof shall have been published in a manner that will ensure wide circulation. PlayerZone and TournamentZone postings and Player and Tournament Alerts shall be considered official forms of WTA communication with its members that are published in a manner that ensures wide circulation.

The WTA may impose appropriate sanctions, including monetary sanctions, upon any person or entity subject to these Rules who participates in or aids and abets any violation of these Rules. Any violations of these Rules which do not specify a process for imposition of a penalty shall be decided by the CEO and such decision of the CEO may be appealed to the Board of Directors.

All monetary terms are in United States dollars unless otherwise stated.

English is the official language of the WTA.

D. POLICIES

1. Open Competition/No Discrimination

Entry into Tournaments shall be open to all women tennis players based on merit and without discrimination, subject only to the conditions in the WTA By-Laws and these Rules, including but not limited to the Age Eligibility Rules and Gender Participation Policy.

2. Gender Participation Policy

All players are subject to the WTA Gender Participation Policy ("Gender Participation Policy"), as amended from time to time, which addresses the gender eligibility requirements for entry into and participation in WTA Tournaments. For the complete and current Gender Participation Policy, please reference www.wtatennis.com/wta-rules.

3. Nationality

For WTA purposes, a player's nationality is: (a) the issuing country of the valid passport she provides to the WTA with her Annual Player Form; (b) if she does not have a passport and she provides her birth certificate and photographic identification, the country of birth on her birth certificate; or (c) in exceptional circumstances, as the WTA determines.

PLAYERS

II. PLAYER COMMITMENT, BONUS POOL, TOP 10 PLAYER DELIVERY

A. SINGLES COMMITMENT TOURNAMENTS¹

1. WTA 1000 and WTA 500 Tournaments

Subject to the Age Eligibility Rule and the Years of Service Rule, all players must play the WTA Tournaments below if they are accepted, or would have been accepted if they had entered, into the Singles Main Draw at the Tournament's entry deadline ("Commitment Tournaments"). A player will receive a zero (0) ranking point result for each Commitment Tournament she does not play, which must count on her WTA Singles Ranking (see Section VIII – WTA Ranking System).

a. WTA 1000 Mandatory Tournaments

All players who are accepted into the Main Draw of a WTA 1000 Mandatory Tournament as a direct acceptance, as a Qualifier, as a Special Exempt, as a Lucky Loser, or by Special Ranking must play that WTA 1000 Mandatory Tournament.

b. WTA 1000 Non-Mandatory Tournaments

All players who are accepted, or would have been accepted if they had entered, as a direct acceptance into the Main Draw at WTA 1000 Non-Mandatory Tournaments' entry deadlines must play WTA 1000 Non-Mandatory Tournaments as follows:

- i. If a player is accepted, or would have been accepted if she had entered, as a direct acceptance into the Main Draw of five (5) WTA 1000 Non-Mandatory Tournaments, then she must play a minimum of four (4).*
- ii. If a player is accepted, or would have been accepted if she had entered, as a direct acceptance into the Main Draw of four (4) WTA 1000 Non-Mandatory Tournaments, then she must play a minimum of three (3).
- iii. If a player is accepted, or would have been accepted if she had entered, as a direct acceptance into the Main Draw of three (3) WTA 1000 Non-Mandatory Tournaments, then she must play a minimum of two (2).

1 See 2021 COVID-19 Rules for temporary changes.

PLAYERS

SECTION II - PLAYER COMMITMENT, BONUS POOL, TOP 10 PLAYER DELIVERY

- iv. If a player is accepted, or would have been accepted if she had entered, as a direct acceptance into the Main Draw of two (2) WTA 1000 Non-Mandatory Tournaments, then she must play a minimum of one (1).
- v. If a player is accepted, or would have been accepted if she had entered, as a direct acceptance into the Main Draw of one (1) WTA 1000 Non-Mandatory Tournament, then she may choose whether to play one (1) WTA 1000 Non-Mandatory Tournament.

* A player who is accepted, or would have been accepted if she had entered, as a direct acceptance into the Main Draw of all five (5) WTA 1000 Non-Mandatory Tournaments in one Tour Year and does not play one or more of such Tournaments must play at least one of those missed Tournaments in the next consecutive Tour Year if she is accepted, or would have been accepted if she had entered, as a direct acceptance into the Main Draw. Except as a result of a Long-Term Injury, if in the second Tour Year a player does not play at least one of the missed WTA 1000 Non-Mandatory Tournaments from the first Tour Year for which she was accepted, or would have been accepted if she had entered, as a direct acceptance into the Main Draw in the second Tour Year, then she will receive a zero (0) ranking point result for the last of such Tournaments during the second Tour Year, which must count on her ranking. For Tournaments that alternate WTA 1000 status, the commitment will stay with the WTA 1000 status.

If a player is not accepted as a direct acceptance into the Main Draw of a WTA 1000 Non-Mandatory Tournament at the entry deadline but she plays its Qualifying or was accepted into Qualifying but plays in the Main Draw as a Wild Card, then that WTA 1000 Non-Mandatory Tournament counts toward meeting her WTA 1000 Non-Mandatory Commitment Tournament requirement.

A player who qualifies for the singles competition of the WTA Finals or WTA Elite Trophy must play in accordance with Section VI.

3. Years of Service

A player thirty-four (34) years of age or older as of January 1 of a Tour Year ("Years of Service Player") will not receive a zero (0) ranking point result for any WTA 1000 Non-Mandatory or WTA 500 Commitment Tournament she does not play during that Tour Year; provided, however, that she must play her Commitment Tournaments in each Tournament category to be eligible for the respective Bonus Pool Compensation in that Tournament category.

Each Tour Year, the players and Tournaments initially fund the Bonus Pool Fund by contributing the amount of money that the Board of Directors determines ("Member Contribution").

If during a Tour Year less than the Member Contribution is used to make Bonus Pool Payments, then at the conclusion of that Tour Year, the unused portion of the Member Contribution will be returned pro rata to the Tournaments and WTBA. Each player must comply with and is bound by all of the provisions of the Rulebook and the WTA By-Laws, including but not limited to all amendments thereto.

ii. Compliance with Tennis Anti-Doping Program

The ITF may conduct anti-doping testing at WTA-sanctioned events under the ITF Tennis Anti-Doping Program (the "Anti-Doping Program"), the full text of which can be found at antidoping.itftennis.com/antidoping/home. The WTA will honor and enforce any penalties or sanctions against players resulting from the Anti-Doping Program. The Anti-Doping Program shall apply to and be binding upon all players and shall govern participation in the events specified at Article 1 of the Anti-Doping Program, which includes all WTA-sanctioned events. Players shall submit to the jurisdiction and authority of the ITF to manage, administer and enforce the Anti-

Doping Program and to the jurisdiction and authority of the Anti-Doping Tribunal and the Court of Arbitration for Sport to determine any charges brought under the Anti-Doping Program.

iii. Written Consent

Each calendar year, all players shall, as a condition of entering or participating in any event organized or sanctioned by the WTA, in conjunction with their execution of the Annual Player Form, consent to and agree to comply with the Rulebook, Anti-Doping Program, and Tennis Anti-Corruption Program.

d. Entry Conditions

i. Annual Player Form

A player must complete the Annual Player Form prior to playing her first match in each Tour Year and ensure that at all times the WTA has a copy of her valid passport or, if a player does not have a valid passport, a copy of her birth certificate and a photographic ID.

Under no circumstances will a player be able to participate in a WTA event or receive prize money until she has completed and returned the Annual Player Form and confirmed that the WTA has a copy of such documentation.

ii. Entries

All players must submit an official entry to gain acceptance into WTA Tournaments. Official entries may be submitted to WTA Operations via one (1) of the following:

(a) PlayerZone online entry; or

(b) Email request (tourops@wtatennis.com).

iii. The WTA will accept entries from players and/or designated coaches and agents. Regardless of whom a player designates to act upon her behalf, ultimately the player is responsible for all of her entries and withdrawals.

iv. No entry will be valid unless and until the player's participation in the Tournament complies with the Gender Participation Policy and the Age Eligibility Rule and the player has satisfied her Player Development requirements.

by the applicable entry deadline if using the advance entry system (see Section III.A.2.c.i below). Players may use their Doubles Special Rankings for advance entry and Singles or Doubles Special Rankings for on-site entry. (See Section VIII.C - WTA Special Ranking Rule.)

i. Advance Entry

The deadline for advance entry into the doubles Main Draw of any WTA 1000, WTA 500, or WTA 250 Tournament is 5:00 p.m. Eastern time (New York, USA time) on the Monday two (2) weeks prior to the singles Main Draw start date of such Tournament ("Doubles Advance Entry Deadline") unless otherwise determined by the WTA. A player may only enter one (1) Tournament per week through the doubles advance entry system. A player who is entered or accepted into the singles Main Draw or singles Qualifying of a Tournament as of the Doubles Advance Entry Deadline may only enter doubles at that same Tournament in that week.

There is no doubles advance entry for WTA 125 Tournaments; players must enter on-site.

ii. On-Site Entry

The deadline for on-site entry into the doubles Main Draw of any WTA Tournament is 12:00 noon tournament local time on the day before the start of the singles Main Draw at such Tournament ("Doubles Sign-In Deadline") (unless the Official WTA Tournament Fact Sheet states otherwise). A team must sign in by contacting (in person or by a telephone conversation) the on-site Supervisor, Supervisor at an event at which one of the team's players is competing, or WTA Operations. A team may sign in beginning the day prior to the day sign-in closes. Each team is ultimately responsible for confirming that the Supervisor or WTA Operations has received its sign-in before the Doubles Sign-In Deadline.

3. More Than One Tournament Per Week

If a player enters more than one (1) Tournament per week, the following rules apply:

a. Indicating Choices

The player must indicate which Tournament is her first, second, or third choice. If she fails to do so, the Tournament in the highest Tournament category will be indicated as her first choice; however, if two (2) Tournaments entered are in the same category, the Tournament that is

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

listed first on the Official WTA Calendar will be entered as her first choice. All applicable withdrawal Rules will apply.

If entering via the PlayerZone, a player may use the “within option” to indicate that if she is within one (1) to four (4) spots of being in the Main Draw or Qualifying of her first preference Tournament, she will remain on the Tournament’s Alternate List and be removed from all other Tournaments she was accepted into that week.

b. Main Draw Entries and Acceptances

If at the time of the Main Draw entry deadline, a player is accepted into the Main Draw of any of the Tournaments she entered in the same week (based on her order of choice), then she will be withdrawn automatically from all other Tournaments entered that week.

If at the time of the Main Draw entry deadline, a player is not accepted into the Main Draw of any Tournaments, then she will remain on all Alternate Lists up until three (3) weeks prior to the Tournament and she can change her preferences at any time up until the Qualifying entry deadline, provided she makes the change before she moves into the Main Draw. If she moves into a Main Draw of any Tournament between the Main Draw entry deadline and the Qualifying entry deadline, she will be removed from all other Main Draw Alternate Lists.

If a player is not accepted into the Main Draw of any Tournaments at three (3) weeks prior to the Tournament, she will either:

- i. remain only on the Main Draw Alternate List of the Tournament in which she was accepted into Qualifying and be removed from all other Main Draw Alternate Lists;
- ii. remain only on the Main Draw Alternate List of her first choice Qualifying Tournament where she is a Qualifying Alternate and be removed from all other Alternate Lists; or
- iii. if not entered into any Qualifying Tournaments, remain only on the Main Draw Alternate List of her first preference Main Draw Tournament.

c. Qualifying Entries and Acceptances

If at the time of the entry deadline, a player is accepted into the Qualifying Draw of any of the Tournaments entered in the same week (based on her order of choice) she will be withdrawn automatically from all other Tournaments entered that week.

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

If a player is not accepted into the Qualifying Draw of any Tournaments entered in the same week, she will remain on the Qualifying Alternate List of her first choice Tournament and will be withdrawn automatically from all other Tournaments.

d. **Second Week of a Grand Slam/WTa 1000 Mandatory Tournament**

A player is allowed to play in a WTA 125 Tournament or a Women's ITF World Tennis Tour event during the second week of a Grand Slam or a combined 12-day WTA Tournament only if the player:

- i. was accepted into the Main Draw of the Grand Slam or WTA 1000 Mandatory Tournament by any method, has not withdrawn from such Tournament, and has lost in the Main Draw (singles and doubles) of such Tournament on the day of the Qualifying Sign-In Deadline of the WTA 125 Tournament or Women's ITF World Tennis Tour event, or if there is no Qualifying, on the day before the Main Draw begins;
- ii. was not accepted by any method into the Main Draw of the Grand Slam or WTA 1000 Mandatory Tournament and is not signed in as a Lucky Loser at such Tournament; or
- iii. has a Special Ranking and is making her Return to Competition according to the requirements of Section VIII.C.5.c.ii(b).

A player who would have been a Main Draw acceptance but did not play in a Grand Slam or WTA 1000 Mandatory Tournament is not allowed to compete in a WTA 125 Tournament or a Women's ITF World Tennis Tour event during the second week of such Grand Slam or WTA 1000 Mandatory Tournament except pursuant to iii above.

The WTA 125 Tournament may wait to hold its singles or doubles draws so that it can determine which players are eligible. Players still competing after the Qualifying Sign-In Deadline, or if there is no Qualifying, on the day before the Main Draw begins, will be withdrawn automatically from the WTA 125 Tournament.

A player will not be permitted to withdraw from any WTA Tournament to play an ITF event, except as permitted under Section VIII.C.5.c.ii(b).

e. **Playing Two (2) Singles Tournaments in One (1) Week**

A player is not allowed to compete in singles in two (2) Tournaments held in the same week and will be withdrawn from the second Tournament by the appropriate entry authority (i.e., a player may not play the Qualifying

of a WTA Tournament, lose, and then play the Main Draw of a Women's ITF World Tennis Tour event in the same week). If a player does play two (2) singles Tournaments in one (1) week, upon the first occurrence, the player will receive the lesser of the ranking points earned from the two (2) Tournaments. Upon the second and subsequent occurrences, the player will not be awarded any ranking points, and she will be subject to a fine of up to \$10,000 for Unsportsmanlike Conduct.

f. Playing Two (2) Doubles Tournaments in One (1) Week

A player is not allowed to compete in doubles in two (2) Tournaments held in the same week, at which ranking points are awarded. If a player does play two (2) doubles Tournaments in one (1) week, upon the first occurrence, the player will receive the lesser of the ranking points earned from the two (2) Tournaments. Upon the second and subsequent occurrences, the player will not be awarded any ranking points, and she will be subject to a fine of up to \$10,000 for Unsportsmanlike Conduct.

g. Playing Singles/Doubles the Same Week in Different Tournaments

A player is allowed to play singles in one (1) Tournament and doubles in another Tournament in the same week, provided the player has been eliminated from one (1) Tournament by the doubles sign-in deadline (12:00 noon tournament local time the day before the start of the singles Main Draw unless the Official WTA Tournament Fact Sheet states otherwise) of the other Tournament. A player may not participate in both Tournaments at the same time.

h. WTA Tournament and Grand Slam Qualifying in the Same Week

i. Entry, Player's Choice, and Automatic Withdrawal

Any player who enters both a WTA Tournament and the Qualifying of a Grand Slam in the same week may not remain on the entry list(s) (i.e., Main Draw, Main Draw Alternate, Qualifying, Qualifying Alternate, Doubles Advance, Doubles On-Site, or Wild Cards) of both the WTA Tournament and the Grand Slam Qualifying after the Qualifying Sign-In deadline of the applicable WTA Tournament (or, if the player entered only doubles of the applicable WTA Tournament, after the Doubles Sign-In deadline). If a player is on the entry list(s) of both the WTA Tournament and the Grand Slam Qualifying at the Qualifying Sign-In deadline (or Doubles Sign-In deadline, if applicable), then the player will remain on the Grand Slam Qualifying list(s), WTA automatically will withdraw the player from all WTA Tournament entry lists for that week, and the player will not be permitted to enter doubles on-site at any WTA Tournament that week.

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

ii. Wild Cards

A player may not accept a Wild Card into the Qualifying or Main Draw (singles or doubles) of a WTA Tournament occurring during the same week as a Grand Slam Qualifying if she is on the Qualifying List for such Grand Slam or has accepted a Wild Card into such Grand Slam Qualifying. Regardless of Section III.A.3.e, after giving her best effort and losing in the Qualifying or Main Draw (singles, doubles, or both) of a WTA Tournament occurring during the same week as a Grand Slam Qualifying, a player who subsequently receives an offer for a Wild Card into such Grand Slam Qualifying may accept such Wild Card and participate in such Grand Slam Qualifying.

iii. Sanctions

A player is not subject to a late withdrawal fine for her automatic withdrawal from a WTA Tournament under Section III.A.3.h.i above.

B. TOURNAMENT ACCEPTANCE

1. Direct Acceptance

Direct acceptance players are players accepted directly into the draw. Tournament acceptances are based on the WTA Rankings and Special Rankings as of the applicable entry deadline unless otherwise determined by the WTA, subject to the WTA 250 and WTA 125 Tournament entry restrictions and the Age Eligibility Rule. Once a player has been accepted into a Tournament, she will not be removed from the Acceptance List unless she officially withdraws from the Tournament or except where otherwise stated in the Rules.

a. Singles

i. WTA 1000 Mandatory Tournaments and Grand Slams

All players who by WTA Singles Ranking qualify for acceptance into the Main Draw of a WTA 1000 Mandatory Tournament will be entered automatically into such WTA 1000 Mandatory Tournament.

The WTA automatically will enter the top 200 singles players in the WTA Rankings at the entry deadline of any Grand Slam into the Main Draw entry list of such Grand Slam. Players must enter Grand Slam Qualifying (see the Grand Slam Rules).

For players subject to the Age Eligibility Rule, see Section X.A.2.f – Grand Slams and Commitment Tournaments.

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

Players entering a WTA 1000 Mandatory Tournament or Grand Slam using their Special Rankings must submit an official entry to WTA Operations.

In any weeks in which a WTA 1000 Mandatory Tournament is scheduled, Top 10 Players may not play in any other WTA Tournaments.

ii. WTA 1000 Non-Mandatory Tournaments

In any weeks in which a WTA 1000 Non-Mandatory Tournament is scheduled, Top 10 Players may not play in any other WTA Tournaments.

iii. WTA 250 Tournaments – Top 10 Player Process and Restrictions²

(a) Allowance

WTA 250 Tournaments paying the minimum prize money are allowed one (1) Top 10 Player to play singles and/or doubles. WTA 250 Tournaments may increase their prize money in accordance with Section XIV.C.2 to accept additional Top 10 Players.

A Top 10 Player may play three (3) WTA 250 Tournaments per Tour Year only if she played all her Commitment Tournaments in the prior Tour Year. If she did not play all her Commitment Tournaments in the prior Tour Year, she may play only two (2) WTA 250 Tournaments in the current Tour Year.

If a Top 10 Player withdraws from a WTA 250 Tournament any time after (i) becoming a Confirmed Player, (ii) the entry deadline, or (iii) accepting a Wild Card, then the WTA 250 Tournament counts as one (1) of her maximum allowed WTA 250 Tournaments unless she withdraws because of a Long-Term Injury.

(b) Acceptance

(i) Prior to the Main Draw Entry Deadline

Prior to its Main Draw Entry Deadline, a WTA 250 Tournament must approve any Top 10 Player entries into any of its events. If a WTA 250 Tournament wants to secure a particular Top 10 Player, then by 2:00 p.m. Eastern

² See 2021 COVID-19 Rules for temporary changes.

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

Time (New York, USA time) on the day of its Main Draw Entry Deadline, the Tournament must submit a Top 10 Confirmation Form listing:

- the Top 10 Player of the Tournament's choice who has requested entry into and submitted a Top 10 Acceptance Form for the Tournament ("Confirmed Player"); and
- any other players the Tournament has chosen to have priority to move into the draw as a Top 10 Player ("Tournament Designated Players").

The first Tournament Designated Player listed on the Tournament's Top 10 Confirmation Form will become a Confirmed Player and must submit a Top 10 Acceptance Form if: (a) the Tournament's original Confirmed Player is not a Top 10 Player at the Main Draw Entry Deadline; (b) the Tournament's original Confirmed Player withdraws prior to the Main Draw Entry Deadline; or (c) the Tournament increases prize money to accept another Top 10 Player.

If the Tournament has a Confirmed Player at 2:00 p.m. on the day of the Main Draw Entry Deadline, then the Tournament Designated Players and all other Top 10 Players who entered the Tournament but were not accepted will remain on a Top 10 Alternate List unless they withdraw their entries or are accepted into another Tournament in the same week.

If the Tournament does not have a Confirmed Player at 2:00 p.m. on the day of the Main Draw Entry Deadline, then the highest-ranked Top 10 Player who entered the Tournament will be accepted.

- (ii) Between the Main Draw Entry Deadline and Qualifying Sign-In Deadline

If a Confirmed Player withdraws after the Main Draw Entry Deadline but prior to the Qualifying Sign-In Deadline, then the following players will be accepted in the following order:

- The first Tournament Designated Player on the Top 10 Alternate List; or if there are no Tournament Designated Players on the Top 10 Alternate List, then

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

- The highest-ranked Top 10 Player on the Top 10 Alternate List; or if there are no players on the Top 10 Alternate List, then
- The next-in Main Draw player.

(iii) After the Qualifying Sign-In Deadline Until the Draw is Made

If a Confirmed Player who was a direct acceptance withdraws after the Qualifying Sign-In Deadline, then the Tournament may replace that Top 10 Player until the Main Draw is made according to Section V.A.3.a.i – Top 10 Player Replacement.

See Appendix D for Top 10 Player WTA 250 Tournament entry examples.

iv. WTA 125 Tournaments

Top 10 Players at the Main Draw Entry Deadline of a WTA 125 Tournament or at the Main Draw Entry Deadline of a WTA 1000 or WTA 500 Tournament scheduled the same week as a WTA 125 Tournament may not enter, accept a Wild Card into, or compete in singles or doubles of that WTA 125 Tournament. Players ranked 11-50 at the Main Draw Entry Deadline of a WTA 125 Tournament also cannot enter that Tournament, but they may receive WTA-approved Wild Cards in singles and doubles (subject to Wild Card maximums). (See Section III.C – Wild Cards.)

Players who qualify for the WTA Elite Trophy (including the two confirmed WTA Elite Trophy Alternates) cannot enter, accept a Wild Card into, or compete in singles or doubles in a WTA 125 Tournament scheduled the same week as the WTA Elite Trophy even if they withdraw from the WTA Elite Trophy.

b. Doubles

A player may not enter (Advance Entry or On-Site Entry) with more than one (1) partner.

i. Advance Entry

- (a) Acceptance at each Tournament is determined by the highest combined WTA Doubles Rankings, which may include Doubles Special Rankings, of the players on each team as of the Doubles Advance Entry Deadline for that Tournament. For players who

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

only have a WTA Singles Ranking or Singles Special Ranking, the WTA will assign a Doubles Ranking of one (1) plus the ranking of the lowest player on the WTA Doubles Rankings applicable to acceptance.

- (b) Prior to 2:00 p.m. Eastern Time on the day prior to the Qualifying Sign-In Deadline (the "Freeze Deadline"), a team may withdraw from the advance entry list or Advance Entry Alternate List via PlayerZone without penalty. If a withdrawing team has been accepted into the doubles Main Draw of the Tournament at the time of withdrawal, it must indicate the withdrawing player upon withdrawal, and:
 - (i) the withdrawing player may not: (i) re-enter that Tournament (except by Wild Card); and (ii) enter or accept a Wild Card into the doubles draw of another WTA Tournament in the same week unless she has been accepted into the singles draw of that other WTA Tournament via Wild Card; and
 - (ii) the non-withdrawing player may re-pair with another partner before the Freeze Deadline, re-enter that Tournament or enter another Tournament on site with another partner, or accept a Wild Card into the doubles draw of another WTA Tournament in the same week.

The WTA automatically will withdraw a team from the advance entry list or Advance Entry Alternate List if one player on that team is accepted via Wild Card into either the singles Main Draw or Qualifying at another WTA Tournament in the same week. The team may enter the doubles draw on-site at the Tournament at which one or both of its players have been accepted via Wild Card into the singles Main Draw or Qualifying.

- (c) If a player withdraws from the Advance Entry List, her non-withdrawing partner may re-pair with another partner until the Freeze Deadline (see sub-Section (b) above). The new partner cannot already be accepted into the doubles draw and if she is on the Advance Entry Alternate List, then she must withdraw before the newly re-paired team can enter. The newly re-paired team must have a higher combined WTA Doubles Ranking as of the Doubles Advance Entry Deadline than the first team on the Advance Entry Alternate List at the time of re-pairing. If the non-withdrawing partner chooses not to re-pair, the next team on the Advance Entry Alternate List moves into the draw at the Freeze Deadline.

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

- (d) One player on a team on the Advance Entry Alternate List must reconfirm the team's intention to play the Tournament by contacting (either in person, by a telephone conversation, or via email) WTA Operations by the Freeze Deadline. The team must leave a contact number with the WTA Operations staff member with whom they speak. If a team fails to contact WTA Operations by the above deadline, their entry will be withdrawn from the Advance Entry Alternate List. Teams withdrawn from the Advance Entry Alternate List may re-enter on site through the On-Site Entry process.
 - (e) If there are any openings in the Advance Entry List as of the Doubles Sign-In Deadline, such openings will be filled by teams on the Advance Entry Alternate List who confirmed their intention to play. Teams on the Advance Entry Alternate List must be ready to play on the first day doubles matches are scheduled. If there are no teams on the Advance Entry Alternate List who have confirmed their intention to play, then the openings will be filled by the next eligible team on the On-Site Entry Alternate List after the Doubles Sign-In Deadline.
- ii. On-Site Entry
 - (a) In accordance with the chart in Section V.A.1.c below, acceptance at each Tournament is determined by using the highest of the combined WTA Singles or Doubles Rankings, which may include Special Rankings, of the players on each team as of the week prior to the start of that Tournament. However, if a player is accepted using her WTA Singles Ranking or Singles Special Ranking and would have been accepted using her WTA Doubles Ranking or Doubles Special Ranking, the entry will count as if the player used her WTA Doubles Ranking or Doubles Special Ranking.
 - (b) Teams that enter a Tournament but are not accepted into the draw become Alternates for the sign-in day of that Tournament. The On-Site Entry Alternate List will be in order of the highest combined WTA Singles or Doubles Rankings, which may include Special Rankings, of the players on each entering team as of the week prior to the start of that Tournament. To remain eligible for subsequent days, Alternates must have entered in accordance with Section III.A.2.c above and must follow the procedures for Openings in the Draw in Section V.A.3.c below.
 - (c) If a player is accepted using her WTA Singles Ranking or Singles Special Ranking, plays in a doubles match, and subsequently

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

withdraws from the doubles Main Draw, she forfeits her eligibility to use her WTA Singles Ranking or Singles Special Ranking to enter the doubles Main Draw at any WTA Tournament for the remainder of that Tour Year unless: (i) she also withdraws or retires from singles at the same Tournament; (ii) she is declared unfit to play; or (iii) she finished competing in singles at the same Tournament and she also withdraws from playing singles in a Tournament to be held the following week.

2. Tournament Acceptance Procedure if Rankings Tied

a. Singles

- i. If two (2) or more players' WTA Singles Rankings are tied at the time of Tournament acceptances, then the following player receives priority:
 - (a) the player with the highest WTA Singles Ranking from the previous week; then
 - (b) the player with the most WTA Singles matches won over the previous 52-week period; then
 - (c) the player who is drawn randomly.
- ii. If two (2) or more players' Special Rankings are tied at the time of Tournament acceptances, then the following player receives priority:
 - (a) the player with the highest current WTA Singles Ranking; then
 - (b) the player with the highest WTA Singles Ranking from the previous week; then
 - (c) the player with the highest WTA Singles Ranking from the week prior to the start of her Out-of-Competition Period; then
 - (d) the player who is drawn randomly.

b. Doubles

- (a) the team with the greatest combined total WTA doubles ranking points counting on their rankings; then
 - (b) the team with the highest combined WTA Doubles Rankings from the week prior to the WTA Doubles Rankings applicable to acceptance; then
 - (c) the team with the fewest Tournaments played as a team in the previous 52-week period; then
 - (d) the team that is drawn randomly.
- ii. Entries Using Combined WTA Singles or Doubles Rankings

If two (2) or more teams' combined WTA Singles or Doubles Rankings, which may include Special Rankings, are tied as of the Doubles Sign-In Deadline, then the following team receives priority:

- (a) the team using two (2) WTA Singles Rankings or Singles Special Rankings to enter; then
- (b) the team using one (1) WTA Singles Ranking or Singles Special Rankings to enter; then
- (c) the team using two (2) WTA Doubles Rankings or Doubles Special Rankings to enter.

If after applying these priority procedures two (2) or more teams are tied for qualification under (a) or (b), then the team with the highest-ranked (as of the WTA Rankings applicable to acceptance) singles player receives priority. If after applying these procedures two (2) or more teams are tied for qualification under (c), then Section III.B.2.b.i above determines the team that receives priority.

3. Distribution of Acceptance Lists

Initial Tournament Acceptance Lists are distributed to individual Tournament Directors immediately upon their availability and will be posted on the PlayerZone and TournamentZone websites.

4. Tournament Status

Tournament status is available to players on the PlayerZone website, via a WTA Operations staff member in the Florida office, or through an on-site Supervisor.

5. Administrative Error on Acceptance Lists

a. Player Omitted

If an administrative error has been made on an Acceptance List resulting in a player being omitted from the list, the player will be placed at the top of the Next-In List(s) for Main Draw and/or Qualifying based on the appropriate ranking used for player movement.

b. Too Many Players Accepted

See Section V.A.4 - On-Site Draw Procedure for Administrative Error – Preliminary Match.

C. WILD CARDS

1. Definition

Wild Cards are those players named by the Tournament Director to fill designated spots in the draw. The WTA must approve all Wild Card nominations in regard to the Age Eligibility Rule and other rule limitations. Wild Cards are not considered official until approved by the WTA.

a. Nomination Deadlines

i. Singles

Tournaments are required to submit a tentative list of Wild Card nominations to WTA Operations one (1) week prior to the start of the Main Draw. The Tournament Director must advise the WTA or the Supervisor in writing of the singles Wild Card nominations and Alternate Wild Card nominations by the Qualifying Sign-In Deadline. Wild Cards named by the Tournament Director prior to the deadline will be tentative until the Qualifying Sign-In deadline.

If the Main Draw is made prior to the Qualifying Sign-In deadline or if there is no Qualifying, Wild Card nominations must be made in writing at least one (1) hour before the Main Draw is made.

ii. Doubles

Final Wild Card nominations must be named in writing by 11:30 a.m. Tournament local time the day of the Doubles Sign-In Deadline.

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

b. Confirmation of Wild Card Acceptance

i. Tournament Responsibility

Before advising the WTA or Supervisor of the Wild Cards, the Tournament Director shall have confirmed with the player that she will accept the Wild Card.

ii. Player Responsibility

(a) Singles

In addition to confirming to the Tournament Director that she will accept a Wild Card, if offered, the player also must provide written notification of the Wild Card acceptance to the on-site Supervisor at the relevant Tournament or to WTA Operations by the Qualifying Sign-In Deadline.

If a player accepts a Wild Card and subsequently withdraws prior to her first match played, the Wild Card will not count toward her Wild Card allotment. A player will be subject to a Late Withdrawal fine only if the withdrawal occurs after the start of Qualifying or, if there is no Qualifying, after the Main Draw is made.

(b) Doubles

In order for a player to accept a Wild Card, she must provide written notification to the on-site Supervisor at the relevant Tournament by the Doubles Sign-In deadline.

If the player accepts the Wild Card and subsequently withdraws after the on-site Doubles Sign-In deadline, the Wild Card will not count toward her Wild Card allotment but she will be subject to a Late Withdrawal fine.

Players”), past Grand Slam singles champions, past WTA Finals singles champions, past WTA 1000 Mandatory Tournament singles champions, and/or former WTA No. 1 ranked singles players as follows:

- (a) For WTA 1000 Non-Mandatory Tournaments, if a Tournament’s Top 10 Player Delivery has not been met prior to the start of the Tournament, the Top 20 Wild Card will be first used by the WTA to move a Top 10 Player into the Main Draw of the Tournament to satisfy the Top 10 Player Delivery. If the WTA does not use the Singles Top 20 Wild Card, the Tournament Director may award the Singles Top 20 Wild Card to any Top 20 Player, past Grand Slam singles champion, past WTA Finals singles champion, past WTA 1000 Mandatory Tournament singles champion, and/or former WTA No. 1 ranked singles player. If the WTA and the Tournament do not use the Singles Top 20 Wild Card(s), the Wild Card spot(s) revert(s) to the next player(s) waiting to get into the draw.
- (b) For WTA 500 Tournaments, the Tournament Director may award the Singles Top 20 Wild Card to any Top 20 Player, past Grand Slam singles champion, past WTA Finals singles champion, past WTA 1000 Mandatory Tournament singles champion, and/or former WTA No. 1 ranked singles player. If the Tournament does not use the Singles Top 20 Wild Card(s), the Wild Card spot(s) revert(s) to the next player(s) waiting to get into the draw.
- (c) For WTA 250 Tournaments, the WTA can use a Singles Top 20 Wild Card to automatically fill any open Top 10 Player spots with players on the Top 10 Next-In List. If the WTA does not use the Singles Top 20 Wild Card, the Tournament Director must award the Singles Top 20 Wild Card to any Top 20 Player, past Grand Slam singles champion, past WTA Finals singles champion, past WTA 1000 Mandatory Tournament singles champion, and/or former WTA No. 1 ranked singles player who requests it prior to the Freeze Deadline.

In awarding Singles Top 20 Wild Cards to Top 20 Players, past Grand Slam singles champions, past WTA Finals singles champions, past WTA 1000 Mandatory Tournament singles champions, and/or former WTA No. 1 ranked singles players under this Section III.C.2.a.i(c), Tournaments must adhere to the following procedures:

- (i) If more than two (2) eligible players request a Singles Top 20 Wild Card, the Tournament shall decide which eligible player it awards the Singles Top 20 Wild Card;

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

- (ii) If only one eligible player requests a Singles Top 20 Wild Card, the Tournament must award one Singles Top 20 Wild Card to the eligible player making the request, and the second Singles Top 20 Wild Card will revert to the next player waiting to get into the draw;
- (iii) If there are no eligible players requesting a Singles Top 20 Wild Card, the Tournament can award one Singles Top 20 Wild Card to any player as per the rules in this Section 4, and the second Singles Top 20 Wild Card will revert to the next player waiting to get into the draw.

If neither of the Singles Top 20 Wild Cards are awarded, both Singles Top 20 Wild Card spots revert to the next players waiting to get into the draw.

- (d) The awarding of the Singles Top 20 Wild Card shall be subject to the Wild Card Maximums, Age Eligibility Rule, Anti-Doping Program, and WTA 250 Tournament Prize Money Policy restrictions.

If a Top 10 Player withdraws from a WTA 1000 Non-Mandatory Tournament after the Freeze Deadline and, as a result, the Tournament's Top 10 Player Delivery is no longer met, the Tournament has up until the start of Qualifying to name one (1) or both of the Singles Top 20 Wild Cards with replacement Top 10 Players to satisfy its Top 10 Player Delivery.

 - v. If applicable, a player withdrawing from a WTA Tournament by Consecutive Withdrawal still will receive zero (0) ranking points for that Tournament in accordance with Section VIII.A.4.a.i.
- c. Failure to Comply

If at any time during a Consecutive Withdrawal a player does not comply with the requirements and restrictions in this Section IV.A.7, then the Consecutive Withdrawal immediately ends, she must use an Excused Withdrawal or Prize Money Withdrawal or pay a Late Withdrawal fine for her next withdrawal from a WTA Tournament, and she is subject to all applicable fines and penalties under these Rules.

8. Inability to Arrive for First Match

- a. A player's withdrawal from the Qualifying of a WTA Tournament is not considered a Qualifying Late Withdrawal if she is unable to arrive at her first scheduled match for the following reasons:
 - i. She is participating in the previous week's WTA Tournament or Women's ITF World Tennis Tour event and the Supervisor at the previous week's tournament confirms that such player is unable to arrive in time;
 - ii. She is participating in a Billie Jean King Cup event that extends into the weekend and the Referee confirms that such player is unable to arrive in time; or
 - iii. She was selected to her Billie Jean King Cup team after such WTA Tournament's entry deadline and the Billie Jean King Cup team captain confirms the date of her late selection.

In any of the above situations, the player must fill out the proper Withdrawal Form indicating the reason for her withdrawal and have such

PLAYERS

form approved in writing by such Supervisor (or Referee in the case of Billie Jean King Cup).

In the case of (i) and (ii) above, such player will be allowed to play doubles at another WTA event or singles and/or doubles at another ITF event scheduled the same week.

- b. If a player is unable to arrive at her first scheduled Main Draw match of a WTA Tournament or withdraws from the Main Draw of a WTA Tournament due to her participation in a Billie Jean King Cup event, the player must follow the procedures set forth in this Section to withdraw from such Tournament and the player is subject to the Late Withdrawal fines set out in Section IV.A.3.b.

9. Prohibition Against Withdrawing from One Tournament to Play Another

- a. Once a player has been accepted into the Main Draw or Qualifying of a WTA Tournament, she may not withdraw to play singles or doubles in another Tournament in the same week, except as follows:
 - i. a player may withdraw from the Qualifying of a WTA Tournament and play in another Tournament in the same week if she accepts a Wild Card into:
 - (a) the Main Draw of any WTA Tournament; or
 - (b) the Qualifying of a WTA Tournament in a higher category according to the table below:

Tournament at which player withdraws from the Qualifying	Tournament at which player accepts a Wild Card into the Qualifying
WTA 125	WTA 250, WTA 500, or WTA 1000
WTA 250	WTA 500 or WTA 1000

- ii. a player may withdraw from the doubles Main Draw of a WTA Tournament and play in another Tournament in the same week in accordance with sub-Section i above or Section III.B.1.b.i(b).

If a player is discovered at any time to have violated this prohibition, she will (a) forfeit any ranking points received (singles and doubles) from the other Tournament in which she played; and (b) receive the applicable Late Withdrawal fine.

PLAYERS
SECTION IV - WITHDRAWALS AND RETIREMENTS

- b. If a player withdraws from a WTA Tournament and subsequently plays singles or doubles in an Exhibition/Non-WTA Event in the same week, then (a) if she is ranked 1-50 in the prior year-end WTA Rankings, she is subject to the applicable Late Withdrawal fine and fine under the Exhibition/Non-WTA Event Rule; and (b) if she is ranked 51+ in the prior year-end WTA Rankings, she is subject to a fine in an amount equal to double the applicable Late Withdrawal fine.

B. RETIREMENTS

If a player retires from a match, she is required to:

- a. Prior to retiring from the match, call for the PHCP and the Supervisor to provide the reason for the retirement;
- b. Immediately following the retirement,
 - i. meet with the on-site PHCP and the Tournament Physician for an evaluation and assessment of the injury or illness and complete a WTA Medical Information Form prior to leaving the Tournament city;
 - ii. submit a WTA Withdrawal Form to the on-site Supervisor; and
 - iii. provide a statement containing the reason for her withdrawal and a suitable, in WTA Communications Department's discretion, quotation that the WTA may release to the media and public.

C. RESTRICTIONS, EXCEPTIONS, AND PROCEDURES

1. The Following Week's Tournament

A player may only enter and compete in one (1) WTA Tournament or Women's ITF World Tennis Tour event per Tournament week. Once a player enters and is accepted into the singles or doubles Main Draw or signs in or enters and is accepted into the Qualifying competition, she is committed to play that Tournament to completion or elimination for that week.

A player who has lost in a Tournament ("Current Tournament") may play the Qualifying for a Tournament scheduled for the next week ("Following Week Tournament").

A player may not withdraw or retire from any draw of a Current Tournament to play in any Following Week Tournament. However, if a player is forced to withdraw or retire from a draw in a Current Tournament for a Medical Condition and she is entered in a Following Week Tournament, she must

PLAYERS
SECTION IV - WITHDRAWALS AND RETIREMENTS

receive a medical examination from the Tournament Physician and PHCP at the Current Tournament and submit her medical examination to the Tournament Physician and PHCP at the Following Week Tournament. To be eligible to compete in the Following Week Tournament, the player must receive a medical examination by the Tournament Physician and PHCP at the Following Week Tournament.

A player will automatically be withdrawn from a Following Week Tournament if:

- a. She has withdrawn or retired from a draw in the Current Tournament without cause or for unprofessional reasons;
- b. She fails to provide proof of medical examination by submitting a signed WTA Medical Information Form from the Tournament Physician and PHCP at the Current Tournament to the Tournament Physician and PHCP at the Following Week Tournament;
- c. She fails to receive a medical examination from the Tournament Physician and PHCP at the Following Week Tournament; or
- d. Her next match in the Current Tournament is scheduled on the same day as or later than her first match in the Following Week Tournament.

Any player who is discovered to have contravened this Rule shall not receive ranking points for the Following Week Tournament and will be subject to a fine as permitted under these Rules. This Rule does not apply to a player whose partner in doubles has been forced to withdraw or retire from their match.

2. Matches Scheduled Same Day

- a. A player who withdraws or retires from singles can play doubles as long as her doubles match has not been scheduled and called on the same day as her singles withdrawal or retirement.
- b. If a player has both singles and doubles matches scheduled on the same day, she can withdraw from doubles before playing her singles match.

3. Withdrawal of Seeds

See Section V.A.6.d – Withdrawal of a Seed.

4. Prize Money and Ranking Points

See Section VIII.B.3 – Withdrawals, Byes, Walkovers, and Defaults.

PLAYERS
SECTION IV - WITHDRAWALS AND RETIREMENTS

5. Unsportsmanlike Conduct

- a. In addition to the requirements set out above, for each Main Draw first round retirement (singles and/or doubles) in excess of two (2) per Tour Year, a player will be subject to a fine in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.
- b. Any player who withdraws or retires from the Qualifying or Main Draw (singles or doubles) of a WTA Tournament after the Qualifying Sign-In deadline (or Doubles On-Site Sign-In deadline if she entered only in doubles) and plays in a Grand Slam Qualifying in the same week will automatically be fined \$10,000 for Unsportsmanlike Conduct; provided, however, that if a player withdraws after the Qualifying Sign-In deadline (or Doubles On-Site Sign-In deadline if she entered only in doubles) but before her first match at the WTA Tournament because she received an offer for and accepted a Wild Card into the Grand Slam Qualifying after the Qualifying Sign-In deadline (or Doubles On-Site Sign-In deadline if she entered only in doubles), then such player will not automatically be fined for Unsportsmanlike Conduct under this Section IV.C.5 but will receive a fine in accordance with Section IV.A, which will not be subject to the doubling calculations under Sections IV.A.3 and IV.A.4. In addition, any player who fails to give her best effort in the Qualifying or Main Draw (singles or doubles) of a WTA Tournament and plays in a Grand Slam Qualifying in the same week commits a Player Major Offense of Aggravated Behavior and is subject to the penalties in Section XVII.D.13.b, including a fine in an amount up to the greater of \$25,000 or the prize money she wins at the WTA Tournament and/or suspension from play in a Tournament or event for a minimum period of twenty-one (21) days and a maximum period of one (1) year.

6. Unprofessional Conduct

If a player's withdrawal is for unprofessional reasons or is damaging to the WTA's image, she is subject to a disciplinary review and penalties.

7. Extraordinary Circumstances

In an extreme personal emergency (e.g., a death in the family or a serious illness or life-threatening situation for the player or her family) or similar extraordinary circumstances ("Extraordinary Circumstances"), a player has the right to appeal a Late Withdrawal fine or the use of an Excused Withdrawal to the Code of Conduct and Standards of Performance Committee in accordance with Section XVII of these Rules. The player must submit her appeal, which must include documentation that substantiates the Extraordinary Circumstances, within twenty-one (21) days after the date she receives notice of the Late Withdrawal fine or the date she withdraws using an Excused Withdrawal.

V. TOURNAMENT DRAWS AND SCHEDULING

A. DRAWS

Those players accepted into the draw based on their success in the Qualifying competition. Following are the number of Qualifiers based on the draw size:

Main Draw Size	Qualifying Draw Size	Number of Qualifiers
32	8	2
28/30/32	16	4

128	128	16

iii. Wild Cards

See Section III.C – Wild Cards.

iv. Alternates

Any Main Draw Alternate not in the Qualifying Draw or at a Tournament with no Qualifying must reconfirm her intention to play the Tournament by contacting (either in person, by a telephone

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

conversation, or via e-mail) WTA Operations or the on-site Supervisor by 4:00 p.m. tournament local time on the day prior to the start of Qualifying or, if no Qualifying, on the day prior to the start of Main Draw. The player must leave her contact number with the WTA Operations staff member or Supervisor with whom she speaks. If a player fails to contact WTA Operations or the on-site Supervisor on the requisite day by 4:00 p.m. tournament local time, her entry will be withdrawn automatically from the Main Draw Alternate List.

v. Byes

Those positions allocated in the draw to byes based on the draw size of the Tournament. Byes will be given to seeded players in descending order. (See Section V.A.5.d - Byes for the number of byes in a draw.)

Notwithstanding the foregoing, there will be four (4) byes awarded at the Beijing WTA 1000 Tournament to the semi-finalists of the Wuhan WTA 1000 Tournament. Any byes not used by a semi-finalist will not be awarded.

vi. Lucky Losers

Lucky Losers are players who are placed in the Main Draw to fill vacancies after they have been eliminated (lost, retired, or withdrawn) from the Qualifying, provided they meet the eligibility requirements in (a) below. Lucky Losers shall be selected based on the round reached in Qualifying and the WTA Singles Rankings from the week prior to the start of the Tournament (Special Rankings are not considered).^{*} If there are no Main Draw vacancies before the Qualifying has been completed, then the order of the Lucky Losers shall be determined by their WTA Singles Rankings in descending order. If there is one vacancy in the Main Draw before Qualifying is completed, then the order of the two (2) highest ranked Lucky Losers shall be drawn randomly, and thereafter the order shall follow the Lucky Losers' rankings, unless there are two (2) or more withdrawals at the time Qualifying is completed in which case the size of the random draw will be the number of withdrawals plus one (1). If before Qualifying is completed the number of vacancies in the Main Draw equals or exceeds the number of players who will lose in the final round of Qualifying, the highest-ranked Lucky Loser(s) from the previous Qualifying round(s) will be placed into the random draw to determine the order of the Lucky Losers.

^{*}If two or more players do not have a WTA Singles Ranking, they will be drawn randomly to determine their ranking order.

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

(a) Eligibility

A player who is not entered and has not competed in Qualifying cannot be considered for a Lucky Loser status.

A player who has been eliminated from the Qualifying may retain her right to Lucky Loser status for the duration of the Tournament provided that:

- (i) She signs in with the Supervisor by the Lucky Loser deadline;
- (ii) She receives a medical examination from the Tournament Physician and PHCP if she retired or withdrew; and
- (iii) The Main Draw match is not scheduled for the same day she retired/withdrew from her Qualifying match.

(b) Procedures

- (i) All Lucky Losers are subject to first-round prize money deductions because of Prize Money Withdrawals in accordance with Section IX.C.1.a.i(b)(ii).
- (ii) Lucky Loser positions in the Main Draw will not be released until the completion of the Qualifying event, unless Qualifying has not been completed by the time the Schedule of Play is released. In that event, the Supervisor may release a player's position where necessary and schedule players who have been accepted into the Main Draw.
- (iii) If there are withdrawals from the Main Draw after Qualifying has begun and before Qualifiers have been drawn to the Main Draw, Qualifiers and Lucky Losers will be drawn together by lot to determine their positions in the Main Draw, except that only Qualifiers will be drawn for positions with a bye until no Qualifiers remain to fill such positions.*

*For Main Draw Wild Card withdrawals see Section III.C.5 – Filling Vacant Wild Card Spots.

- (iv) At Tournaments where the last round of Qualifying and the first round of Main Draw are played on the same day and there is a withdrawal in the Main Draw Matches scheduled for the cross-over day, the Qualifier and Lucky Loser positions should be determined as follows:

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

- If there is one withdrawal, the spot having to play on the cross-over day will be filled by a Lucky Loser and all Qualifiers shall be drawn by lot to the Qualifier spots.
 - If there are two or more withdrawals, the spot(s) required to play on the cross-over day will be drawn among the Lucky Losers. All Qualifiers and remaining Lucky Losers will be drawn together by lot to fill the remaining spots in the Main Draw.
- (v) When the last round of Qualifying and the first round Main Draw are played on the same day, Lucky Losers must sign in no later than thirty (30) minutes after the conclusion of the last Qualifying match.
- (vi) If a Main Draw spot becomes available prior to the start of the last singles match of the day, the Lucky Loser/Alternate will be determined by the Sign-In for that day. However, where there are no Lucky Losers/Alternates signed in and the match affected by the withdrawal is not scheduled for that day, the following day's Sign-In will be used to fill the vacant spot.

If the spots become available after the start of the last singles match of the day/night, the spot will be filled by the highest ranked player or team who signs in the following day.

- (vii) If a Lucky Loser/Alternate is currently involved in or scheduled for another event/match pertaining to the Tournament, then the Lucky Loser/Alternate's match or other scheduled match may be rescheduled at the discretion of the Supervisor. Where Qualifying has not been completed or a Lucky Loser is unable to be determined, the match may be rescheduled.
- (viii) The first Lucky Loser or Alternate must be ready to play a match within fifteen (15) minutes of the original No Show or default. If the first on-site Lucky Loser/Alternate fails to be ready to play within fifteen (15) minutes, the next on-site Lucky Loser/Alternate must be ready to play within five (5) minutes of the time her match is called. Any subsequent on-site Lucky Loser/Alternate must be ready to play within five (5) minutes of the time her match is called. If a Lucky Loser or an Alternate chooses not to sign in one (1) day, she may still sign in the next day. However, if she signs in, her

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

match is called, and she fails to show for the match (for any reason), she forfeits her Lucky Loser or Alternate status for the duration of the Tournament.

- (ix) If a player retires/withdraws from her Qualifying match on the same day an open Lucky Loser position is on the schedule, thereby relinquishing her Lucky Loser status for that day, the open Lucky Loser position will go to the next eligible Lucky Loser for that day.

vii. Special Exempt Spots

One (1) Special Exempt Spot shall be held at each WTA Tournament (excluding WTA 125 Tournaments that occur during the second week of WTA 1000 Mandatory Tournaments or Grand Slams). A "Special Exempt Spot" is a singles Main Draw spot reserved for a singles player who is unable to compete in the Qualifying of a WTA Tournament in which she has been accepted as a direct acceptance by the Qualifying Sign-In Deadline ("Special Exempt Tournament") because she is still competing in a Qualified Singles Event. "Qualified Singles Event" means the singles event of a Tournament in the week before the Special Exempt Tournament in accordance with the following chart:

Special Exempt Tournament	Qualified Singles Event Tournament
WTA 1000 Mandatory	WTA 1000 Mandatory or Grand Slam
WTA 1000 Non-Mandatory	WTA 1000 (Non-Mandatory or Mandatory) or Grand Slam
WTA 500	WTA 500, WTA 1000, or Grand Slam
WTA 250	WTA 250, WTA 500, WTA 1000, or Grand Slam
WTA 125*	WTA 125, WTA 250, WTA 500, WTA 1000, or Grand Slam

*Excluding WTA 125 Tournaments that occur during the second week of WTA 1000 Mandatory Tournaments or Grand Slams.

(a) Application Process

Eligible singles players must apply for a Special Exempt Spot prior to the Qualifying Sign-In deadline at the Special Exempt Tournament. A Special Exempt Request Form must be submitted to the WTA Supervisor at the Tournament where a player is still competing, to the WTA Supervisor at the Special Exempt Tournament, or through a WTA Operations staff member.

A player who is still competing at the Qualifying Sign-In deadline will only be eligible to receive a Special Exempt Spot if:

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

- (i) the Special Exempt Tournament is a WTA 1000 Mandatory Tournament;
- (ii) she wins her match at the Qualified Singles Event; or
- (iii) her match is re-scheduled to be on the first day of Qualifying at the Special Exempt Tournament due to weather or other unforeseen circumstances.

Matches scheduled and played on the Qualifying Sign-In day which finish past midnight will not be considered as being played on the first day of Qualifying and will not make a player eligible for a Special Exempt Spot.

(b) Selection Process

If more than one (1) player is eligible for the Special Exempt Spot, selection will be based on a player's WTA Singles Ranking as of the week prior to the Special Exempt Tournament, or a player's Special Ranking if used to enter the Special Exempt Tournament, with the highest ranked applicant selected first.

Once a player is selected for a Special Exempt Spot, she is committed to the Special Exempt Tournament and subject to all late withdrawal rules and penalties.

If Qualifying has not started and the player selected for the Special Exempt Spot subsequently withdraws from the Tournament or moves into the Main Draw of the Tournament with her WTA Ranking as a direct acceptance, the next player eligible for the Special Exempt Spot moves into the draw. If there are no other players eligible for the Special Exempt Spot, the next player from the Main Draw Alternate List moves into the draw. After the start of Qualifying, a Lucky Loser will fill the open spot in the draw.

(c) Draw Procedures

If prior to the Main Draw Entry Deadline of a WTA Tournament, it is established that there will be no Special Exempt Spots due to a lack of Qualified Singles Events in the previous week, the reserved spot shall be filled with a Direct Acceptance from the original acceptance list.

If at any time up until the Qualifying Sign-in Deadline it is determined that no players will be eligible for the Special

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

Exempt Spot, the reserved spot shall be immediately filled by the next in player from the main draw alternate list.

b. Qualifying Singles

The minimum number of places in the Qualifying Draw will be sixteen (16) (except at WTA 125 Tournaments), consisting of some or all of the following:

i. Direct Acceptance

See Section III.B.1 – Direct Acceptance.

ii. Wild Cards

See Section III.C – Wild Cards.

If there are open spots in the draw and no On-Site Alternates, the open spots will revert to the Tournament Director as Additional Wild Card spots. These Wild Cards will count towards a player's yearly allotment of Wild Cards.

If a Qualifying Wild Card withdraws before the Qualifying Draw has started, the Tournament Director may name an alternate Wild Card, even if the Wild Card nomination deadline has passed. (See Section III.C.5 - Filling Vacant Wild Card Spots.)

iii. Alternates

(a) Sign-In Procedures

The Qualifying Alternate Next-In List will be frozen at the Freeze Deadline. If there is no Qualifying draw, the Freeze Deadline will be 2:00 p.m. Eastern Time (New York, USA Time) on the Thursday before the Tournament week. After the Freeze Deadline, no more Alternates will be moved into the Qualifying Draw and such alternate players are no longer committed to play the Tournament. Players on the Alternate List can preserve their eligibility for possible Qualifying Draw positions by signing in with a WTA Operations staff member or the Supervisor by 4:00 p.m. tournament local time on the day before the start of the Qualifying Draw.

- (i) The Sign-In deadline for Alternates is thirty (30) minutes prior to the scheduled start of play for the day.

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

- (ii) An Alternate or Lucky Loser is not required to sign in one day to be eligible as an Alternate/Lucky Loser another day. (This applies to singles and doubles Alternates and to Lucky Losers.)
 - (iii) An on-site Alternate is eligible to substitute for all first round matches and for second round matches when the player or team has had a first round bye.
- (b) The first Lucky Loser/on-site Alternate must be ready to play within fifteen (15) minutes of being called for a match. If the first on-site Alternate fails to be ready to play within fifteen (15) minutes, the next on-site Alternate must be ready to play within five (5) minutes of the time her match is called. Any subsequent on-site Alternate must be ready to play within five (5) minutes of the time her match is called. Matches will not be held for Alternates still competing in another ITF or WTA Tournament. If an on-site Alternate fails to show for a match, she will be considered a No Show.
- (c) On-Site Alternates Acceptance Priority
 - (i) Players who have entered the Tournament by the applicable deadline and appear on the Alternate List will be accepted based on the entry list order;
 - (ii) After the Freeze Deadline (see Section V.A.1.b.iii(a)), players who are not entered but sign-in on site will be accepted based on their current WTA Singles Ranking or Singles Special Ranking (subject to the ranking requirements detailed in Section III.A.1.d.vi);
 - (iii) WTA Full Members who sign in on site will be accepted in order of their current WTA Singles Rankings or Singles Special Rankings (not subject to the ranking requirements detailed in Section III.A.1.d.vi), or if no WTA Singles Rankings, according to the following order:
 - Player with the most WTA singles ranking points;
 - Player with the highest WTA Doubles Ranking;
 - Player with the most WTA doubles ranking points; and
 - Player who is drawn randomly.

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

Section III.B.2 will be used in the event of ties. Entries using a Special Ranking must be submitted to (i) the Supervisor in writing if entering on site or (ii) tourops@wtatennis.com by the applicable entry deadline.

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

ii. Wild Cards

See Section III.C – Wild Cards.

At Tournaments where not enough teams enter on site to fill all the spots in the draw, the openings in the draw may be filled by Additional Tournament Wild Cards. Teams waiting to get into the draw as Additional Wild Cards must have signed-in by the Doubles Sign-In Deadline, submitted a request to the Tournament Director, and signed-in to Doubles Alternates list thirty (30) minutes prior to the scheduled start of play each day to be eligible for any openings in the draw that day.

iii. Alternates

See Section III.B.1.b.

iv. Byes

Those positions allocated in the draw to byes based on the draw size of the Tournament. Byes will be given to seeded teams in descending order.

2. Sign-In Deadlines

a. Qualifying Singles

i. Qualifiers

Each Qualifier must sign in by 4:00 p.m. tournament local time on the day prior to the start of Qualifying (“Qualifying Sign-In Deadline”) or she will not be placed in the draw. A player must sign in by contacting (either in person or by a telephone conversation) the on-site Supervisor, a Supervisor at an event at which she is competing, or WTA Operations. Each player is ultimately responsible for confirming that the Supervisor or WTA Operations has received her sign-in before the Qualifying Sign-In Deadline. (See also Section V.B.6 - No Postponement of First Round Qualifying of WTA Tournament.)

ii. On-Site Alternates

On-site Alternates must have signed in as set forth in Section V.A.1.b.iii(a). If an Alternate has not been accepted into the Qualifying Draw, she must sign in with or contact the Supervisor before thirty (30) minutes prior to the scheduled start of play each day. An on-site Alternate is eligible to substitute for all first round matches and for

second round matches when there are first round byes. A player (Alternate or Lucky Loser) will not lose her Alternate/Lucky Loser status if she chooses not to sign in each day.

b. Doubles

See Section III.A.2.c.ii.

3. Openings in the Draw

a. Main Draw Singles*

i. Top 10 Player Replacement

If a Top 10 Player who was a direct acceptance withdraws after the Qualifying Sign-In Deadline, a Tournament may replace that Top 10 Player with another Top 10 Player based on the WTA Rankings as of the Main Draw entry deadline who is eligible (subject to WTA 250 Tournament entry restrictions) up until the Main Draw is made. The replacement Top 10 Player does not have to have previously entered the Tournament, and once the replacement Top 10 Player is confirmed, she fills the Main Draw spot vacated by the withdrawing Top 10 Player. If the Tournament does not secure a replacement Top 10 Player, the vacated Main Draw spot is filled according to parts ii and iii of this Section V.A.3.a.

ii. Before Qualifying Begins

Next-In Main Draw Alternates, based on the WTA Rankings or Special Rankings currently used for alternate status, will fill any such openings.

iii. After Qualifying Begins

Lucky Losers will fill any such openings in the Main Draw, except in the following cases:

- (a) An Alternate Wild Card replacement (see Section III.C.5 - Filling Vacant Wild Card Spots);
- (b) The correction of a WTA administrative error (see Section V.A.4 - On-Site Draw Procedure for Administrative Error - Preliminary Match); or
- (c) There are more Main Draw withdrawals than there are Lucky Losers (see Section V.A.1.b.iii - Alternates).

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

*See Section V.A.6.d - Withdrawal of a Seed for the procedures to be followed when a seeded player withdraws from a Tournament.

b. Qualifying Singles

i. Before the Freeze Deadline

Any such openings are filled by Next-In Qualifying Alternates based on the WTA Rankings or Special Rankings used for Alternate Status.

ii. After the Freeze Deadline but before Qualifying Sign-In

Any such openings are filled by Alternates who have signed in with a WTA Operations staff member or the Supervisor based on the On-site Alternates Acceptance procedure set forth in Section V.A.1.b.iii.

iii. After the Qualifying Sign-In

These openings are filled by On-site Alternates who were not accepted into the draw based on the order determined at the Qualifying Sign-In Deadline using the On-site Alternates Acceptance procedure set forth in Section V.A.1.b.iii above. Players must have signed in as set forth in Section V.A.1.b.iii to maintain eligibility for any openings.

The first on-site Alternate must be ready to play within fifteen (15) minutes of being called for a match. Matches will not be held for Alternates still competing in another ITF or WTA Tournament.

If a Qualifying spot becomes available prior to the start of the last qualifying match of the day, the Alternate will be determined by the Sign-In for that day. However, where there are no Alternates signed in and the match affected by the withdrawal is not scheduled for that day, the following day's Sign-In will be used to fill the vacant spot. If a spot becomes available after the start of the last qualifying match of the day/night, the spot will be filled by the highest ranked player who signs in the following day.

iv. Additional Qualifying Wild Cards

At Tournaments where there are no on-site Alternates, openings in the draw may be filled by additional Tournament Wild Cards. Players/teams waiting to get into the draw as additional Tournament Wild Cards must:

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

- (a) Sign in with the Supervisor or a WTA Operations staff member by the Qualifying Sign-In deadline;
- (b) Submit a request to the Tournament Director and be approved as an additional Qualifying Wild Card; and
- (c) Sign in with the Supervisor/Referee thirty (30) minutes prior to the scheduled start of play each day to be eligible for any openings in the draw that day.

See Section III.C - Wild Cards.

c. Doubles*

i. Advance Entry List

See Section III.B.1.b.i.

ii. On-Site Entry

(a) At Sign-In Deadline

Openings in the Main Draw will be filled by the next team on the On-Site Entry Alternate List.

(b) After Sign-In Deadline

If openings occur after the day of Sign-In deadline, in order to be eligible, the team must sign in as an Alternate with or contact the on-site Supervisor thirty (30) minutes prior to the start of doubles play each day or by the Doubles Alternate Sign-In deadline determined by the on-site Supervisor/Referee and indicated on the order of play.

An on-site Alternate team is eligible to substitute for all first round matches and for second round matches when there are first round byes. If a team chooses not to sign in on one day, it will not lose its eligibility to sign in for subsequent days.

(i) Prior to the Start of the Last Doubles Match of Day

If a spot becomes available prior to the start of the last doubles match of the day/night, the Alternate will be determined by the Sign-In for that day. However, where there are no Alternates signed in, and the match affected by

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

the withdrawal is not scheduled for that day, the following day's Sign-In will be used to fill the vacant spot.

(ii) **After the Start of the Last Doubles Match of Day**

If the spot becomes available after the start of the last doubles match of the day/night, the spot will be filled by the highest ranked team that signs in the following day using the highest of its players' combined WTA Singles or Doubles Rankings, which may include Special Rankings, as of the week prior to the start of the Tournament.

* See Section V.A.6.d - Withdrawal of a Seed for the procedures to be followed when a seeded team withdraws from a Tournament.

4. On-Site Draw Procedure for Administrative Error – Preliminary Match

If an administrative error has been made in a Tournament acceptance list (Main Draw Singles, Qualifying Singles, or Doubles) and too many players have been accepted into the Tournament, the following procedures will be followed:

- a. The last two (2) players accepted into the Tournament based upon the entry list, regardless of whether the draw has been made (excluding Wild Cards and Qualifiers), will play a preliminary match for one (1) spot in the draw.
- b. The loser of the preliminary match will receive first round prize money (paid by the WTA) and first round ranking points.
- c. The winner of the preliminary match will receive prize money and ranking points for the round reached in the draw. In addition, the player will receive 25% of second round prize money (paid by the WTA) and 35% of second round ranking points.

The WTA will reimburse per diem expenses to the loser of the preliminary match per the Rules.

5. Making a Draw

- a. Place

The draw, which the public will be allowed to attend, is to be made by the Supervisor or the Referee (a person so designated by the Tournament and approved by the WTA) at a site selected by the Tournament Director in consultation with the Supervisor. Whenever possible, all draws should

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

have a player present to witness the making of the draw, however, if a player is not available, the Supervisor or Referee may perform the draw in the presence of a WTA Player Relations staff member who will serve as the player representative.

b. Time

i. Main Draw Singles

The Singles Main Draw will be made no earlier than the Qualifying Sign-In deadline and no later than 3:00 p.m. tournament local time the day before the Main Draw starts. (Any exception must have the approval of the WTA.)

ii. Qualifying Singles

The Singles Qualifying Draw will be made immediately after the Qualifying Sign-In closes, or if deemed necessary, may be delayed by the Supervisor.

iii. Doubles

The Doubles Main Draw will be made after the Doubles Sign-In closes.

c. Tournaments

All Tournaments will have a seeded draw. (See Section V.A.6.a.i.)

d. Byes

i. The number of byes shall be based on draw size as follows:

Main Draw Size	Number of Byes
16/32/64/128	0
24	8
28	4
30	2
48	16
56	8

*The semi-finalists at the Wuhan WTA 1000 Tournament will receive byes at the Beijing WTA 1000 Tournament.

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

ii. Awarding of Byes

(a) Prior to the draw being made

Byes will be given automatically to the seeded players in descending order, except in the Beijing WTA 1000 Tournament, where the byes will be awarded as set out in Section V.A.1.a.v.

Once byes have been given to the seeds in any size draw, any remaining byes will be drawn and evenly distributed into each quarter of the draw.

(b) Once the draw is made

(i) If there are withdrawals and no Alternates to fill the spots, further byes will be assigned to the line from which a player withdrew and not to the remaining seeds in descending order.

(ii) In Qualifying, if a player's opponent withdraws and there is no Alternate to fill her spot, the player will be assigned a first round bye for ranking purposes, not a default. (See Section VIII.B.3 - Withdrawals, Byes, Walkovers, and Defaults.)

6. Seeds

a. General Principles

i. All Main and Qualifying Draws will have a seeded draw.

(a) Singles

Seeding is based on players' WTA Singles Rankings as of the week prior to the start of the Tournament. If two (2) or more players' rankings are tied, the following player receives priority:

(i) player with the highest WTA Singles Ranking from the previous week; and

(ii) player who is drawn randomly.

(b) Doubles

Seeding is in order of the accepted teams' combined WTA Doubles Rankings as of the week prior to the start of the

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

Tournament. If two (2) or more teams' rankings are tied, then Section III.B.2.b.i above determines the team that receives priority.

- ii. Wild Cards are eligible for seeding. Qualifiers and Lucky Losers are not eligible for seeding.
- iii. Seeding will not be official until the draw is made.
- iv. If an error in seeding is discovered before the affected players or teams have played their first match, the error in seeding may be corrected by switching the positions of the affected players or teams.

b. Number of Seeds

The number of players to be seeded will be as follows:

Main Draw Size	Qualifying Size	Main Draw Seeds	Qualifying Seeds	Number of Qualifiers
32	8	8	4	2

- d. Main Draw – Withdrawal of a Seed

- i. Prior to the Release of the Schedule of Play

If a seeded player or team withdraws from the Main Draw of a Tournament after the draw has been made but prior to the release of the schedule of play for the first day, then the following procedure applies.

- (a) If the withdrawing seeded player or team does not have a bye, then:

- (i) The next player or team eligible to be seeded takes the withdrawing seeded player's or team's position in the draw; and

- (ii) If not every seed in the draw has a bye, then:

bye takes the withdrawing seeded player's or team's position in the draw; and

- The next player or team eligible to be seeded takes the open seeded position in the draw; and
- The next player or team eligible to move into the draw (i.e., Qualifier, Lucky Loser, or Alternate as applicable) takes the remaining open position in the draw.

ii. After the Release of the Schedule of Play

If a seeded player or team withdraws from the Main Draw of a Tournament after the draw has been made, after the release of the schedule of play for the first day, and before the first match of the applicable draw has commenced, then the following procedure applies.

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

e. Qualifying – Withdrawal of a Seed

If a seeded player withdraws from the Qualifying Draw of a Tournament after the draw has been made, then the next Alternate player eligible to move into the draw takes the open position in the draw.

B. SCHEDULING

1. WTA Responsibility

The Supervisor, in consultation with the Tournament Director, is responsible for match scheduling. All match time requests must go through the Supervisor.

Match scheduling will take into account relevant factors including television contracts, the possibility and timing of day matches the following day, the actual start time for the night matches, and other relevant factors.

2. Player Obligations

- a. Players will be expected to play when scheduled. Players may be required to play both singles and doubles any day of a Tournament.
- b. Players may also be required to play several night matches in both singles and doubles during a Tournament week.
- c. Players are required to play a minimum of two (2) singles night matches during a Tournament if requested to do so.
- d. When weather or other unavoidable circumstances cause a disruption in the schedule, a player may not be expected to play more than three (3) matches in a day without her consent.
- e. A player must be available to play on the first day of a Tournament unless she played in the singles or doubles final or was competing on the final day of play of a Tournament ending the preceding day.
- f. All players must be prepared to play doubles on the first day of play, regardless of whether or not they have received a bye in singles.
- g. Players may be required to play doubles before singles if necessary due to scheduling difficulties in completing the Tournament in time.

However, there must be a minimum of two (2) matches scheduled in between the doubles and singles. In no case may there be less than one (1) hour in between matches unless all players agree.

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

3. Late Start Requests

Previous Tournament commitments or illness are the primary considerations in granting late start requests. If a request is due to illness, the player must be evaluated by the PHCP and Tournament Physician. A request made due to illness or loss of luggage does not guarantee a player a late start.

4. Television

When a Tournament is televised, the television commitments will be taken into scheduling consideration.

5. Doubles Match Scheduling

- a. When the singles and doubles finals are to be played on the same day, the doubles final shall be scheduled approximately two (2) hours prior to the published start time of the singles final. If the singles final is scheduled at 12:00 noon tournament local time or earlier, the doubles final may be played following the singles final.
- b. It is recommended that i) each session (day and night) open with a doubles match; and ii) a minimum of one (1) doubles match per day be scheduled on a televised court. If there is only one (1) televised court, then the match may be played on the next largest court from a seating capacity standpoint.
- c. The following shall be considered valid exceptions to the doubles scheduling requirements set forth in sub-Sections a and b above: i) contractual television obligations; ii) weather or other major scheduling interruptions; iii) combined event with the ATP World Tour ("ATP"); iv) security issues; and v) unforeseen circumstances as determined by the Supervisor. In addition, exceptions to sub-Section a above shall be permitted when at least one (1) of the doubles players is also a singles finalist.

6. No Postponement of First Round Qualifying of WTA Tournament

- a. The WTA will not postpone any WTA Tournament Qualifying match for a player who is still participating in a prior WTA, Grand Slam, or ITF Tournament.
- b. A player is eligible to play the Qualifying of a WTA Tournament only if she has lost in or, consistent with these Rules, she has withdrawn or retired from both the singles and doubles competitions of all prior WTA, Grand Slam, and ITF Tournaments no later than the day of the Qualifying Sign-In deadline for such WTA Tournament.

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

- c. A player may sign in for the Qualifying of a WTA Tournament while she is still participating in the WTA, Grand Slam, or ITF Tournament that occurs during the week prior to such WTA Tournament only if:
 - i. her next singles and doubles match in the prior week's Tournament will occur no later than the day of the Qualifying Sign-In deadline for such WTA Tournament; and
 - ii. she feasibly can travel to such WTA Tournament and play a match on the first day of Qualifying.
- d. If a player signs in for the Qualifying of a WTA Tournament while she is still participating in the prior week's WTA, Grand Slam, or ITF Tournament and subsequently does not participate in such Qualifying, then her failure to participate is subject to all applicable requirements and penalties under these Rules, including but not limited to the requirements and penalties in Section IV of these Rules (e.g., withdrawal requirements, Late Withdrawal and No-Show Offense fines, etc.).

7. Rescheduling of Matches

- a. Under extenuating circumstances, a match may be rescheduled at the discretion of the Supervisor, in consultation with the Tournament Director.
- b. Matches may not be rescheduled due to illness, injury, or loss of luggage.
- c. A player who personally and directly notifies the Supervisor or Referee of her impending tardiness sufficiently in advance in the opinion of the Supervisor or Referee, may at the latter's discretion, secure a release from reporting within fifteen (15) minutes of her match being called and not be subject to default and penalties.

8. Rescheduling of Finals

If, due to Extreme Weather Conditions or extraordinary circumstances, a Tournament cannot be completed on the final day as scheduled, the Tournament shall be required to extend for one (1) day to complete the singles and/or doubles events unless the Tournament, players and WTA all agree to abandon the Tournament on the day the final was originally scheduled to be played. (The event must be extended even if only one (1) entity wants to play the final.) No further extension will be permitted without the approval of the WTA.

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

a. Tournaments Scheduled the Week Prior to a Grand Slam

WTA events scheduled the week prior to a Grand Slam shall schedule their finals no later than Saturday. The Tournament may be extended by one (1) day, only if:

- i. each player in the finals has one day off between the re-scheduled finals and her first match at the Grand Slam; or
- ii. each player does not have one day off or the Grand Slam schedule of play has not been released and all players in the finals agree to extend the Tournament by one (1) day.

b. Player Penalties for Failure to Play Postponed Final

An additional fine of \$5,000 shall be assessed to any player who fails to play a postponed final match in singles or doubles on the day following the originally scheduled final day of the Tournament concerned. All such fines shall be automatic and non-appealable, except in the case of Extraordinary Circumstances. Fine appeals must be filed within twenty-one (21) days from the date of notice.

c. Alternate Indoor Venue

Where a Tournament cannot be completed outdoors, and where a suitable indoor facility exists, the Tournament should be played to completion. If Tournament play is interrupted or postponed, players will be required to play on the day following the originally scheduled final day of the Tournament pursuant to sub-Section a above. Any final scheduling decisions will be made by the Supervisor who has the authority (in consultation with the Tournament Director) to move a match to another court, indoors or outdoors, regardless of surface.

9. Changing Courts/Surface

If it is deemed necessary to move a match, the Supervisor, in consultation with the Tournament Director, has the authority to delay the start of the match or to move a match to another court, indoors or outdoors, regardless of surface. The Referee, in consultation with the Supervisor, may decide if a match shall be moved to another court if circumstances so require.

During the course of a match, if conditions or circumstances merit, players may be required by the Supervisor or Referee to move to another court.

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

10. Light and Weather

The Referee, in consultation with the Supervisor, shall decide when play will be halted in view of weather conditions or bad light. (See Section XVIII.B.6 - Extreme Weather Conditions and Lightning.)

11. Stadiums with Retractable Roofs

See Appendix E.

12. Time Between Matches

Players are entitled to a minimum of thirty (30) minutes between matches when their singles and doubles matches are consecutive and one (1) hour when consecutive singles matches must be played.

13. Interruptions and Breaks

a. Interruptions

If Tournament play is interrupted or postponed, players must be prepared to play when play is resumed. If play is interrupted or postponed, the period of re-warm up shall be as follows:

Delay	Re-Warm Up
0-15 minutes	No re-warm up
15-30 minutes	Three (3) minutes re-warm up
30 or more minutes	Five (5) minutes re-warm up

b. Breaks

i. Change of Ends

When changing ends, a maximum of ninety (90) seconds shall elapse from the moment the ball goes out of play at the end of the game until the time the first serve is struck for the next game. If such first serve is a fault, the second serve must be struck by the server without delay.

However, after the first game of each set and during a tie-break, play shall be continuous, and the players shall change ends without a rest period.

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

ii. Set Break

At the conclusion of each set, regardless of the score, there shall be a set break of 120 seconds from the moment the ball goes out of play at the end of the game until the time the first serve is struck for the next game. If a set ends after an even number of games, there shall be no change of ends until after the first game of the next set.

iii. Televised Matches

During televised matches, the Chair Umpire may extend the change of ends and set breaks where necessary.

PLAYERS

VI. WTA FINALS AND WTA ELITE TROPHY

The Tour Year culminates with two (2) events, the WTA Finals and the WTA Elite Trophy. All players who qualify for the WTA Finals or WTA Elite Trophy must comply with the player responsibilities in this Section VI.

A. PORSCHE RACE TO SHENZHEN

To determine qualification for the WTA Finals singles and doubles and WTA Elite Trophy singles competitions, the Porsche Race to Shenzhen Leaderboard ranks (a) each singles player according to her Porsche Singles Race Points; and (b) each doubles team according to their Porsche Doubles Race Points (collectively, "Porsche Race Points").

For qualification for the WTA Elite Trophy doubles competition, see Section VI.C.2.a.ii.

1. Porsche Singles Race Points

Porsche Singles Race Points are a player's best sixteen (16) Tournament ranking point results during the current calendar year as of the Monday after the final regular-season Tournament of the current Tour Year according to the WTA Ranking System in Section VIII, except that any ITF and WTA 125 Tournament ranking point results are replaced by her next best WTA 1000, 500, or 250 Tournament ranking point results.

2. Porsche Doubles Race Points

Porsche Doubles Race Points are a team's best eleven (11) Tournament ranking point results earned as a team at Grand Slams or WTA 1000, 500, or 250 Tournaments during the current calendar year as of the Monday after the final regular-season Tournament of the current Tour Year.

B. WTA FINALS

1. Singles and Doubles Competition Formats

The singles and doubles competitions both are a draw of eight (8) players and teams, respectively, in a round robin format with two (2) groups of four (4) players and teams. The winner and runner-up from each group qualify for a single-elimination-format semifinal and final.

PLAYERS

To be eligible, teams must have played together in a minimum of two (2) WTA Tournaments or Grand Slams during the current Tour Year. A Finals Doubles Qualified Player who qualifies with two (2) or more Finals Qualified Teams may choose the Finals Qualified Team with which she participates, and any player with whom she does not choose to participate is ineligible to be a Finals Doubles Qualified Player unless such player qualifies with another Finals Qualified Team.

c. Qualification Tie-Break

- (a) The player with the most ranking points from all WTA 1000 Mandatory Tournaments counting toward her Porsche Race Points; or if still tied
- (b) The player with the highest ranking point result from any WTA 1000 Mandatory Tournament counting toward her Porsche Race Points; or if still tied

- (f) The team with the highest ranking point result as a team from any WTA 250 Tournament counting toward their Porsche Race Points.

d. Mandatory Participation; Penalties

Finals Singles and Doubles Qualified Players are required to attend and compete at the WTA Finals and participate in all mandatory functions. Each Finals Singles and Doubles Qualified Player must be in the WTA Finals city at least three (3) days prior to the start of the singles or doubles competition, as applicable; provided, however, that if she is competing at another WTA Tournament on or after her required day of arrival, she must use best efforts to be in the WTA Finals city no later than the day after she finishes competing at such other WTA Tournament. Any Finals Singles Qualified Player who fails to attend and compete at the WTA Finals must pay a fine of \$125,000 and receives zero (0) ranking points for the WTA Finals, which must count as one (1) of her best sixteen (16) Tournament results in calculating her WTA Ranking. If a Finals Qualified Team fails to

PLAYERS
SECTION VI - WTA FINALS AND WTA ELITE TROPHY

attend and compete at the WTA Finals, the withdrawing Finals Doubles Qualified Player must pay a fine of \$25,000. Finals Singles and Doubles Qualified Players may not withdraw by Excused Withdrawal, Prize Money Withdrawal, or Consecutive Withdrawal from the WTA Finals.

If a Finals Singles or Doubles Qualified Player fails to attend and compete at the WTA Finals, the WTA will suspend the full amount of her applicable fine(s) if she participates in promotional activities, including but not limited to media and sponsor activities, autograph sessions, photo opportunities, video news releases, charity activities, and similar activities ("Finals Make-Up Activities"), for the benefit of the WTA or the WTA Finals either:

- i. At the current WTA Finals over two (2) days for a minimum of three (3) hours per day ("On-Site Option"); or
- ii. Any time prior to the WTA Finals of the following Tour Year over two (2) days for a minimum of three (3) hours per day at the location(s) WTA designates in its sole, reasonable discretion in consultation with the WTA Finals promoter and such player ("Off-Site Option").

WTA will designate the details of the Finals Make-Up Activities in its sole, reasonable discretion in consultation with the WTA Finals promoter and such player. Such player is responsible for all costs related to attending the Finals Make-Up Activities, except that for the On-Site Option, she is entitled to one (1) round-trip, first-class airline ticket to the WTA Finals city and one (1) hotel room, on-site meals, and tournament-related ground transportation for each day during which she participates in Finals Make-Up Activities for at least three (3) hours. If such player fails to perform the Finals Make-Up Activities to the WTA's sole, reasonable satisfaction:

- iii. The WTA may reinstate all applicable fine(s) and may collect such fine(s) through any legal means, including from the prize money she earns at any future Tournament beginning (a) immediately after the current WTA Finals for the On-Site Option; or (b) with the WTA Finals of the following Tour Year for the Off-Site Option; and
- iv. She will be suspended from competing in all WTA Tournaments through the next two (2) WTA 1000/WTA 500 Tournament weeks, including any WTA 250 Tournaments in that time period, beginning (a) the first day after the completion of the current WTA Finals for the On-Site Option; (b) with the WTA Finals of the following Tour Year for the Off-Site Option; or (c) on such other date that the WTA CEO determines in his or her sole discretion will prevent the circumvention or perceived circumvention of these Rules.

PLAYERS
SECTION VI - WTA FINALS AND WTA ELITE TROPHY

If a WTA Finals Singles or Doubles Qualified Player is subject to penalties for failing to attend and compete at both the WTA Finals and the WTA Elite Trophy, she will receive only the applicable penalties for the WTA Finals.

e. Alternates

After the Finals Singles Qualified Players and Finals Qualified Teams are set, the next two (2) highest-ranked singles players on the Porsche Race to Shenzhen Leaderboard qualify as alternates for the WTA Finals ("Finals Alternates") and the next one (1) highest-ranked doubles team on the Porsche Race to Shenzhen Leaderboard qualifies as an alternate team for the WTA Finals ("Finals Alternate Team"). If any Finals Singles Qualified Player or Finals Qualified Team is unable to compete, Finals Alternates or Finals Alternate Teams, as applicable, will move into the competition in order of the Porsche Race to Shenzhen Leaderboard, and the WTA may designate additional Finals Alternates or Finals Alternate Teams according to the above qualification criteria. Finals Alternates and Finals Alternate Teams are subject to the same obligations and fines as Finals Singles Qualified Players and Finals Doubles Qualified Players regardless of whether they move into the competition. However, zero (0) ranking point results apply only if a Finals Alternate or Finals Alternate Team becomes a Finals Singles Qualified Player or Finals Qualified Team.

Finals Alternates and Finals Alternate Teams must be in the WTA Finals city on the day of the WTA Finals draw ceremony, attend the draw ceremony and all other mandatory functions; provided, however, that if she is competing at another WTA Tournament on or after her required day of arrival, she must use best efforts to be in the WTA Finals city no later than the start of the WTA Finals. Finals Alternates and Finals Alternate Teams must be on site and available to substitute for a maximum of one (1) Final Singles Qualified Player or one (1) Finals Qualified Team from the start of the WTA Finals through the completion of the round robin matches. If a Finals Alternate or Finals Alternate Team has not moved into the competition by the completion of the round robin matches, her WTA Finals obligations will cease and she may depart the WTA Finals city. A Finals Alternate or Finals Alternate Team who plays any match(es) becomes a Finals Singles Qualified Player or Finals Qualified Team, as applicable, and will receive a round robin standing, WTA Ranking points, and prize money in accordance with the prize money breakdown. Elite Trophy Alternates are subject to the same obligations and fines as Elite Trophy Singles Qualified Players regardless of whether they move into the competition. However, zero (0) ranking point results apply only if an Elite Trophy Alternate becomes an Elite Trophy Singles Qualified Player.

Elite Trophy Alternates must be in the WTA Elite Trophy city on the day of the WTA Elite Trophy draw ceremony, attend the draw ceremony and all other mandatory functions, and be on site and available to substitute for a maximum of one (1) Elite Trophy Singles Qualified Player from the start of the WTA Elite Trophy through the completion of the round robin matches. A player who competes in the doubles competitions of both the WTA Finals and the WTA Elite Trophy earns ranking points only from the tournament that provides the highest net increase to her total WTA Ranking points as of the Monday of the final regular-season Tournament of the current Tour Year.

The WTA Elite Trophy ranking points for the doubles competition are 10 points for participating in each round robin match, 50 points for each round robin win, and 100 points for the final win; provided, however, that Elite Trophy Doubles Wild Card Players and Promoter-named Elite Trophy Alternates do not receive participation ranking points.

1. Responsibilities

All Main Draw singles and doubles players must make themselves available for media/sponsor/WTa-related activities at each Tournament ("ACES"), including any activities involving Tournament or WTA sponsors that conflict with players' personal sponsors unless, in WTA's reasonable discretion, the players' participation in such activities will jeopardize their relationships with their personal sponsors. All ACES shall be arranged by the WTA's Communications and Marketing Departments.

Each player who participates on the WTA agrees that the WTA Tour, WTA title/presenting/premier sponsor, and WTA Tournaments may use or grant to others the right to use her name, photograph, likeness, signature, voice, picture, and/or biographical information (collectively, "Player Likeness"), alone or in conjunction with the name, photograph, likeness, signature, voice, picture, and/or biographical information of others, for the purpose of promoting the WTA in newspapers, magazines, motion pictures, programs, player and tournament yearbooks, broadcasts and telecasts, educational materials, and all other publicity and promotional materials and media, including publicity and promotion in connection with a commercial product, as long as such publicity and promotion in connection with a commercial product is directly related to the publicity and promotion of the WTA or WTA Tournaments and does not constitute a direct individual endorsement of such commercial product.

WTA title/presenting/premier sponsor shall utilize a minimum of three (3) players or a series of three (3) players in each use.

b. Player Group Licensing Rights - Other WTA Sponsors

Except in the categories of tennis apparel, tennis shoes, and tennis equipment (i.e., racquets, racquet bags, grips, strings, and balls), the WTA shall have the right to enter into sponsorship contracts in which a non-title/presenting/premier sponsor ("GLA Sponsor") is granted the right to

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

use any Player Likeness for the purpose of promoting the WTA, including publicity and promotion in connection with a commercial product, so long as such publicity and promotion of a commercial product is directly related to the publicity and promotion of the WTA or a WTA Tournament and does not constitute a direct or implied individual endorsement of any commercial product ("Group Licensing Authorization" or "GLA") subject to the following:

- i. The GLA Sponsor must use a minimum of five (5) players in each use.
- ii. Absent approval from an individual player, her Player Likeness shall not be used in advertising materials by (a) more than three (3) GLA Sponsors in a single calendar year; and/or (b) more than 50% of the WTA sponsorships. For the purposes of this section, a WTA title/presenting/premier sponsor shall be counted in calculating the total number of sponsorships but shall not be counted in calculating the number of WTA sponsorships in which a player is being used. Any GLA Sponsors existing as of December 31, 2010, shall be grandfathered from the restriction in sub-Section (b); however, no new GLA Sponsors will be permitted to utilize an individual Player Likeness in violation of sub-Sections (a) or (b).
- iii. No later than October 1 of each year, each player will advise the WTA in writing of the categories in which the player has a personal, exclusive sponsorship or endorsement contract for the following calendar year. The player shall make the contract available to the WTA upon request on a confidential basis. Provided the player has a binding contract or bona fide written and detailed letter of intent, term sheet, or offer letter, as determined in good faith by the WTA, the Player Likeness for that player shall be unavailable to GLA Sponsors for the specified category or categories for the following calendar year (starting on January 1). For letters of intent, term sheets, and offer letters, the player shall promptly notify the WTA when a binding contract has been finalized or negotiations have ceased.
- iv. Players shall be notified in writing by the WTA when included in a GLA ("GLA Notice").
- v. A player who has entered into an agreement after October 31 but before receiving a GLA Notice can enter into an exclusive deal with a conflicting sponsor. Once a player receives a GLA Notice, she can non-exclusively enter into an agreement with a conflicting sponsor for the balance of the current opt out year and may subsequently maintain the sponsorship on an exclusive basis after the end of the opt out year.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

- vi. GLA Sponsors shall be required to make reasonable efforts to cease distribution of promotional materials featuring opt-out players within thirty (30) days following the start of the opt-out year.
- vii. For each GLA Sponsor contract entered into after September 1, 2010, 25% of any financial consideration (specifically excluding barter) paid by or on behalf of the GLA Sponsor under the contract shall be paid to the WTBA, which shall distribute or otherwise use such proceeds for the benefit of the players. This percentage reflects an aggregate allocation for player GLA rights, and shall not vary depending upon the particular rights granted under any individual GLA Sponsor contract. Any payments made to individual players by a GLA Sponsor, under the sponsorship contract or any individual contract the GLA Sponsor may otherwise have with the player, are separate from and shall not be included as part of this calculation.
- viii. Any player preventing a GLA Sponsor from utilizing her Player Likeness for any reason other than a conflicting sponsorship under sub-Section v above, shall annually be issued a fine equal to the payment such player would have received under sub-Section vii above. Players that are subsequently utilized in advertising materials by such GLA Sponsor shall be entitled to compensation in accordance with sub-Section vii above.
- ix. Any action by WTBA members, not including the exercise of any opt-out rights hereunder, that results in an inability of the WTBA to timely provide all or a portion of the GLA Sponsor benefits described in this provision, shall result in a reduced WTBA payment, proportionate to such reduction of GLA Sponsor benefits. Before the WTBA payment is reduced, the WTA shall make efforts to allow the failure to be cured.
- x. Approval of the Board of Directors shall be required for any WTA non-title/presenting/premier sponsorship contract which (a) includes player GLA rights; and/or (b) deviates from the requirements of this provision.
- xi. GLA rights shall be limited to existing player photography. As such, player participation in photography or video shoots for GLA Sponsors shall be optional.
- xii. A GLA Sponsor shall be limited to utilizing player images which have been approved by a player for WTA use. In addition, players shall have approval rights over the use of her images within the GLA Sponsor's advertising materials.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

- xiii. GLA rights covered by this provision do not include any player appearances or other personal services that may be rendered by players under the ACES Program, other Rules, or any personal contractual arrangements a player otherwise may have.

- c. **Television Rights**

Each player also conveys to the WTA Tour any television rights she may own in all WTA events in which she participates. This includes, but is not limited to, WTA Tournaments, Grand Slams (subject to their prior approval), the WTA Finals, and the WTA Elite Trophy.

8. Sponsorship Restrictions

Products that are distasteful or embarrassing to WTA members, including but not limited to tobacco (including electronic cigarettes and similar products), firearms, pornographic material, or similar items shall be prohibited as a player sponsor, without prior approval of the WTA.

C. CLOTHING AND EQUIPMENT

1. Definitions

- a. **Identification**

For the purposes of this Section VII.C, “identification” means any sort of identification associated with, or intended to be associated with, a commercial sponsor, a clothing or equipment manufacturer, or any other person or entity, regardless of the trademark registration status of the identification, and shall include any and all forms of writing.

- b. **Commercial**

For the purposes of this Section VII.C, “commercial” means any non-manufacturer of the clothing or equipment in question.

- c. **Manufacturer**

For the purpose of this Section VII.C, the “manufacturer” means the manufacturer of the clothing or equipment in question.

- i. **Standard**

A standard manufacturer identification is a manufacturer identification of a size typically manufactured on the clothing or equipment in question.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

ii. Player ID

For a tennis clothing collection that includes a player's name, initials, or other identifier that is solely used for tennis clothing and accessories ("Player ID"), such Player ID may be used interchangeably with the clothing manufacturer identification wherever manufacturer identifications are permitted under this rule.

d. Clothing Sponsor

For the purposes of Section VII.C.3.g, the "clothing sponsor" means a company designated as the sponsor of a player's clothing (not a manufacturer).

e. Size Determination

The size limitations of identifications in this section VII.C are ascertained by determining the area of the actual patch or other addition to a player's clothing without regard to the color of the same. In determining the area, depending on the shape of the patch or other addition, a circle, triangle, or rectangle shall be drawn around the same, and the size of the patch for the purpose of this rule shall be the area within the circumference of the circle or the perimeter of the triangle or rectangle as the case may be.

2. General Appearance

A player must present herself in a professional manner and wear appropriate tennis attire, at the discretion of the Supervisor or Referee, during practice, warm-up, and matches. A player may be asked to change if the Supervisor or Referee deems it necessary. Failure to do so may result in default from a Tournament and/or a fine.

From the start of the pre-match meeting through the Tournament Ceremony, a player's clothing and equipment must comply with the appearance and identification provisions contained in this Section C.

3. Clothing and Identification

No identification is permitted on players, their clothing, or equipment on court from the start of the pre-match meeting through the Tournament ceremony except as follows:

a. Shirts, Sweaters, Jackets

i. Commercial Identification

Two (2) commercial identifications, each not exceeding four (4)

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

square inches (or 26 sq. cm) in size, may be placed on the front or sleeves of a player's shirt, sweater, or jacket; provided, however, that only one (1) commercial identification may be placed on each sleeve.

ii. Manufacturer Identification

Two (2) manufacturer identifications, neither of which exceeding two (2) square inches (13 sq. cm), may be placed on the front, back, and/or collar of a player's shirt, sweater, or jacket. Alternatively, one (1) manufacturer identification of four (4) square inches (or 26 sq. cm) may be placed on the front, back, or collar. Additionally, one (1) manufacturer identification not exceeding four (4) square inches (26 sq. cm) may be placed on each sleeve.

A clothing manufacturer identification without the name of the manufacturer or any other writing may be placed once or repeatedly within an area not to exceed 12 square inches (78 sq. cm) in one (1) of the following positions:

- (a) On each of the shirt sleeves (if a manufacturer identification is not on the sleeves pursuant to above); or
- (b) Down the outer seams (side of torso) of the shirt.

Any player who chooses to have a clothing manufacturer identification appear in either area must wear the WTA or WTA/sponsor patch on her shirt as required in Section VII.C.8, without exception.

iii. Other

A player's name and/or a number may be placed on the back of a shirt with WTA approval in its sole discretion.

b. Skirts, Shorts, or Pants

Two (2) manufacturer identifications only, neither of which exceeding two (2) square inches (13 sq. cm) in size, or the option of a single manufacturer identification of four (4) square inches (26 sq. cm) may be placed on skirts, shorts, or pants.

Leggings or compression shorts may be worn without a skirt, dress, or shorts as long as they reach mid-thigh at minimum and comply with the manufacturer identification restrictions above. (For leggings or compression shorts worn underneath a skirt, dress, or shorts, see sub-Section d below.)

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

c. Dress

A dress, for the purposes of permissible identification, is treated as a combination of a skirt and shirt (dividing dress at waist).

d. Undergarments

If commercial or manufacturer identifications are visible on regular tennis undergarments, the identifications must comply with the number and size restrictions for identifications on the applicable piece of clothing under which the undergarment is worn.

For leggings or compression shorts worn under a skirt, dress, or shorts, one (1) manufacturer identification of up to two (2) square inches (13 sq. cm) is allowed.

e. Footwear

Two (2) manufacturer identifications, neither of which exceeding two (2) square inches (or 13 sq. cm) in size, may be placed on each sock.

Standard manufacturer identifications may be placed on each shoe.

i. Grass Court Shoes

In Tournaments played on grass courts, players may wear only shoes with rubber soles and without heels, ribs, or coverings.

Players may wear special grass court shoes only with the express approval of the WTA; such approval will be granted only if the shoes comply with the following specifications:

(a) Diameter

The pimples or studs on the base of the sole are vertical from the outsole and have a maximum top diameter of three (3) millimeters and a minimum top diameter of two (2) millimeters.

(b) Height and Slope

The maximum height of the pimples or studs is two (2) millimeters from the base of the shoe.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

(c) Hardness and Maximum Number

The hardness of any pimple or stud is between fifty-five (55) and sixty (60) based on a shore "A" scale. The number of pimples per square inch is no less than fifteen (15) and no more than twenty-eight (28).

No pimples or studs may be visible when the shoe is placed on a flat horizontal surface and viewed vertically. The foxing/side wall can be contoured only in the medial forefoot and medial toe area but only within the following restrictions: the contoured area may begin in the transition area between the outsole and the sidewall but can only extend to a maximum of 1.5 cm up the sidewall as measured from the base of the outsole; and the contoured area must be smooth (not textured or undulating) but can be stepped with no more than five (5) steps, each no more than 1 mm in depth.

Forefoot and heel areas may be separated, but there should be no more than a 2 mm step in the outsole of the shoe.

As an alternative to the above specifications, players may use the special grass court shoes developed, tested, and approved by Wimbledon. Players desiring approval of special grass court shoes for WTA Tournaments must submit a sample shoe to the WTA at least ninety (90) days in advance of the grass court WTA Tournament at which they seek to wear such shoes.

ii. Clay Court Shoes

In Tournaments played on clay courts, players must wear tennis shoes generally accepted for play on clay courts or granular surfaces. The Supervisor has the authority to determine that a tennis shoe sole does not conform to such customs and standards and may prohibit its use at any WTA Tournament.

Grass court shoes may not be worn during a match on a clay court.

iii. Hard Court Shoes

In Tournaments played on hard courts, players' shoes must not cause damage to the court other than what is expected during the normal course of a match or practice. Damage to a court may be considered as physical or visible, which may include a shoe that leaves a mark beyond what is considered acceptable. The Supervisor has the

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

authority to determine that a shoe does not meet these criteria and may prohibit its use at any WTA Tournament.

f. **Headwear and Wristbands**

i. **Commercial Identification**

One (1) commercial identification, which may contain writing but may not exceed three (3) square inches (or 19 sq. cm), may be placed over the ear on the side of the headwear.

ii. **Manufacturer Identification**

One (1) manufacturer identification, which may contain writing but may not exceed three (3) square inches (or 19 sq. cm), may be placed on headwear and wristbands.

g. **Clothing Sponsor**

The following rules apply to clothing sponsors:

- i. A player may have only one (1) clothing sponsor.
- ii. The clothing sponsor shall assume any or all of the positions reserved for manufacturers on a player's clothing as detailed in Section VII.C.3.a-f above, subject to the same size limitations.
- iii. A player may not display any manufacturer identifications on her clothing with the exception of her shoes, where she is permitted to display either her clothing sponsor identification or the identification of the shoe manufacturer in accordance with Section VII.C.3.e.
- iv. A player with a clothing sponsor also is permitted to display the commercial identifications allowed under Section VII.C.3.a. above - Shirts, Sweaters, Jackets.
- v. Any player who chooses to have a clothing sponsor must wear the WTA or WTA/sponsor patch on her shirt as required under Section VII.C.8 without exception.

h. **Patches**

All patches must be firmly and professionally attached at all points on the clothing or equipment. Players may not tape over patches.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

4. Equipment and Identification

a. Racquet

Standard identifications of the manufacturer of the racquet and/or strings are allowed on the racquet and the strings.

b. Bags, Towels, or Other Equipment or Paraphernalia

Standard identifications of the tennis equipment manufacturers, or the WTA Logo, are allowed on each item. In addition, two (2) commercial identifications on one (1) bag, neither of which exceeds four (4) square inches (26 sq. cm), are allowed.

c. Drink Containers

Players may use a reasonably sized drink container on court if the drink container:

- i. has no identifications; or
- ii. has one (1) manufacturer identification not exceeding four (4) square inches (26 sq. cm.), provided that the container manufacturer:
 - (a) is not a drink manufacturer; or
 - (b) is also a drink manufacturer, and
 - (i) is the official drink sponsor of the Tournament; or
 - (ii) is not in the same beverage category as the advertised drink sponsor(s) of the Tournament.

d. Electronic Devices

A player is not allowed to use any electronic device on court unless it is approved by the WTA Supervisor/Referee. Use of any WTA-approved electronic device and/or ITF-approved Player Analysis Technology is subject to the coaching provisions and penalties in the Code of Conduct (see Section XVII.D.4.a.vii) and the WTA On-Court Coaching Rules (see Section XVIII.D) and the ITF Rules of Tennis regarding Coaching (Rule 30) and Player Analysis Technology (Rule 31, Appendix III). If there is a conflict between the WTA Rules and the ITF Rules of Tennis regarding electronic devices and related on-court coaching, the WTA Rules and the decisions of the WTA Supervisor/Referee will control.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

5. Other Events

Notwithstanding anything to the contrary, the identification by use of the name, emblem, logo, trademark, symbol, or other description of any tennis circuit, series or tennis exhibition, tennis special event or tournament other than the WTA, or any other sport or entertainment event may not appear on the player, her clothing, or her equipment at any WTA Tournament, the WTA Finals, or the WTA Elite Trophy unless approved in advance by the WTA.

6. General

If the use of any of the permitted identifications above would violate any governmental regulation (including with respect to television), then the identification shall be prohibited.

7. Penalties

Any player who violates this Section VII.C may be ordered by the Chair Umpire, Referee, or Supervisor to change her attire or equipment immediately. Failure to comply with such an order may result in a fine and/or default from a Tournament.

A player who violates this Section VII.C and is not defaulted is subject to the following fines:

Violation	Fine Up To
Unacceptable Attire	\$500
Other Event	\$5,000
Commercial Identification	\$25,000
Manufacturer Identification	\$25,000

Fine appeals must be filed within twenty-one (21) days from the date of notice.

8. WTA Patch Rule

a. Patch Requirement, Placement, and Size

Except as provided in sub-Section b below, each player must wear horizontally the WTA patch that the WTA designates for the entirety of every match she plays at WTA Tournaments in one (1) of the following visible locations:

- i. on the sleeve, chest, or front collar of her shirt or dress, and the WTA patch must be four (4) square inches (26 sq. cm) in size; or

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

- ii. on the front or side (over the ear) of her hat, headband, or other acceptable headwear ("headwear"), and the WTA patch must be three (3) square inches (19 sq. cm) in size.

While a player may comply with this Rule by wearing the patch in either location, the WTA prefers that she wear the patch on her shirt. In either location, the player may wear the WTA patch in addition to the maximum allowable number of manufacturer or commercial patches, and the clothing or headwear manufacturer may incorporate the WTA patch into the design and color scheme of the headwear subject to WTA approval of the visibility of the patch. Each player is responsible for having the patch visible and properly adhered to her clothing or headwear for the entirety of her match. WTA staff members are not responsible for delivering patches to players on court but may do so at their discretion.

- b. Exception - Player Clothing Contracts Prohibiting Non-Manufacturer Identification

If a player has a clothing manufacturer contract that prohibits her from wearing any identification other than manufacturer identification in the locations in sub-Sections a.i and a.ii above (or in sub-Section a.ii and the player does not wear headwear consistently during the match), then the WTA may require her to provide benefits commensurate with the value of wearing the patch, including but not limited to:

- i. one (1) or more full days of WTA appearances when the player is not at a Tournament;
- ii. participation in one (1) or more Pro-Ams or clinics when the player is not at a Tournament; or
- iii. appearances/endorsements in one (1) or more WTA advertisements.

In addition, subject to the player's clothing manufacturer contract, the WTA requests that any player claiming this exception uses reasonable efforts to wear the WTA patch in a less prominent place (e.g., on her shorts, skirt, strap, wristband, etc.). A player's performance of such benefits does not entitle her to any compensation from the WTA and is in addition to her ACES commitments.

A player claiming this exemption must submit to the WTA written proof of the clothing manufacturer contract to substantiate her claim, which the WTA may accept or reject in its reasonable discretion.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

c. Non-Compliance During Matches

If contractually permitted, any player who does not wear a WTA patch throughout a WTA Tournament match also must participate in the WTA identification program, which includes but is not limited to:

- i. wearing the WTA patch on her shirt during post-match press appearances and commitments;
- ii. carrying a WTA-branded water bottle or towel (subject to individual Tournament approval); or
- iii. wearing a headband or hat conforming to the requirements in sub-Section a.ii above onto court before matches and during post-match press appearances and commitments.

d. Patch Rule Violations

Violation of any provision of this Rule will subject a player to the following sanctions (which accrue on an annual Tour Year basis):

Violation	Penalty
1st Offense	Official Warning
2nd Offense	\$100
3rd Offense	\$500
4th+ Offense	Fine up to \$25,000 in the WTA's discretion
Not wearing the patch for the duration of the match	\$100 (after 5 warnings)
Violation in any televised match from quarterfinals on, regardless of whether there have been prior violations	Fine up to \$50,000 in the WTA's discretion

Failure to provide the benefits in sub-Section b above will subject a player to the sanctions in the chart above for each match at which she does not wear the patch.

e. Appeals

Fine appeals must be filed within twenty-one (21) days after the date of notice.

D. TOILET/CHANGE OF ATTIRE BREAKS

A player may request permission to leave the court for a reasonable time for a toilet break, a change of attire break, or both, but for no other reason.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

1. Number and Nature of Breaks Allowed

a. Singles

Each player is entitled to a maximum of one (1) break per match. A player may change her attire during a toilet break if taken on a set break.

b. Doubles

Each team is entitled to a maximum of two (2) breaks per match. If partners leave the court together, it counts as one (1) of the team's authorized breaks. A player may change her attire during a toilet break if taken on a set break.

Any time a player leaves the court for a toilet or change of attire break, it is considered her one (1) authorized break, regardless of whether or not the player's opponent has left the court.

2. Timing of Breaks

A player may not take a toilet break/change of attire break and a Medical Time Out consecutively, unless approved by the Referee/Supervisor.

a. Change of Attire Breaks

Change of attire breaks must be taken on a set break.

b. Toilet Breaks

Toilet breaks should be taken on a set break. However, if a toilet break is taken during a set, it must be taken before the player's own service game. If the player has been authorized to leave the court before her opponent's service game or during her own service game once started, then the player is leaving the court on her own time and will be penalized with back-to-back Time Violations in accordance with Section VII.G.2.a until the earlier of the time she returns to play, is due to serve, or the score reaches a set break.

Any toilet break taken after a warm up has started is considered a player's one (1) authorized break. Additional breaks will be authorized but will be penalized as a Delay of Game Code Violation in accordance with the Point Penalty Schedule if the player is not ready to play within the allowed time (see Section VII.G.2.b).

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

3. Denial of a Player Request

The Referee and/or Supervisor shall have the authority to deny a player permission to leave the court during a match for a toilet break if it is interpreted by the Referee and/or Supervisor as gamesmanship and/or flagrant abuse of the Rules.

4. Abuse of Rule

Players will be penalized in accordance with the Point Penalty Schedule for any abuse of this rule. (See Section XVIII.A.21 - Officials and Officiating; see also Section B.1 of Appendix B - Supervisor.)

E. WTA MEDICAL RULE

See Section XVIII.B.5 - Medical Procedures.

F. CODE OF CONDUCT

An on-court code offense, under the Code of Conduct, may be declared by the Chair Umpire acting on his or her own or when instructed by either the Supervisor or Referee.

For full information, see Section XVII - Code of Conduct.

G. CONTINUOUS PLAY

1. Start of Match Violations

A player will receive a warning for her first violation and a \$250 fine for each subsequent violation per Tournament of the following time limits:¹

Event	Time Limit
Reaching the net for pre-match meeting (time starts when second player reaches her bench/chair after entering the court)	60 seconds
Warm-up (time starts at the conclusion of the pre-match meeting)	5 minutes
Start of play (time starts at the conclusion of warm up)	60 seconds

2. In-Match Violations

Monetary fines are not applicable.

¹ A warm-up period of four (4) minutes is being trialed in 2021.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

a. Time Violation

A player is subject to a Time Violation if she is not ready to play within the following time limits:

Breaks in Play	Time Limit
Between points	25 seconds
Change of ends	90 seconds (120 seconds for TV change of ends)
Set breaks	120 seconds
Heat rule break between 2nd and 3rd singles sets	10 minutes

A serving player will receive a Time Violation warning for the first offense and a Time Violation fault for all subsequent infractions thereafter. A receiving player will receive a Time Violation warning for the first offense and a Time Violation loss of point for all subsequent infractions thereafter.

A player may not receive back-to-back Time Violations and consecutive delays shall be penalized by a Delay of Game Code Violation (see sub-section b below); except, however, that if a player is late after the ten- (10) minute heat rule break or leaves the court for a toilet break on her own time, then she may receive back-to-back Time Violations and, after she receives a Time Violation warning for the first offense of a match, she will receive a Time Violation loss of point for all subsequent offenses resulting from such break regardless of whether she is the server or receiver.

b. Code Violation

A Delay of Game Code Violation shall be assessed in accordance with the Point Penalty Schedule when a violation occurs immediately after (i.e., before the next point is played) a medical treatment or Medical Time-Out (see Section XVIII.B.5.d) or is a result of a refusal to play, not returning to the court within the allowed time (see Sections VII.D.2.b and XVIII.D.4.c.iii), or a consecutive delay other than those that receive back-to-back Time Violations (see sub-section a above).

H. HINDRANCE RULE

A hindrance may result from a corrected call by an official or an event on the court that may be ruled involuntary or deliberate. Any continual distraction of regular play, such as grunting, shall be dealt with in accordance with this Section H.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

1. Corrected Call

- a. If a call is corrected from "Good" to "Out," then the point is ended and there is no hindrance.
- b. If a call is corrected from "Out" to "Good," then a let must be called unless the Chair Umpire determines in his/her sole discretion that the ball was a clear ace or a clear winning shot that the player could not have retrieved. If there is any reasonable possibility that the ball could have been played, then the player must be given the benefit of the doubt.
- c. If a foot fault is called before a serving player hits the ball, then a let must be called.

2. Involuntary Hindrance

- a. A let should be called the first time a player has created an involuntary hindrance (e.g., ball falling out of pocket, hat falling off, etc.), and the player should be told that any such hindrance thereafter will be ruled deliberate.
- b. A let should be called if a player is hindered by an event outside of her control (e.g., ball rolling onto the court, paper blowing onto the court, etc.) during play or her service motion.
- c. Noise, "out" calls, or other similar distractions from spectators are not considered a hindrance and the point should stand as played.

3. Deliberate Hindrance

Any hindrance caused by a player that is ruled deliberate will result in the loss of a point.

I. COURT ETIQUETTE

At the conclusion of each match, all players are requested to leave the court together.

J. DEFAULTS

1. Procedure

- a. The Supervisor may declare a default for either a single violation of the Code of Conduct or pursuant to the Point Penalty Schedule set out in the Code of Conduct.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

- b. If no later than the end of the next changeover the Chair Umpire receives a report of a serious violation that may warrant an immediate default, the Chair Umpire may call the Supervisor to discuss an immediate default. The Supervisor may declare an immediate default for a violation witnessed or not witnessed by the Chair Umpire.
- c. In all cases of default, the Supervisor's decision shall be final and non-appealable.
- d. Except as excluded below, a default assessed for violation of the Code of Conduct by a doubles player shall be assessed against both players on the team.

2. Penalties

- a. See Defaults under Section XVII.D.8 - Code of Conduct. (Also see Section XVIII.B.5.d - Resumption of Play and Penalties for Rule Violations.)
- b. Any player who is defaulted as per the Code of Conduct shall lose all prize money and ranking points earned for that event at that Tournament, in addition to any or all other fines levied with respect to the offending incident.
- c. In addition, at the Supervisor's discretion, any player who is defaulted (or partner of a doubles player who is defaulted) for a single violation of the Code of Conduct which causes or could have caused an immediate default as per the Code of Conduct may be defaulted from all other events, if any, in that Tournament, except when the offending incident:
 - i. Involves only a violation of the Punctuality or Clothing and Equipment provisions;
 - ii. Results from a medical condition; or
 - iii. Involves a member of a doubles team who did not cause any of the misconduct which resulted in the team being defaulted, in which case, such doubles player shall receive ranking points and prize money from the previous round.

K. FINE APPEALS

Fine appeals must be filed within twenty-one (21) days from the date of notice.

WTA RANKING SYSTEM

VIII. WTA RANKING SYSTEM

A. GENERAL

1. Description

The worldwide computer rankings for women's Professional Tennis ("WTA Rankings") reflect a player's performance in Tournament play and determine player acceptances and seeding for all Tournaments. The WTA Rankings are computed and published weekly by the WTA from its Florida Office.

All Rules in this Section VIII are subject to the Rules in Section VI regarding the WTA Finals and WTA Elite Trophy.

2. Eligibility

a. Age Requirements

i. Players under the age of 14

Players under the age of 14 cannot obtain a WTA Ranking. If a player under the age of 14 plays singles or doubles in a Tournament, that Tournament and the points acquired during play will not be counted for ranking purposes for that player.

ii. Players aged 14 through 17

If a player plays singles or doubles in a Tournament that exceeds the number permitted to be played under the Age Eligibility Rule (see Section X.A), that Tournament and the points acquired during play will not be counted for ranking purposes for that player.

b. Number of Tournaments

Players must earn (i) ranking points in at least three (3) valid Tournaments, or (ii) a minimum of ten (10) singles ranking points or ten (10) doubles ranking points in one (1) or more valid Tournaments, in order to appear on the WTA Rankings.

3. Processing of Rankings

a. Timing

WTA Tournaments plus ITF \$100,000, \$80,000 and \$60,000 events (as long as the ITF events are completed by 11:59 p.m. U.S. Eastern time on

WTA RANKING SYSTEM

SECTION VIII - WTA RANKING SYSTEM

the Sunday of that week or 11:59 p.m. U.S. Eastern time on the Saturday preceding a Grand Slam event) are processed on a weekly basis except that rankings are not processed during two (2)-week events.

ITF \$25,000 and \$15,000 events are processed a minimum of one (1) week following the completion of the tournament.

Rankings are not processed between the WTA Elite Trophy and the WTA Finals. Year-End Rankings are processed immediately after the WTA Finals and include both the WTA Elite Trophy and WTA Finals.

Points stay valid for 52 weeks from the week in which a Tournament is included in the WTA Rankings totals, except that ranking points a player earns from a WTA Finals or WTA Elite Trophy drop off upon the start of the following year's WTA Elite Trophy.

b. ITF Tournament Singles Finals Delayed

If the Singles Final only of an ITF \$60,000 and higher event is not completed by Sunday 11:59 p.m. U.S. Eastern time or Saturday 11:59 p.m. U.S. Eastern time preceding a Grand Slam event, the current week's rankings will include the event results through the semifinals, plus each of the singles finalists will receive finalist points in the current week's rankings. The winner's points will be adjusted in the following week's rankings.

4. Tournament Results Comprised in Rankings¹

a. Singles

i. Tournaments

Subject to the Long-Term Injury Rule and Special Ranking Rule, a player's WTA Singles Ranking is determined by calculating her total ranking points, including any applicable zero (0) ranking point results pursuant to Section II.A, from sixteen (16) Tournament results during a rolling, 52-week period, which must include:

- four (4) Grand Slams;
- four (4) WTA 1000 Mandatory Tournaments;
- best two (2) WTA 1000 Non-Mandatory Tournaments;

¹ See 2021 COVID-19 Rules for temporary changes.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

- best six (6) results from all Elite Trophy, WTA 1000, WTA 500, WTA 250, and WTA 125 Tournaments and ITF 15s+ events; and
- if she played the WTA Finals, the player's results will be added to her total points as a bonus Tournament.

For each Grand Slam or WTA 1000 Tournament that a player is not required to count on her ranking as described below, the number of results from all other Tournaments that count on her ranking is increased by one (1).

- (a) Grand Slams, WTA 1000 Mandatory Tournaments, and WTA Finals

If a player is accepted into the Main Draw of a Grand Slam, WTA 1000 Mandatory Tournament, or the WTA Finals as a direct acceptance, as a Qualifier, as a Special Exempt, as a Lucky Loser, or by Special Ranking, her ranking point result (including zero (0) ranking point results) for that Tournament must count on her ranking and remain on her ranking for 52 weeks regardless of whether she participates in that Tournament; provided, however, that if a player enters using her Special Ranking and withdraws before the start of Qualifying, she will not receive a zero (0) ranking point result for that Tournament.

If a player is accepted into the Main Draw of a Grand Slam or WTA 1000 Mandatory Tournament by Wild Card, her ranking point result for that Tournament must count on her ranking only if she participates in that Tournament.

- (b) WTA 1000 Non-Mandatory Tournaments

Any zero (0) ranking point results received from a WTA 1000 Non-Mandatory Commitment Tournament must count on a player's ranking and remain on her ranking for 52 weeks unless and until she is meeting her WTA 1000 Non-Mandatory Commitment Tournament requirements for that Tour Year.

If a player has played in the Main Draw of one (1) WTA 1000 Non-Mandatory Tournament within the previous 52 weeks, then her best one (1) WTA 1000 Non-Mandatory result (Main Draw or Qualifying) must count on her ranking. If a player has played the Main Draw of two (2) WTA 1000 Non-Mandatory Tournaments within the previous 52 weeks, then her best two (2) WTA 1000 Non-Mandatory results (Main Draw or Qualifying) must count on her ranking. If a player's points from WTA 1000 Non-Mandatory

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

Tournaments that count toward determining her best two (2) WTA 1000 Non-Mandatory Tournament results are the same amount, the first WTA 1000 Non-Mandatory Tournament played will count as her best WTA 1000 Non-Mandatory Tournament result.

When WTA 1000 Non-Mandatory Tournament results reach 52 weeks and drop off a player's ranking, the player may replace those results with results from another Tournament within the previous 52 weeks, provided she maintains the applicable number of WTA 1000 Non-Mandatory Tournament results on her ranking.

(c) WTA 500 Tournaments

Any zero (0) ranking point results received from a WTA 500 Commitment Tournament must count on a player's ranking but are replaced once the player has results from a WTA 500 Tournament the following Tour Year.

ii. Long-Term Injury

(a) Definition

A Long-Term Injury is an absence from play in any form of women's professional tennis, including WTA Tournaments, Grand Slams, Billie Jean King Cup, Women's ITF World Tennis Tour events, and any Exhibition/Non-WTA Event ("Professional Tennis") due to a Medical Condition (as defined in Section IV.A.7.a) for at least eight (8) consecutive weeks, counting from the player's last Tournament played.

(b) Qualification

In order to qualify for a Long-Term Injury, if requested a player must submit a WTA Medical Information Form to WTA Operations, which must be written in English, and completed by an accredited physician, indicating the nature of the Medical Condition and verifying that the player is unable to play for at least eight (8) consecutive weeks.

(c) Application of Zero Ranking Point Results

If a player qualifies for a Long-Term Injury,

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

- (i) she must count on her ranking all applicable zero (0) ranking point results received from Grand Slams, the WTA Finals, and the WTA Elite Trophy
- (ii) she is not required to count on her ranking any zero (0) ranking point results received from:
 - WTA 1000 Tournaments that occurred during her Long-Term Injury; or
 - WTA 500 Tournaments that occurred any time during a Tour Year in which she has a Long-Term Injury of at least eight (8) consecutive weeks in the current calendar year;

provided, however, that if the player does not participate in Professional Tennis after the US Open of a calendar year (Week 36) because of her Long-Term Injury and subsequently participates in Professional Tennis (including Exhibition/Non-WTA Events) before the second Monday after the completion of the WTA Finals of that calendar year (Week 46), then all zero (0) ranking point results she received after the US Open of that calendar year must count on her ranking.

Note: all zero (0) ranking point results will be applied to a player's ranking per the Rules until the player's absence from play reaches eight (8) consecutive weeks and she meets the qualification requirements in sub-Section (b) above, then the zero (0) ranking point results will be replaced or removed as applicable.

b. Doubles

A player's WTA Doubles Ranking is determined by calculating her total points from her best eleven (11) Tournament results during a rolling, 52-week period.

5. Number of Tournament Ranking Points Awarded

The following table details the number of ranking points awarded to players by round, including Qualifying, and by Tournament for both singles and doubles play. See Section VI for ranking points awarded at the WTA Finals and WTA Elite Trophy.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

c. **Tournament Cancellation Without Completion of Finals**

If a Tournament is officially terminated before the finals have been completed, each finalist will receive finalist's ranking points.

5. Tie-breaking Procedures

a. **Singles**

When two (2) or more players have the same number of ranking points, the tie for the ranking position will be decided according to the following priorities:

- i. The player with the most combined total points from Grand Slams, WTA 1000 Tournaments, and the WTA Finals;
- ii. The player with the most total points from all WTA Tournaments (including the WTA Finals and WTA Elite Trophy) and Grand Slams;
- iii. The player with the fewest number of Tournaments in a 52-week period (counting any Tournaments for which she received a zero (0) ranking point result); and
- iv. The highest number of points from one (1) Tournament, then if needed, the second highest and so on.

b. **Doubles**

When two (2) or more players have the same number of ranking points, the tie for the ranking position will be decided according to the following priorities:

- i. If two (2) of the players have the same ranking points and they earned their best eleven (11) doubles results in the previous 52-week period as a team, then the players will be tied for the same ranking position based on those best eleven (11) doubles results in that 52-week period;
- ii. The player with the most total points from all WTA and Grand Slam Tournaments, including the WTA Finals;
- iii. The player with the fewest number of Tournaments in a 52-week period; and
- iv. The highest number of points from one (1) Tournament, then if needed, the second highest and so on.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

C. WTA SPECIAL RANKING RULE²

1. Definitions

Unless the context otherwise requires, the following capitalized terms in this Section VIII.C have the following meanings:

- a. "Additional Seed" means a player in the Main Draw who does not play another seeded player in the first-round of that draw.
- b. "Medical Condition" means a medical illness or a musculoskeletal injury that warrants medical evaluation or medical treatment.
- c. "Out of Competition" means:
 - i. not participating in any Tennis Event other than an Exhibition/Non-WTA Event for which a player was granted a waiver pursuant to sub-Section 6 below; and
 - ii. not competing in any other organized sport.
- d. "Out-of-Competition Period" means a period during which a player is Out of Competition because of a Medical Condition, Pregnancy, or Parental Start for a minimum of twenty-six (26) weeks, which for a particular player is calculated using the last day of the last Tennis Event that she played or at which she received prize money, whichever is later, and the date of her Return to Competition.

A player may not count any period of suspension for violation of the Rules, TADP, or TACP toward her Out-of-Competition Period.

2 See 2021 COVID-19 Rules for temporary changes.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

- e. "Parental Start" means adoption, surrogacy, or becoming the legal guardian of a person under the age of eighteen (18).
- f. "Pregnancy" means the medically-diagnosed condition of being pregnant.
- g. "Return to Competition" means the earlier of:
 - i. playing or competing in
 - (a) any Tennis Event other than an Exhibition/Non-WTA Event for which a player was granted a waiver pursuant to sub-Section 6 below; or
 - (b) any other organized sport; or
 - ii. acceptance into a Tournament using a Special Ranking and withdrawing after either that Tournament's Qualifying Sign-In deadline for singles or its on-site entry deadline for doubles; or

 - (b) for a Special Ranking for Pregnancy, the end of the Pregnancy.
- h. "Special Ranking" means a player's ranking as of the WTA Rankings published immediately after:
 - i. the points of the last Tournament she played before her Out-of-Competition Period began have been added to the WTA Rankings (see Section VIII.A.3 – Processing of Rankings); or
 - ii. the last Tennis Event she played or at which she received prize money, whichever is later, before her Out-of-Competition Period began.
- i. "Special Ranking Application" has the meaning that Section VIII.C.3.a assigns to that term.
- j. "Special Ranking Period" has the meaning that Section VIII.C.5.b.ii assigns to that term.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

- k. "Tennis Event" means any WTA Tournament, Grand Slam Tournament, ITF (including World Tennis Tour and Billie Jean King Cup) Tournament, Olympic or Olympic Qualification Tournament, or Exhibition/Non-WTA Event, regardless of whether ranking points are awarded.

Unless the context otherwise requires, all other capitalized terms in this Section VIII.C have the meanings that these Rules assign to those terms.

2. Eligibility

To be eligible for a Special Ranking in either singles or doubles, a player must:

- a. have an Out-of-Competition Period;
- b. have a WTA Ranking of 1-750 in singles or doubles immediately after the points of the last Tournament she played have been added to the WTA Rankings (see Section VIII.A.3 – Processing of Rankings);
- c. submit documentation of a Medical Condition, Parental Start, or Pregnancy in accordance with this Section VIII.C.

For clarity, unless granted a waiver to participate in an Exhibition/Non-WTA Event pursuant to sub-Section 6 below, if a player participates in a Tennis Event or competes in any other organized sport within twenty-six (26) weeks of the purported start of her Out-of-Competition Period, she is not eligible for a Special Ranking.

3. Application Procedure and Timing

- a. Application

To apply for a Special Ranking, a player must submit the following documentation ("Special Ranking Application") in English to WTA Operations for approval:

- i. a completed and signed Special Ranking application form;
- ii. a public release statement;
- iii. if applicable, medical documentation, including:
 - (a) the diagnosis of the Medical Condition or Pregnancy;
 - (b) a copy of clinical visit documentation;
 - (c) physician's notes/documentation; and

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

- (d) all relevant laboratory tests and applicable surgical reports; and
- iv. if applicable, evidence (e.g., legal documentation) demonstrating the Parental Start.

WTA in its sole discretion reserves the right to require a player to submit additional documentation to verify the Medical Condition, Parental Start, or Pregnancy. If a player is applying for a Special Ranking for more than one (1) Medical Condition or for a combination of a Medical Condition(s) and a Parental Start or Pregnancy, she must submit documentation for each Medical Condition and Parental Start or Pregnancy.

b. Timing

Each player applying for a Special Ranking must submit her Special Ranking Application:

- i. within twenty-six (26) weeks after the start of her Out-of-Competition Period; and
- ii. at least thirty (30) calendar days before the entry deadline for the first Tournament that she wants to enter using her Special Ranking.

4. Requests for Subsequent Status Reports and Documentation Handling

WTA may request subsequent medical and legal (as applicable) status reports written in English, and if a player fails to comply promptly with such requests, the WTA may revoke her Special Ranking. WTA will keep all medical and legal documentation confidential.

5. Usage Criteria and Guidelines

a. Number of Tournaments

A player whose Out-of-Competition Period is less than fifty-two (52) weeks may use her Special Ranking in up to eight (8) Tournaments (singles or doubles, as applicable). A player whose Out-of-Competition Period is fifty-two (52) weeks or longer may use her Special Ranking in twelve (12) Tournaments (singles or doubles, as applicable).

A player may use her Special Ranking to participate in a maximum of two (2) WTA 1000 Mandatory Tournaments and two (2) Grand Slams as part of her maximum Tournaments to use her Special Ranking, and she may use her Special Ranking to participate in each WTA 1000 Mandatory Tournament and Grand Slam only one (1) time per Special Ranking.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

b. Timing

- i. The earliest a player's Return to Competition may occur is in a match scheduled during the same calendar week in which her Out-of-Competition Period reaches twenty-six (26) weeks.
- ii. A player has fifty-two (52) weeks from the date of her Return to Competition to use her Special Ranking ("Special Ranking Period").
- iii. The latest a player may use her Special Ranking is at a Tournament scheduled the same calendar week in which her Special Ranking expires.
- iv. If a player has both singles and doubles Special Rankings, her Return to Competition for both Special Rankings begins at the same time.

c. Procedures

i. Special Ranking Freeze Petition

(a) Subsequent Medical Condition

If any player's Return to Competition occurs and before her Special Ranking expires she subsequently is Out of Competition for a minimum of thirteen (13) weeks because of a Medical Condition, she may request to "freeze" her Special Ranking Period by completing and submitting another Special Ranking Application; provided, however, that regardless of any "freeze," a player's Special Ranking expires no later than the date that is 156 weeks after:

- (i) for a Special Ranking originally for a Medical Condition or Parental Start, the beginning of a player's original Out-of-Competition Period; and
- (ii) for a Special Ranking originally for Pregnancy, the end of the Pregnancy.

(b) Subsequent Pregnancy or Parental Start

If before a player's Special Ranking expires (but regardless of whether her Return to Competition has occurred) she subsequently is Out of Competition for Pregnancy or a Parental Start, she may complete and submit another Special Ranking Application to request either:

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

- (i) to “freeze” her Special Ranking Period for her current Special Ranking until the date that is 104 weeks after the end of her Pregnancy or 52 weeks after the beginning of her Out-of-Competition Period for a Parental Start; or
 - (ii) a new Special Ranking.
- (c) Restrictions
 - (i) A player may not “freeze” her Special Ranking during any period of suspension for violation of the Rules, TADP, or TACP.
 - (ii) A player may “freeze” her Special Ranking Period a maximum of two (2) times per Special Ranking. Upon a player’s second and third Return to Competition, she will have the same number of Tournaments and the same time remaining in her Special Ranking Period and the same number of Tournaments remaining in which to use her eligibility as an Additional Seed as she had when the “freeze” went into effect.
- ii. Tournament Entry and Acceptance

A player must submit all requests to use her Special Ranking to enter WTA Tournaments, Grand Slams, or Women’s ITF World Tennis Tour events to WTA Operations by the applicable WTA or Grand Slam entry deadline or by the Monday prior to the applicable ITF entry deadline. The WTA will not accept requests submitted after entry deadlines.

A player may use her Special Ranking and actual WTA Ranking interchangeably for singles entry and Doubles Advance Entry, but she may not change the ranking she uses to enter a Tournament after that Tournament’s entry deadline; provided, however, that if a player enters a WTA Tournament or Women’s ITF World Tennis Tour event with her Special Ranking and she would have been accepted into that Tournament using her actual WTA Ranking as of the completion of the first round of Qualifying, then her Special Ranking entry will not count towards her maximum Tournaments to use her Special Ranking. If multiple players with the same WTA Ranking enter the same Tournament, the player using her actual WTA Ranking will be accepted before the player using her Special Ranking.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

(a) All WTA Tournaments

If a player has both a singles and doubles Special Ranking and she uses her singles Special Ranking for on-site entry into the doubles competition of a WTA Tournament, it will not count toward her maximum allowed singles entries at Tournaments using her singles Special Ranking (but will count toward her maximum allowed doubles entries at Tournaments using a Special Ranking). If a player uses her singles Special Ranking to enter singles (Main Draw or Qualifying) and doubles at the same WTA Tournament, such entries count as one (1) of her maximum allowed singles entries and as one (1) of her maximum allowed doubles entries at Tournaments under the Special Ranking Rule. If a player only has a singles Special Ranking and she uses it for on-site entry into the doubles competition of a WTA Tournament, it will count toward both her maximum allowed singles entries and her maximum allowed doubles entries at Tournaments using her singles Special Ranking.

(b) WTA 1000 Mandatory Tournaments

If a player enters and is accepted into the singles Main Draw of a WTA 1000 Mandatory Tournament using her Special Ranking and she subsequently withdraws after the applicable withdrawal deadline in Section VIII.C.5.e below, she will receive zero (0) ranking points for the Tournament, which must count as one (1) of her best sixteen (16) Tournament results in calculating her WTA Ranking.

If a player has a Special Ranking, her Return to Competition has not yet occurred, and her actual WTA Ranking automatically enters her into a 2-week WTA 1000 Mandatory Tournament, then:

- (i) her Return to Competition may occur at a WTA 125 or ITF Tournament during the second week of that WTA 1000 Mandatory Tournament; and
- (ii) she will not be subject to any Late Withdrawal fines or any prohibition against withdrawing from one Tournament to play another (see Section IV.A) for her failure to play that WTA 1000 Mandatory Tournament, except that she will receive zero (0) ranking points for the Tournament, which must count as one (1) of her best sixteen (16) Tournament results in calculating her WTA Ranking.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

(c) WTA Finals and WTA Elite Trophy

A player may not qualify for the WTA Finals or the WTA Elite Trophy using a Special Ranking.

(d) Grand Slams

A player may use her singles Special Ranking to enter doubles and/or mixed doubles at a Grand Slam, which will not count toward her two (2) allowed singles entries at Grand Slams using her singles Special Ranking (but will count toward her two (2) allowed doubles entries at Grand Slams using a Special Ranking).

If a player uses her singles or doubles Special Ranking to enter only mixed doubles at a Grand Slam, such entry counts as one (1) of her two (2) allowed doubles entries at Grand Slams under the Special Ranking Rule. If a player uses her singles or doubles Special Ranking to enter doubles and mixed doubles at the same Grand Slam, such entries count as one (1) of her two (2) allowed doubles entries at Grand Slams under the Special Ranking Rule.

If a player enters the singles Main Draw of a Grand Slam using her Special Ranking and she subsequently withdraws after the applicable withdrawal deadline in Section VIII.C.5.e below, she will receive zero (0) ranking points for the Grand Slam, which must count as one (1) of her best sixteen (16) Tournament results in calculating her WTA Ranking.

(e) Olympics

A player may use her Special Ranking for acceptance into the Olympic tennis event, which will count as one (1) of her maximum Tournaments to use her Special Ranking.

d. Automatic Entry into WTA 1000 Mandatory Tournament

WTA does not automatically enter a player into a WTA 1000 Mandatory Tournament using her Special Ranking. To enter a WTA 1000 Mandatory Tournament using her Special Ranking, a player must notify WTA Operations in writing before the applicable entry deadline.

e. Tournament Withdrawal

If a player is accepted into a Tournament using her Special Ranking but withdraws from singles or doubles by any method other than a Prize Money Withdrawal, then the Tournament will not count as one (1) of her

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

maximum Tournaments to use her Special Ranking, but she is subject to all withdrawal requirements, any applicable Late Withdrawal or No-Show fines, and any resulting zero (0) ranking point results on her WTA Rankings.

f. Wild Cards

If a player is accepted into the Main Draw (singles or doubles) of a Tournament using her Special Ranking, she may not accept a Wild Card into the same event.

If a player is accepted into the Qualifying of a Tournament using her Special Ranking, she may accept a Wild Card into the Main Draw of that Tournament before 4:00 p.m. tournament local time on the day of the Qualifying Sign-In.

g. Seeding

A player's Special Ranking qualifies her as an Additional Seed according to this Section; provided, however, that regardless of any "freeze," a player's eligibility as an Additional Seed expires no later than the date that is: (i) for a Special Ranking originally for a Medical Condition, 156 weeks after the beginning of a player's original Out-of-Competition Period; (ii) for a Special Ranking originally for Pregnancy, 156 weeks after the end of the Pregnancy; and (iii) for a Special Ranking originally for a Parental Start, 104 weeks after the beginning of a player's original Out-of-Competition Period.

i. Singles

Upon a player's Return to Competition, if she is accepted into the singles Main Draw of a WTA Tournament and her Special Ranking would qualify her for seeding in the draw (regardless of whether she was accepted using her Special Ranking), then she will be an Additional Seed in the draw, subject to the procedures below and in Section V.A.6.c.ii:

- (a) A player is eligible as an Additional Seed only at the first eight (8) WTA Tournaments after her Return to Competition;
- (b) Only singles Main Draws of 28, 30, 32, 56, 60, and 64 may contain Additional Seeds; singles Main Draws of 48 and 96 cannot contain Additional Seeds; and
- (c) If an Additional Seed withdraws after the draw is made, then the next player eligible to move into the draw (i.e., Qualifier, Lucky Loser, or Alternate as applicable) takes the open position.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

ii. Doubles

Upon a player's Return to Competition, if her team is accepted into the doubles Main Draw of a WTA Tournament and her doubles Special Ranking combined with her partner's doubles ranking would qualify her team for seeding in the draw (regardless of whether she was accepted using her doubles Special Ranking), then her team will be an Additional Seed in the draw, subject to the procedures below and in Section V.A.6.c.ii:

- (a) A player's team is eligible as an Additional Seed only at the first eight (8) WTA Tournaments after her Return to Competition;
- (b) Only doubles draws of 16, 28, and 32 may contain Additional Seeds; doubles draws of 8 cannot contain Additional Seeds; and
- (c) If an Additional Seed withdraws after the draw is made, then the next team eligible to move into the draw takes the open position.

iii. Tournament Withdrawal

If a player is eligible as an Additional Seed but withdraws from singles or doubles by any method other than a Prize Money Withdrawal, then the Tournament will not count as one (1) of the eight (8) Tournaments at which she can be an Additional Seed.

h. Lucky Loser Status

A player's actual WTA Ranking, not her Special Ranking, determines her Lucky Loser position or status.

i. Top 10 Players

Special Rankings will not be used to determine Top 10 Players.

j. Player Responsibilities

i. Upon Return to Competition

Upon her Return to Competition, a player must report to the WTA the first Tennis Event in which she participates.

ii. Tracking Tournament Usage

Each player is responsible for tracking the Tournaments in which she

WTA RANKING SYSTEM

SECTION VIII - WTA RANKING SYSTEM

uses her Special Ranking. If a player exceeds the maximums in this Section VIII.C, she will forfeit any ranking points she earned at all WTA Tournaments, Grand Slams, and ITF Tournaments in which she used her Special Ranking that exceed those maximums.

k. Missed Tournament Ranking Point Replacement

A player who during her Out-of-Competition Period misses any Tournament(s) that must count as one (1) of her best sixteen (16) Tournament results in calculating her WTA Ranking may replace any zero (0) ranking point results for such Tournament(s) with the results she obtains at Tournaments after her Return to Competition only after she has sixteen (16) Tournaments comprising her WTA Singles Ranking.

l. Abuse of Special Ranking

If at any time WTA determines in its sole discretion that a player has abused or is abusing her Special Ranking status, WTA has the authority to (i) revoke the player's Special Ranking; (ii) revoke any ranking points the player earned from the abuse of her Special Ranking status; and (iii) penalize the player under Section XVII.D.13.b. A player is entitled to appeal any penalty issued under this Section VIII.C.5.l in accordance with Section XVII.D.13.c and Section XVII.G, as applicable.

6. Exhibition/Non-WTA Event Waiver

Any Player subject to this Special Ranking Rule may apply to the WTA for a waiver to participate in one (1) Exhibition/Non-WTA Event (as defined in Section XVII.E) that will not restart her Out-of-Competition Period or start her Return to Competition, which application the WTA may grant in its sole and absolute discretion. A player must submit a waiver request, applicable medical documentation, and medical clearance from her doctor. All materials are requested thirty (30) days in advance but must be received by the WTA no later than one (1) day prior to the Exhibition/Non-WTA Event.

The WTA may consider such waiver requests according to the individual circumstances presented. In considering whether to grant a waiver, the WTA may take into account, among other factors, (i) the current length of a player's Out-of-Competition Period, (ii) the timing of the Exhibition/Non-WTA Event in comparison to the player's planned Return to Competition, and (iii) the format of the Exhibition/Non-WTA Event, the number of days over which it is scheduled, and the number of matches the player is likely to play. As a general rule, waivers may be granted more freely in cases of bona fide charity events, bona fide team competitions, events with Pro-Am formats, and events with non-traditional tennis scoring.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

Players ranked 1-50 are also subject to Section XVII.E – Exhibition/Non-WTA Event Rule.

7. Players Granted Special Rankings Prior to 2019

a. Number of Tournaments

The maximum number of Tournaments at which a player may use her Special Ranking is detailed in Section VIII.C.5.a, inclusive of any Tournaments at which she used her Special Ranking prior to December 31, 2018.

b. Pregnancy

If a player has a Special Ranking for Pregnancy and has not yet returned to competition, the date at which to start her maximum time before her Return to Competition is the end of the Pregnancy, in accordance with Section VIII.C.1.g.

If a player has a Special Ranking for Pregnancy and freezes her Special Ranking Period, the date at which to start her maximum time before her Special Ranking expires is the end of the Pregnancy, in accordance with Section VIII.C.5.c.i.

c. Special Ranking Freeze Petition

A player may freeze her Special Ranking Period a maximum of two (2) times in accordance with Section VIII.C.5.c.i, inclusive of a freeze taken prior to December 31, 2018.

d. Tournament Entry and Acceptance

If a player enters a Tournament that begins on or after December 31, 2018 with her Special Ranking and she would have been accepted into that Tournament using her actual WTA Ranking as of the completion of the first round of Qualifying, then her Special Ranking entry will not count towards her maximum Tournaments to use her Special Ranking. Any Tournaments entered with a Special Ranking prior to December 31, 2018 will continue to count toward a player's maximum Tournaments in which to use her Special Ranking.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

e. Seeding

A player's eligibility as an Additional Seed is only applicable to the first eight (8) WTA Tournaments after her Return to Competition, inclusive of any WTA Tournaments played prior to December 31, 2018.

A player may replace zero (0) ranking point results in accordance with Section VIII.C.5.k, including zero (0) ranking point results received prior to December 31, 2018, provided the zero (0) ranking point result was received during her Out-of-Competition Period and it appears on her WTA Ranking as of December 31, 2018.

D. RETIRING FROM THE WTA

If a player has decided to retire, she must submit the Player Retirement Form to the WTA in order to officially retire. A retired player will be removed from the WTA Rankings at the end of the calendar year in which she officially retires or on the date listed by the Player on the Player Retirement Form, whichever is earlier. Players who have submitted a Player Retirement Form shall not be eligible to compete in a Tournament until they have satisfied all applicable requirements under the Anti-Doping Program.

AGE ELIGIBILITY AND PLAYER DEVELOPMENT

X. AGE ELIGIBILITY AND PLAYER DEVELOPMENT

A. AGE ELIGIBILITY RULE

Player Development requirements and the Age Eligibility Rule ("AER") are applicable to competition in Professional Tennis Tournaments worldwide.

1. Definitions

a. Competition in a Professional Tennis Tournament

For the purposes of this Rule, competition in a Professional Tennis Tournament is defined as participation in the singles or doubles Main Draw or Qualifying Draw of any Tournament at which a player earns WTA ranking points (singles or doubles) or, but for the operation of the WTA Rules or the player's violation of the WTA Rules, would have earned WTA ranking points. Participation in a Professional Tennis Tournament counts toward a player's AER Tournament Allotment. If a player participates in the Qualifying Draw and qualifies for the Main Draw, it will count as only one (1) Tournament. Similarly, if a player is competing in both the singles and doubles draws, it will count as only one (1) Tournament.

Competition in a Professional Tennis Tournament under the AER does not include: (i) participation in the draws of the Women's ITF World Tennis Tour events in which a player does not earn WTA ranking points; (ii) participation in the draws of Women's ITF World Tennis Tour 15s events before August 5, 2019; or (iii) receiving a zero (0) ranking point result for not participating in a Grand Slam or Commitment Tournament.

b. Age

For the purposes of this Rule, a player's age is determined by her age as of the date of the start of a Tournament's singles Main Draw.

A player 18 years of age or older no longer is subject to sub-Section A of this Rule but is required to continue participating in Player Development (sub-Section B) until she receives notification of graduation from a WTA representative.

If a player receives a Wild Card into a Professional Tennis Tournament, participation in that Tournament will count toward her AER Tournament Allotment.

i. Under 14 Years of Age

A player who has not yet reached the date of her 14th birthday may not participate in any Professional Tennis Tournament.

ii. 14 Years of Age

Between the date of a player's 14th birthday and the day before her 15th birthday, she may earn a WTA Ranking, but she may not participate in WTA Tournaments by direct acceptance or participate in the WTA Finals or WTA Elite Trophy by direct acceptance or Wild Card.

The AER Tournament Allotment and AER Wild Card Allotment for a player 14 years of age are as follows.

(b) AER Wild Card Allotment

Once a player reaches 17 years of age, she may accept the WTA and Women's ITF World Tennis Tour calendar year Wild Card maximums. (See Section III.C.3 for information on WTA Wild Card maximums.) The number of Wild Cards she may accept pursuant to the Wild Card Rule is calculated over the course of the Tour Year in which she turned 17 (i.e., any Wild Cards used under the AER by the player in that Tour Year prior to turning 17 will count toward the total number of Wild Cards permitted under the Rules).

vi. 18 Years of Age and Older

(a) AER Tournament Allotment

A player 18 years of age or older may participate in an unlimited number of Professional Tennis Tournaments.

(b) AER Wild Card Allotment

Pursuant to Section X.A.2.a.ii, a player 14 years of age may not participate in the WTA Finals or WTA Elite Trophy.

A player 15 years of age or older is eligible to participate in the WTA Finals and WTA Elite Trophy. Participation in the WTA Finals and WTA Elite Trophy by direct acceptance by a player between 15 and 17 years of age will not count toward her AER Tournament Allotment. However, participation in the WTA Elite Trophy by Wild Card by a player between 15 and 17 years of age will count toward her AER Tournament Allotment.

AGE ELIGIBILITY AND PLAYER DEVELOPMENT
SECTION X - AGE ELIGIBILITY AND PLAYER DEVELOPMENT

c. Billie Jean King Cup (any level of competition)

A player 14 years of age or older is eligible to participate in any level of competition at Billie Jean King Cup events. Participation in Billie Jean King Cup by a player between 14 and 17 years of age will not count toward her AER Tournament Allotment.

d. Olympic Participation

Players who reach the age of 15 years by Saturday, July 24, 2021 will be eligible to participate in the 2021 Olympics. Participation in the 2021 Olympics by players between the ages of 15 and 17 will not require such players to reduce the number of Tournaments in which they are permitted to play. Please see the ITF Olympic Tennis Event 2021 Regulations for additional information.

e. Exhibition/Non-WTA Events

All players are subject to the Exhibition/Non-WTA Event Rule (see Section XVII.E), including players who are subject to the AER.

f. Grand Slams and Commitment Tournaments

A player subject to the AER is responsible for planning her competition schedule to include Grand Slams and Commitment Tournaments within her AER Tournament Allotment. Unless she qualifies for a Merited Increase pursuant to sub-Section 4 below, a player who has reached her AER Tournament Allotment prior to a Grand Slam or Commitment Tournament will not be allowed to exceed her AER Tournament Allotment.

A player who is a direct acceptance into and fails to play a Grand Slam will receive a zero (0) ranking point result.

See Section II.A.4 for Tournament Commitment requirements for players subject to the AER.

3. Wild Cards

a. Wild Card Qualification

To accept a Wild Card into any WTA Tournament, a player must: (i) have submitted the Annual Player Form and the Wild Card Player Acceptance Form; (ii) have submitted all requisite documentation (i.e., proof of identity (copy of her passport or birth certificate), proof of meeting her minimum educational requirements, etc.); and (iii) be current with all Player Development requirements.

AGE ELIGIBILITY AND PLAYER DEVELOPMENT

SECTION X - AGE ELIGIBILITY AND PLAYER DEVELOPMENT

Under no circumstances will a player be allowed to exceed the calendar year WTA or Women's ITF World Tennis Tour Wild Card maximums for singles or doubles.

Wild Cards accepted at Grand Slams do not count toward a player's AER Wild Card Allotment.

b. Wild Cards Accepted at Separate Tournaments

Wild Cards accepted at separate Tournaments count toward a player's AER Wild Card Allotment, regardless of whether the Wild Card is for singles or doubles.

c. Wild Cards Accepted at the Same Tournament

If a player 14-16 years of age accepts both a singles and doubles Wild Card at the same Tournament, it will count as only one (1) Wild Card. The singles Wild Card will be used to determine how it is counted (Main Draw or Qualifying).

d. Doubles Wild Card at Tournament where Singles Entry by Direct Acceptance

In the event a player 14-16 years of age is accepted into the singles draw (Main Draw or Qualifying) by direct acceptance and accepts a Wild Card into the doubles draw, the following guidelines shall apply:

- i. If the player earns points in the singles draw (Main Draw or Qualifying), the doubles Wild Card will not count toward her AER Wild Card Allotment.
- ii. If the player does not earn points in the singles draw (Main Draw or Qualifying), the doubles Wild Card will count toward her AER Wild Card Allotment.

e. WTA Tournament Wild Card Awarded through Pre-Qualifying Event/Circuit

In the event a player wins a pre-qualifying event/circuit that awards a Wild Card into a WTA Tournament, the player may accept the Wild Card if:

AGE ELIGIBILITY AND PLAYER DEVELOPMENT
SECTION X - AGE ELIGIBILITY AND PLAYER DEVELOPMENT

- ii. Acceptance of the Wild Card does not result in the player exceeding her AER Wild Card Allotment or AER Tournament Allotment.

4. Merited Increases

Merited Increases are: (i) Tournaments that a player may play in addition to her AER Tournament Allotment ("Tournament Merited Increases") and (ii) Wild Cards that a player may accept in addition to her AER Wild Card Allotment but that count toward her AER Tournament Allotment ("Wild Card Merited Increases"). A player who earns Wild Card Merited Increases may not exceed the calendar year WTA or Women's ITF World Tennis Tour Wild Card maximums for singles or doubles. Subject to sub-Section b.ii(a) below, a player who earns both WTA 1000 Mandatory/Grand Slam Tournament Merited Increases and Pro Path Tournament Merited Increases may combine them but may not exceed four (4) total Tournament Merited Increases per birth year.

A player must remain current with her Player Development requirements to qualify for Merited Increases. An eligible player's use of Merited Increases is contingent upon her and her Support Team completing the requirements prior to these additional events.

Merited Increases may be earned as follows:

- a. WTA 1000 Mandatory/Grand Slam Tournament Merited Increase
 - i. A WTA 1000 Mandatory/Grand Slam Tournament Merited Increase is earned when a player 15-17 years of age has completed all of her Player Development requirements to-date and earned her way into the Main Draw or Qualifying of a WTA 1000 Mandatory Tournament or Grand Slam by a direct acceptance.
 - ii. However, participation in a WTA 1000 Mandatory Tournament or a Grand Slam is not a Tournament Merited Increase and counts toward a player's AER Tournament Allotment if the player is:
 - (a) 14 years of age;
 - (b) 15-17 years of age and was accepted by direct acceptance but has not completed her Player Development requirements prior to competing in the WTA 1000 Mandatory Tournament or Grand Slam; or

SECTION XII - WTA TOURNAMENT MEMBERSHIPS

D. ANNUAL PROCEDURES FOR AN EXISTING WTA TOURNAMENT

1. Tournament Information Form

The Annual Tournament Information Form for existing Tournaments must be submitted no later than February 28 prior to the start of the applicable Tour Year. Any Annual Tournament Information Form submitted after the February 28 deadline must be accompanied by a late fee of US\$1,000. The Annual Tournament Information Form shall be distributed annually by the WTA at least sixty (60) days before the deadline.

2. Prize Money

Each Tournament must comply with the following provisions (subject to change) regarding prize money. Revised provisions, if any, will be distributed by the WTA.

a. Payment Currency

i. US Dollars or Euros

Prize money listed in Tournament applications shall be expressed in US dollars. Prize money must be paid in US dollars in the amount stated on the applications and approved by the WTA, except for Tournaments held in Euro Monetary Countries, which must pay the on-site prize money in Euros, but all Tournament-related fees (e.g., tour fees, ELC, etc.) must be paid in US dollars.

The on-site prize money levels for Tournaments held in Euro Monetary Countries will be annually set at the rate of 1.24 US Dollars to 1 Euro. However, this conversion rate does not apply to the Mutua Madrid Open WTA 1000 Tournament.

ii. Non-US Dollars or Non-Euros

A Tournament, however, may pay its prize money in non-US dollars (or a non-Euro currency for Euro Monetary Countries) if a written request is made to the WTA at least three (3) months in advance of the Tournament. The WTA reserves the right to deny the request based upon factors including: the stability of the currency against the US dollar (or Euro); the international popularity of the currency; the players' convenience in converting that currency to US dollars (or Euros) or other currency; and the efficiency of the banking system upon which the prize money checks are drawn.

TOURNAMENTS

SECTION XII - WTA TOURNAMENT MEMBERSHIPS

b. Exchange Rates - Authorization

Upon approval of the Tournament's request to pay prize money in a non-US currency (or a non-Euro currency for Euro Monetary Countries), the WTA will confirm the authorized rate of exchange to that Tournament based on the six-month average exchange rate to the US dollar (or the Euro for Euro Monetary Countries) as listed at the internet site www.oanda.com/converter/cc_table and corresponding to the dates in the following table:

Tournament Beginning	Average 6-Month Exchange Rate Ending On:
January 1 - March 31	October 1
April 1 - June 30	January 1
July 1 - September 30	April 1
October 1 - December 31	July 1

c. Fluctuation

If, seven (7) days prior to the first day of the Tournament, there is a fluctuation in the authorized rate of exchange of at least 5% up or down, then such exchange rate shall be adjusted up or down, as the case may be, according to the following table:

Exchange Rate Fluctuation	Exchange Rate Adjustment
Less than 5%	none
Between 5-10%	5%
10% or greater	One-half the exchange rate percentage fluctuation*

*For example, if the currency fluctuates 11% down from the authorized exchange rate, the exchange rate will be adjusted by 5.5% (e.g., a 1.36 exchange rate will be adjusted as $1.36 + (1.36 \times -5.5\%) = 1.2852$).

d. Communication of Adjusted Exchange Rate

Each Tournament paying on-site prize money in a specific non-US currency (or a non-Euro currency for Euro Monetary Countries) shall obtain from the WTA the official rate for the Tournament as provided above prior to the start of the Qualifying of the Tournament, and shall use the same. Round-by-round prize money breakdowns shall be prominently posted on site and shall include a reference to the corresponding breakdown in US dollars.

c. **Extenuating Circumstances**

Under extenuating circumstances, a member may apply to the Board of Directors for an extension of the deadline in sub-Section b.ii.(c)(iv) above, which application the Board of Directors may accept or reject in its sole and absolute discretion. TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

d. Second or Subsequent Request from Tournament Class Member

The same provisions set out in Section XII.G.2.b. – After the No Release Deadline – also apply to a Member making a second or subsequent request to be released from its obligation to conduct its Tournament.

Nothing herein shall either exempt or absolve the member from i) its obligation to pay the Announced Prize Money to the WTA, or ii) its other financial obligations set forth in the Rules.

e. Tournament Cancellation Due to Health, Safety, or other Matters

The WTA may cancel or adjust a Tournament's schedule or procedures due to health, safety, or other matters involving risk to players, staff, and/or spectators. Before cancellation of a Tournament pursuant to this sub-Section e, the WTA will consult with the Tournament as well as the local health, law enforcement, or other government authorities, where applicable. Cancellation should be undertaken as a last resort, and the WTA should use great discretion before taking such action. In the event of cancellation by the WTA pursuant to this sub-Section e, the No Release Rule will not apply; provided the reason for the cancellation was outside of the control or prevention of the Tournament. (See Section IX.D.1 for payment of prize money.)

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

6. Forfeiture of Membership

H. TERMINATION OF TOURNAMENTS

1. Tournament Disqualification

The WTA may disqualify any Tournament from participation in the WTA if the Tournament commits any of the below acts.

- ii. The Tournament fails to provide the commercial identification required pursuant to all relevant agreements.
- iii. The Tournament fails to demonstrate financial responsibility to conduct a Tournament.
- iv. The Tournament fails to pay all expenses or prize money of a Tournament it has conducted.
- v. The Tournament fails to fulfill in a timely manner its financial obligations or breaches any other term or condition of the Rules, including Standards of Performance Requirements, or any relevant agreement.

b. Disqualification Process

The WTA must provide the Tournament thirty (30) days' written notice (via email or certified mail) prior to disqualification, unless a Tournament

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

already has been advised that it will not be able to hold its Tournament at the time it has been appointed.

2. Letter of Credit in Lieu of Disqualification

In lieu of disqualification for any of the financial failures detailed in sub-Section H.1.a above, the WTA, in its sole discretion, may require a Tournament to post a letter of credit in the full amount of the Tournament's prize money upon thirty (30) days' written notice.

Failure to post a satisfactory letter of credit will result in disqualification from participation in the WTA.

I. TOURNAMENT OWNERSHIP

1. Definition of Ownership

Ownership of a full Tournament Class Membership is a continuing right, provided the Tournament is in good standing. Each Tournament has the Tournament ownership rights provided in Schedule I of the WTA By-Laws.

2. Transfer of Ownership

a. Approval Process

- i. Any member seeking to sell, transfer, assign, convey, or otherwise dispose of, directly or indirectly, whether by operation of law or otherwise, its ownership interest, in whole or in part, in a Tournament Class Membership (a "Transfer") shall satisfy the following steps, as part of the Transfer approval process:
 - (a) Submission of a written request for approval of the Transfer to the CEO prior to the attempted transfer and no later than sixty (60) calendar days (unless WTA otherwise agrees in its sole discretion) prior to the next scheduled meeting of the Board of Directors;
 - (b) Promptly furnishing all information requested by WTA Management;
 - (c) Furnishing information that is accurate and not misleading;
 - (d) Organizing, completing, and paying (including travel, lodging, food, and other reasonable expenses) for one (1) or more site checks if there will be a new venue;

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

- (e) Cooperating with any investigation conducted by WTA Management in evaluating the proposed Transfer; and
 - (f) Providing a binding offer to sell the membership to the WTA for a purchase price equal to the amount to be paid by the proposed purchaser solely for the membership interest (without regard to any employment, consulting, or other arrangements and subject to the WTA's right to pay the purchase price as and when it would have been due from the proposed purchaser) (the "Right of First Refusal Offer").
- ii. Upon completion of all the steps required under sub-Section 2.a.i above, the CEO shall submit the proposed Transfer and the Right of First Refusal Offer to the Board of Directors for its approval, acceptance, or other action, except that if the proposed Transfer will not result in the transferee possessing, directly or indirectly, a membership interest of 25% or more, the CEO shall have the power to approve or disapprove the proposed Transfer or accept the Right of First Refusal Offer without submitting it to the Board of Directors for approval or acceptance. The Board of Directors or CEO, as the case may be, shall have the right to disapprove a Transfer in its or his/her sole discretion; however, such approval or acceptance shall not be unreasonably withheld.
- iii. If the WTA elects to accept the Right of First Refusal Offer in sub-Section 2.a.i(f), the WTA shall notify the member in writing of its acceptance within thirty (30) days after the Board of Directors meeting at which the Transfer request is considered (the "Right of First Refusal Period"). If the WTA exercises its Right of First Refusal, the WTA and the member shall thereafter fix a mutually acceptable date for the consummation of the transaction. If the WTA does not notify the member of its intention to exercise the Right of First Refusal during the Right of First Refusal Period, during the sixty (60) days following the expiration of the Right of First Refusal Period, the member may sell its membership interest to the proposed purchaser upon the terms of the offer, but if the sale is not consummated with the proposed purchaser within that sixty- (60) day period, then the provisions of this sub-Section 2.a shall apply again.
- iv. Notwithstanding anything to the contrary in the preceding sub-Sections 2.a.i-iii, in the event a member wishes to transfer its membership interest, but has no satisfactory bona fide prospective purchaser, the member may at any time request that the WTA solicit prospective purchasers on its behalf. A request under this sub-Section 2.a.iv shall be made in writing to the CEO.

TOURNAMENTS

SECTION XII - WTA TOURNAMENT MEMBERSHIPS

The member shall have no obligation to accept any offer that may be obtained by the WTA on its behalf, and the member may withdraw its request under this paragraph at any time.

- v. At any time that a member consummates a Transfer with respect to a Tournament Class Membership interest, the applicable Transfer Fee percentage (set forth in the following table) – assessed to the value of the consideration for the membership provided by the proposed purchaser to the member – shall be imposed by the Board of Directors.

Number of Full Tournaments Conducted to Conclusion Under the Current Ownership	Transfer Fee Percentage[^]
1	20%
2	15%
3	15%
4	10%
5	5%
6	5%
7	5%
8 (or More)	3%

- [^] The Board of Directors retains the discretion to assess a lesser fee where appropriate, as determined in its sole discretion. The relevant Transfer Fee will be waived for transfers that take place among members of the same immediate family, should the Transfer be approved pursuant to the Rules.

- vi. If the purchaser of a Tournament Class Membership interest is not currently promoting or operating any WTA Tournament(s) or is not a member, as a precondition to approval of any Transfer under this sub-Section 2.a, the purchaser must agree in writing that it will deposit or provide a letter of credit guaranteeing payment of 100% of the first year's prize money. Payment will be made under this letter of credit in the event the Tournament is not held; if the Tournament is held, payment will be made under the letter of credit only to the extent of a shortfall in prize money payments. Any payment under the letter of credit will be non-refundable.
- vii. The purchaser of a Tournament Class Membership, as a precondition to approval of any Transfer under this sub-Section 2.a, must also agree in writing that it will pay for the Supervisor's time and travel (lodging, food, and other reasonable expenses) for the week prior to the first edition of the Tournament under the new ownership.

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

b. Violations of Transfer Rule

- i. WTA Management shall determine whether an attempted Transfer violates sub-Section 2.a in its sole discretion.
- ii. If WTA Management determines that there has been a violation of sub-Section 2.a, WTA Management shall decide whether to impose a fine in the range of \$100,000 to \$500,000, taking into consideration factors such as the severity of the violation, the size of the transaction, and such other factors as it deems appropriate.
- iii. In such circumstance, WTA Management shall notify the member of the violation and fine and provide the member the opportunity to submit additional information and to request a waiver or reduction in the fine by the Board of Directors.
- iv. In connection with submitting the Transfer request to the Board of Directors for consideration (or as soon thereafter as reasonably possible), the CEO shall notify the Board of Directors of the violation and fine.
- v. The Board of Directors may decide whether to waive or reduce the fine. Any such fine shall be assessed in addition to any Transfer Fee (if the Transfer is approved) or on its own (if the Transfer is disapproved).
- vi. Approval of any Transfer shall be conditioned on payment of both any Transfer Fee and any fine (subject to a decision by the Board of Directors to waive or reduce the fine).
- vii. Any purported Transfer made without full compliance with this Section 2 and/or the WTA's approval shall be voidable by WTA in its sole discretion and, in such case, any such purported Transfer shall be null and void without any force or effect.
- viii. Should WTA learn of facts or circumstances constituting a violation of this Section 2 following a purported Transfer and/or approval of a Transfer, WTA has continuing jurisdiction to assess and collect any fine and Transfer Fee in accordance with the foregoing.

3. Membership Lease

All Leases shall be subject to the written approval of the WTA and no Lease shall be deemed effective until such approval is provided. No member shall be permitted, directly or indirectly, to enter into or become subject to

TOURNAMENTS

SECTION XII - WTA TOURNAMENT MEMBERSHIPS

a Lease, or any amendment or other modification to any Lease, except in accordance with and subject to the provisions set forth in this Section 3. For purposes of this Section, "Lease" shall mean an agreement, arrangement or other transaction whereby the right to operate or manage a Tournament is transferred, in whole or in part, directly or indirectly, by operation of law or otherwise, to an individual or entity that is not the owner of the applicable Tournament Class Membership.

For clarity, a "Lease" shall include any agreement, arrangement or other transaction pursuant to which a member receives any direct or indirect consideration or other benefit from a third party in exchange for (i) a third party managing all or substantially all of the operations of a Tournament and/or (ii) assigning to a third party any material operating or management rights for a Tournament, but shall exclude service agreements or arrangements for ordinary course operations (e.g., concessions, security, ticketing, cleaning, etc.); provided, however, that the CEO shall have the right, taking into account the terms of any such agreement or arrangement and the circumstances related thereto, to determine whether any agreement, arrangement or other transaction shall be deemed a Lease for purposes of this Rule. Members may appeal the CEO's determination to the Board of Directors.

For the avoidance of doubt, any agreement, arrangement or other transaction whereby a member transfers, assigns or leases any "ownership interest" (as defined in Section XII.I.7.c), in whole or in part, shall be considered a Transfer, and therefore subject to the Transfer approval process set forth in Section XII.I.2. Further, for clarity, no member may lease or assign, or delegate to or provide any lessee or other person or entity the right to direct or control, any of its voting rights, whether pursuant to a Lease or otherwise, except in the context of a Transfer in compliance with Section XII.I.2.

- a. Prior to entering into or executing any Lease (or any amendment or modification to any Lease), the member/lessor shall request the written approval of the WTA. Any purported Lease or amendment or modification to any Lease made without full compliance with this Section XII.I.3 shall be null and void, without any force or effect, and may not be performed. The member/lessor wishing to apply for approval of the Lease shall submit a written request for approval of the Lease to the CEO and shall furnish to the CEO the following information and documentation (subject to limited redactions as needed to protect financially sensitive information, if any):
 - i. The name and address of each party to the Lease and each officer, director, and beneficial owner of each of those parties;
 - ii. A written statement certifying the material terms of the proposed Lease, including, without limitation, all potential payments (cash,

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

in-kind benefits or otherwise) by the lessee (or any of its affiliates) to the member (or any of its affiliates);

- iii. Evidence of the proposed lessee's ability (financial or otherwise) and experience to fulfill the obligations associated with the rights granted in the Lease;
- iv. Copies of any agreements relating to the Lease; and
- v. Any other information the CEO deems necessary and requests from time to time for (A) purposes of making a recommendation to the Board of Directors or (B) ensuring that the Lease and arrangement between the member and the lessee are in compliance with the Rules and/or in the best interest of the WTA.

All information and materials submitted to the CEO shall be subject to review by the CEO, and, as the CEO deems appropriate, by WTA legal representatives. Notwithstanding the forgoing, to the extent the CEO deems it necessary to confirm compliance with WTA Rules, the CEO may request any redacted information or materials from a member. In such event, members shall be required to provide such requested information and materials to the CEO on an un-redacted basis; provided, however, that any un-redacted information so provided (i) may only be reviewed by the CEO and, as the CEO deems appropriate, WTA legal representatives, and (ii) shall remain confidential.

Notwithstanding the terms and conditions set forth in any Lease, the member/lessor shall separately notify the CEO prior to the extension or renewal of any Lease and/or the exercise of any right of first negotiation, refusal or relocation or other back-end right, and WTA approval shall be independently required at such time:

- (a) to amend, extend the term of, or renew, any Lease by any party thereto, whether by an option, right of first refusal or otherwise;
 - (b) to relocate, or exercise any rights related to relocation of, a Tournament; and
 - (c) to transfer, assign, pledge, mortgage, grant a security interest or other direct or indirect disposition or encumbrance of any Lease or any rights or obligations of any party thereunder.
- b. Upon receipt of the information required under sub-Section 3.a above, the CEO shall conduct such inquiry as deemed appropriate and shall submit to the Board of Directors (i) the CEO's recommendation for

TOURNAMENTS

SECTION XII - WTA TOURNAMENT MEMBERSHIPS

approval, acceptance, or other action with respect to the proposed Lease, (ii) the identity of each party to the Lease and relevant background information for each such party, (iii) the term of the Lease, and (iv) any other information the CEO deems necessary for the Board of Director's consideration of the proposed Lease consistent with the confidentiality provisions of Section XII.1.3.a above. The Board of Directors shall have the right, in its sole discretion, to approve or disapprove a Lease or delegate to the CEO the right to approve or disapprove a Lease. Any such approval or acceptance by the Board of Directors or the CEO may be given, withheld or conditioned in the sole discretion of the Board of Directors or the CEO, as applicable. Conditions to approval may include, without limitation, (A) the Lease containing mandatory lease terms (in addition to those set forth in Appendix C) as prescribed by the Board of Directors or the CEO from time to time, and (B) any other condition to ensure that the Lease is in compliance with the Rules and/or in the best interest of the WTA.

- c. For the avoidance of doubt, approval of a Lease by the CEO or the Board of Directors shall not extend to any Subsequent Transaction, whether or not contemplated by the terms of a Lease or otherwise. For purposes of this Section, "Subsequent Transaction" means (i) any amendment or modification to, or extension or renewal of, any Lease or any agreement related thereto, (ii) the exercise by any person or entity of any rights of first negotiation or refusal, relocation rights, other back-end rights or any purchase or sale rights, and (iii) any sale, transfer, assignment, pledge or other disposition or encumbrance by any person or entity of any Lease or any "ownership interest." Any such Subsequent Transaction shall be subject to separate and independent approval by the WTA in accordance with the Rules at the time that any such terms are sought to be triggered and/or exercised by any party.
- d. All Leases shall be required to include, as an attachment or rider thereto, the language set forth in Appendix C (or language in form and substance substantially similar thereto, modified only as necessary to conform to the defined terms in the applicable agreement).
- e. The WTA may in its discretion waive any or all of the requirements of this Section 3.
- f. Any violation of this Section 3 shall be a violation of a Condition of Membership (as defined in the WTA By-Laws) and shall, among other things, be subject to the imposition of sanctions under Section 2.6 of the WTA By-Laws. In such circumstance, WTA Management shall notify the member of the violation and sanction and provide the member with the opportunity to submit additional information. In the event that the WTA learns or becomes aware of facts or circumstances constituting a

For any proposed change of location for a membership which has been in the same location for less than five (5) years, if approved by the Board of Directors, such approval shall be subject to payment of a fee in accordance with the below schedule (a "First Change of Location"). SECTION XII - WTA TOURNAMENT MEMBERSHIPS

First Change of Location takes effect (i.e. the requested change of location would be effective prior to the fifth edition of the Tournament in its current location) and the Board of Directors approves the request (a "Second Change of Location"), such approval shall be subject to payment of a fee in accordance with the below schedule. The Board of Directors retains the discretion to waive or reduce such fee and/or collect all or part of the fee in installments.

If a member makes a request for a change of location for a membership within five (5) years after the start of the calendar year in which an approved Second Change of Location takes effect (i.e. the requested change of location would be effective prior to the fifth edition of the Tournament in its current location), the WTA will have the right to purchase such membership at a price equal to the average purchase price paid solely for memberships of the same Tier level and within the same geographic region (i.e., Americas, Europe, or Asia-Pacific) over the same 5-year period. If the Board of Directors elects not to exercise the right to purchase such membership and approves the request (a "Third Change of Location"), such approval shall be subject to payment of a fee in accordance with the below schedule. The Board of Directors retains the discretion to waive or reduce such fee and/or collect all or part of the fee in installments.

The Board of Directors retains the discretion to waive or reduce such fee and/or collect all or part of the fee in installments.

TOURNAMENTS

been pre-approved to annually alternate or rotate locations; and (c) location changes made at the request of the WTA. In determining whether a change of venue is a change of location, the Board of Directors may consider the following factors: (i) distance between venues; (ii) defined media markets; (iii) time zones; (iv) climates; (v) topographies; (vi) governments; (vii) predominant languages; (viii) economic specializations; and (ix) international political areas.

A change of location made in conjunction with an approved Transfer shall be deemed a change of location for the purposes of this Section 4.

In connection with any approval of a change of location for a membership and in addition to any rights set forth above, the Board of Directors shall have the right to impose any condition on any change of location that it deems in the best interests of the WTA.

5. Simultaneous Transfer of Ownership and Location

A proposed change of location made in conjunction with a request for a transfer of ownership must be made simultaneously, and those requests will be considered jointly. In addition, the change of location fee will not apply to a proposed location change in conjunction with a request for Transfer of ownership; however, the Transfer set out in Section XII.I.2 shall apply.

6. WTA Action

- a. If ownership is transferred, the new owner will succeed to the rights and obligations of the former owner. However, if change of location is involved, the new owner's rights and obligations will be the same as the owner of a new Tournament.
- b. Regarding proposed changes of location, if the WTA approves such a change in connection with a Transfer of ownership, it will make best efforts to assign an appropriate date, and the Tournament will then become part of the WTA.

7. Limitations on Ownership

- a. No person or entity (or group of persons or entities acting in concert) shall, directly or indirectly, own or control (by contract or otherwise) an "ownership interest" in more than five (5) WTA Tournaments, of which no more than two (2) may be multi-week combined men's and women's events of the same or similar category (e.g., WTA 1000 Mandatory Tournament).

Additionally, no person or entity (or group of persons or entities acting in concert) shall, directly or indirectly, own or control (by contract or

otherwise) an ownership interest in more than 45% of WTA Tournaments in the European Geographic Region or the Americas Geographic Region or the Asia-Pacific Geographic Region (as these Regions are defined by the WTA for the purposes of Top 10 Player Delivery); and/or:

- (i) 25% of all WTA 1000 Tournaments; or
 - (ii) 25% of all WTA 500 Tournaments; or
 - (iii) 40% of all WTA 250 Tournaments.
- b. Any entity having ownership interests in WTA Tournaments that exceed any of the limitations set forth in sub-Section a above as of June 23, 1999, will be grandfathered as to any such Tournaments above such limitations. However, if such entity sells its ownership interest in a Tournament, it thereafter will not have the right to purchase or obtain an ownership interest in any additional WTA Tournament without WTA approval, if such entity has ownership interests at or above any of the limitations set forth in sub-Section a above.
- c. For purposes of this Rule, the words "ownership interest" shall mean:
- i. Any direct or indirect proprietary interest in a Tournament other than an interest of 5% or less in any call of the equity or debt securities of a member whose shares are traded on an internationally recognized securities exchange (a "proprietary interest"); or

Tournament or in the operating income or losses of that Tournament. But a person or entity providing services or guaranteed payments to a Tournament in consideration of an interest in the operating income or losses of that Tournament during the period it is providing those services or payments shall not be deemed to have an ownership interest in the Tournament, provided the CEO has approved the terms of such agreement between any such person or entity and any Tournament. Such agreement shall not be approved if it is found to be an attempt to circumvent Section XII.I.1 – Definition of Ownership.

e. **Discovery and Sanctions for Non-Compliance**

If the WTA has reason to believe that a person or entity may own or control multiple Tournaments in addition to those already disclosed to the WTA, it may request such person or entity to provide information that will confirm or negate the existence of such ownership or control. If the person or entity fails to provide such information in a timely fashion or provides inaccurate or incomplete information, the WTA may, in the reasonable exercise of its discretion i) consider such non-compliance in determining whether to impose sanctions; and/or ii) conclude – based on such non-compliance – that the person or entity does in fact have an ownership interest in the Tournament or Tournaments in question.

J. TOURNAMENT MINIMUM INSURANCE REQUIREMENTS

Tournaments are required to participate in the mandated Tournament insurance program. This program will provide for full compliance of all mandated insurance requirements. Coverage costs will be set by WTA's designated insurer each Tour Year. 2. WTA 500 Tournaments

Except as this Section XIV.B otherwise states, the Minimum Player Compensation for each individual WTA 500 Tournament equals the amount next to the applicable Tour Year in the following table:

2021	An individual Tournament's 2020 MPC multiplied by that Tournament's PSI Growth from (x) that Tournament's average PSI for 2017, 2018, and 2019 to (y) that Tournament's average PSI for 2018, 2019 and 2020, as determined pursuant to Section XIV.B.7 below and subject to adjustment pursuant to Section XIV.B.3 below, but not less than \$873,000.
2022	An individual Tournament's 2021 MPC multiplied by that Tournament's PSI Growth from (x) that Tournament's average PSI for 2018, 2019, and 2020 to (y) that Tournament's average PSI for 2019, 2020 and 2021, as determined pursuant to Section XIV.B.7 below and subject to adjustment pursuant to Section XIV.B.3 below, but not less than \$899,000.

3. Special Circumstances

a. New Tournaments and Existing Tournaments that Change Locations

If an existing WTA 1000 Non-Mandatory or WTA 500 Tournament changes locations and the new location is within 125 miles of the prior location, the MPC calculations shall include the actual results of the Tournament for each applicable year, subject to the PMF Committee's discretion.

If a new WTA 1000 Non-Mandatory or WTA 500 Tournament is approved to enter the WTA Tour calendar or an existing WTA 1000 Non-Mandatory or WTA 500 Tournament changes locations and the new location is greater than 125 miles from the prior location, such Tournament's MPC will be determined as follows:

- i. Year 1: MPC will be equal to the MPC of the prior location or, if it is a new WTA 1000 Non-Mandatory or WTA 500 Tournament, the minimum 2020 MPC in the table in Section XIV.B.1, 2, or 3.b, as applicable.
- ii. Year 2: Year 1 MPC increased by 3%.

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

- iii. Year 3: Year 2 MPC multiplied by the respective Tournament's PSI Growth from (x) Year 1 to (y) Year 2.
 - iv. Year 4: Year 3 MPC multiplied by the respective Tournament's PSI Growth from (x) average PSI for Year 1 and Year 2, to (y) average PSI for Year 2 and Year 3.
 - v. Year 5: MPC to be calculated in accordance with this Section XIV.B.
- b. Tournaments that Annually Rotate Between Venues Greater than 125 Miles Apart (e.g., Rogers Cup)

Unless the Board of Directors otherwise determines, for any Tournament that annually rotates between venues that are greater than 125 miles apart, that Tournament's Minimum Player Compensation equals the amount next to the applicable Tour Year in the following table:

2021	An individual Tournament's 2020 MPC multiplied by that Tournament's PSI Growth from (x) that Tournament's average PSI for 2018 and 2019 to (y) that Tournament's average PSI for 2019 and 2020, as determined pursuant to Section XIV.B.7 below and subject to adjustment pursuant to this Section XIV.B.3 and Section XIV.B.4 below, but not less than (a) \$3,000,000 for a WTA 1000 Non-Mandatory Tournament and (b) \$873,000 for a WTA 500 Tournament.
2022	An individual Tournament's 2021 MPC multiplied by that Tournament's PSI Growth from (x) that Tournament's average PSI for 2019 and 2020 to (y) that Tournament's average PSI for 2020 and 2021, as determined pursuant to Section XIV.B.7 below and subject to adjustment pursuant to this Section XIV.B.3 and Section XIV.B.4 below, but not less than (a) \$3,090,000 for a WTA 1000 Non-Mandatory Tournament and (b) \$899,000 for a WTA 500 Tournament.

- c. Tournaments that Annually Rotate Between WTA 1000 Non-Mandatory and WTA 500 Tier Levels (e.g., Doha and Dubai)

In calculating a particular Tour Year's MPC for any Tournament that annually rotates between WTA 1000 Non-Mandatory and WTA 500 Tier levels, the following Rules apply.

- i. A Tournament's MPC for a particular Tour Year will be calculated based on that Tournament's Tier level for that Tour Year as if that Tournament operated at that Tier level for all applicable Tour Years (i.e., as if that Tournament never changed Tier levels), subject to the Tier level minimums for each Tour Year.

For example, in calculating a Tournament's 2021 MPC at the WTA 500 Tier level, its prior Tour Years' MPC amounts shall be calculated, and

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

restated as necessary, as if that Tournament was a WTA 500 event each Tour Year. Similarly, in calculating a Tournament's 2021 MPC at the WTA 1000 Non-Mandatory Tier level, its prior Tour Years' MPC amounts shall be calculated, and restated as necessary, as if the that Tournament was a WTA 1000 Non-Mandatory event each Tour Year.

- ii. In calculating a Tournament's PSI Growth, a Tournament may choose to have either:
- (a) all applicable Tour Years' PSI reflect the payments from the WTA for commercial benefits and television based on the respective Tier level in which the Tournament operates in that particular Tour Year; or
 - (b) all applicable Tour Years' PSI reflect the actual payments that the Tournament received from the WTA for commercial benefits and television in each particular Tour Year;

provided, however, that once a Tournament elects either (a) or (b) above, it cannot change its election for three (3) Tour Years and must apply to the PMF Committee for any such change, which application the PMF Committee may approve or reject in its sole discretion.

For example, in calculating a Tournament's 2021 PSI Growth when it will be operating at the WTA 1000 Non-Mandatory Tier level, its PSI for all applicable Tour Years may include either:

- the WTA payments to WTA 1000 Non-Mandatory Tournaments for commercial benefits and television (even if that Tournament operated at the WTA 500 Tier level in a prior Tour Year); or
- the actual WTA payments for commercial benefits and television that the Tournament received in each Tour Year (e.g., WTA 500 payments in 2020, WTA 1000 Non-Mandatory payments in 2019, WTA 500 payments in 2018, etc.).

d. Tournaments that Combine with or Separate from ATP Events

Subject to the approval of the Board of Directors, if a Tournament that previously (i) was combined with an ATP event (regardless of the category or tier level of such ATP event) transitions to a WTA-only Tournament or (ii) was a WTA-only Tournament combines with an ATP event (regardless of the category or tier level of such ATP event), then the Tournament's MPC will be determined as follows:

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

- i. Year 1 of new Tournament: MPC will be equal to the MPC of the prior Tournament.
 - ii. Year 2 of new Tournament: Year 1 MPC increased by 3%.
 - iii. Year 3 of new Tournament: Year 2 MPC multiplied by the respective Tournament's PSI Growth from (x) Year 1 to (y) Year 2.
 - iv. Year 4 of new Tournament: Year 3 MPC multiplied by the respective Tournament's PSI Growth from (x) average PSI for Year 1 and Year 2, to (y) average PSI for Year 2 and Year 3.
 - v. Year 5 of new Tournament: MPC to be calculated in accordance with this Section XIV.B.
- e. Unanticipated Consequences of the PMF

After the WTA or the Independent Accountant notifies a Tournament of its MPC for a Tour Year, the Tournament may request that the PMF Committee adjust its MPC because of: (i) a one-year, extreme decrease in the Tournament's PSI; or (ii) unanticipated consequences of the PMF that the PMF Committee did not contemplate when creating the PMF. The Tournament must submit such request in writing to the WTA or the Independent Accountant with relevant documentation to substantiate the one-year, extreme decrease in PSI or unanticipated consequences, as applicable.

Upon receiving a request under this Section XIV.B.3.e, the Player Representative Member, Tournament Representative Member, and CEO shall review it and, notwithstanding any of the provisions of Section XIV.B.6, vote to determine whether a one-year, extreme decrease in PSI or unanticipated consequences exist, with a simple majority carrying the vote. If the outcome of such a vote is that a one-year, extreme decrease in PSI or unanticipated consequences do not exist, then the request must be denied. If the outcome of such a vote is that a one-year extreme decrease in PSI or unanticipated consequences do exist, then in accordance with Section XIV.B.6.c the PMF Committee may make any or no adjustments to MPC as a result of the request in its sole discretion. For clarity, a determination that a one-year extreme decrease in PSI or unanticipated consequences exist does not obligate the PMF Committee to make any adjustment to the Tournament's MPC.

4. Top 10 Player Delivery

Notwithstanding the foregoing provisions, any increase in the Minimum Player Compensation for the WTA 1000 Non-Mandatory Tournaments will be

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

subject to the following adjustments in the event any Tournament in such category does not receive the Top 10 Player Delivery provided for in Section II.C. In the event any Tournament does not receive Top 10 Player Delivery in a particular Tour Year ("Prior Year"), such Tournament will be considered an "Exempt Tournament" for purposes of the PMF and, in the Tour Year immediately following the Prior Year ("Next Year"), such Tournament will be required to pay player compensation equal to the Tournament's Minimum Player Compensation calculated for the Prior Year.

For purposes of calculating the Exempt Tournament's MPC for a subsequent Tour Year (in which the Tournament received Top 10 Player Delivery and is thus not an Exempt Tournament for such subsequent Tour Year), the Tournament's PSI Growth will be multiplied by the Prior Year's MPC as if the Tournament received Top 10 Player Delivery in all prior years. The below examples in sub-Sections a through d include the following assumptions:

Assumptions for Tournament X:

2017 MPC	\$3,000,000
PSI Growth for 2017	5.00%
PSI Growth for 2018	4.00%
PSI Growth for 2019	5.00%

- a. Example #1 – Calculation of 2019 MPC with Top 10 Player Delivery Received in both 2017 and 2018

2019 MPC: If Tournament X receives Top 10 Player Delivery in both 2017 and 2018, when determining 2019 MPC, PSI Growth will be multiplied by 2018 MPC calculated as if the Tournament received Top 10 Player Delivery in prior years. In this case, 2019 MPC would be \$3,276,000, calculated as follows:

- i. Calculate 2018 MPC as if the Tournament received Top 10 Player Delivery in prior years - 2017 MPC of \$3,000,000 increased by 5%, which is the PSI Growth for 2017.

2017 MPC	\$3,000,000
PSI Growth for 2017	5.00%
2018 MPC	\$3,150,000

- ii. Calculate 2020 MPC by increasing the 2019 MPC calculated in i. above by 4%, which is the PSI Growth for 2019 MPC.

2018 MPC	\$3,150,000

2019 MPC	\$3,276,000

- b. Example #2 – Calculation of 2019 and 2020 MPC with Missed Top 10 Player Delivery in both 2017 and 2018

2019 MPC: If Tournament X does not receive Top 10 Player Delivery in 2017 and 2018, then its MPC for 2019 will be \$3,000,000, which is equal to its MPC for 2017 and 2018 (no increase in 2019 MPC due to missed Top 10 Player Delivery in 2017 and 2018) and is calculated as follows:

2017 MPC	\$3,000,000	
PSI Growth for 2017	5.00%	not applied because of missed Top 10 Player Delivery in 2017
2018 MPC	\$3,000,000	
PSI Growth for 2018	4.00%	not applied because of missed Top 10 Player Delivery in 2018
2019 MPC	\$3,000,000	

2020 MPC: If Tournament X does not receive Top 10 Player Delivery in 2017 and 2018, when determining 2020 MPC, PSI Growth will be multiplied by 2018 and 2019 MPC calculated as if the Tournament received Top 10 Player Delivery in 2017 and 2018. In this case, 2020 MPC would be \$3,439,800, calculated as follows:

2017 MPC	\$3,000,000	
PSI Growth for 2017	5.00%	
2018 MPC	\$3,150,000	not actual 2018 MPC (actual was \$3,000,000, which is equal to 2017 MPC); calculated solely for determining 2020 MPC
PSI Growth for 2018	4.00%	
2019 MPC	\$3,276,000	not actual 2019 MPC (actual was \$3,000,000, which is equal to 2017 MPC and 2018 MPC); calculated solely for determining 2020 MPC
PSI Growth for 2019	5.00%	
2020 MPC	\$3,439,800	

- c. Example #3 – Calculation of 2019 MPC with Missed Top 10 Player Delivery in 2018 Only

2019 MPC: If Tournament X does not receive Top 10 Player Delivery in 2018, then its MPC for 2019 will be \$3,150,000, which is equal to its MPC for 2018 (no increase in 2019 MPC due to missed Top 10 Player Delivery in 2018) and is calculated as follows:

PSI Growth for 2017	5.00%
2018 MPC	\$3,150,000

2019 MPC	\$3,150,000	

- d. Example #4 – Calculation of 2019 MPC with Missed Top 10 Player Delivery in 2017 Only

2019 MPC: If Tournament X does not receive Top 10 Player Delivery in 2017, when determining 2019 MPC, PSI Growth will be multiplied by 2018 MPC calculated as if the Tournament received Top 10 Player Delivery in 2017. In this case, 2019 MPC would be \$3,276,000, calculated as follows:

- i. Calculate 2018 MPC as equal to 2017 MPC because of the missed Top 10 Player Delivery in 2018.

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

A Tournament will only be an Exempt Tournament for the Tour Year immediately following the Tour Year in which such Tournament did not receive its Top 10 Player Delivery.

The terms of this sub-Section 4 shall not apply to WTA 1000 Mandatory Tournaments, as to which any absence of Top 10 Player Delivery shall result in the consequences specified in Section II.C.

5. Definitions

a. Primary Sources of Income

"Individual Tournament Primary Sources of Income" or "Individual Tournament PSI" for any individual Tournament, as applicable, in any Tour Year shall be equal to, without duplication:

- i. the aggregate revenues in respect of any advertising, sponsorship and promotion relating to such Tournament (including the value of any property or services from any Barter), net of all Taxes (as defined below), receivable by such Tournament or their Tournament Affiliates (as defined below) in respect of such Tour Year (as determined by the PMF Committee (as defined below)), including all revenues from any Tournament sponsor or advertiser in any form, irrespective of how such revenues are characterized by the Tournament or Tournament Affiliate (e.g., including any payments in respect of tickets, premium seating, hospitality, naming rights, etc. by any sponsor that are made in connection with such sponsor's arrangement with the Tournament or Tournament Affiliate, in each case, subject to Section XIV.B.8.f); plus
- ii. the aggregate revenues (including the value of any property or services from any Barter) in respect of any sale, licensing or other exploitation of Television Rights, net of all Taxes, receivable by such Tournament or their Tournament Affiliates in respect of such Tour Year (as determined by the PMF Committee); plus
- iii. the aggregate revenues (including the value of any property or services from any Barter) in respect of any sale, lease or license of, without duplication, (i) tickets and other gate receipts, (ii) luxury suites, premium or club seating and seat licenses, (iii) hospitality packages, and (iv) any other form of admission (including any payments or rebates from any ticketing agent), in each case, net of Taxes and any Ticketing Fees (as defined below), receivable by such Tournament or their Tournament Affiliates in respect of such

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

Tour Year (as determined by the PMF Committee) (collectively, "Admission Rights"); plus

- iv. the aggregate payments receivable by such Tournament or their Tournament Affiliates from the WTA (except for any payments for which the WTBA is due a like-kind amount, which shall be accounted for as Non-WTA revenues, and except for payments from the WTA related to missed Top 10 Player Delivery, which shall be accounted for as Non-PSI revenues), including, without limitation, payments from the WTA for commercial benefits or television; minus
- v. for each Tournament that received a Capital Credit (as defined below) for such Tour Year, the product of (x) such Capital Credit, multiplied by (y) a fraction, the numerator of which shall be the total player compensation paid by such Tournament for such Tour Year, and the denominator of which shall be the total actual, estimated or projected (as applicable) PSI of such Tournament and its Tournament Affiliates for such Tour Year. The Capital Credits may not reduce the increase in any Tournament's PSI below \$0.
- vi. Notwithstanding the foregoing provisions of this Section XIV.B.5.a, PSI for any individual Tournament shall always equal or exceed 85% of such Tournament's Aggregate WTA Revenues (defined below) (as determined by the PMF Committee, subject to Section XIV.B.6.f). In the event PSI would otherwise be less than 85% of the Tournament's Aggregate WTA Revenues, the PMF Committee shall adjust the calculation of PSI by including the Tournament's next largest revenue category (from among those identified in the following sentence) in the calculation of PSI until the PSI for the Tournament equals or exceeds 85% of the Tournament's Aggregate Revenues, and any revenue categories so included shall continue to be included in the calculation of the PSI for the Tournament going forward. The eligible revenue categories include, but are not limited to (i.e., new or currently unknown categories may be included), merchandise, parking and food and beverage. For purposes of this calculation, any Barter which is excluded from the calculation of PSI pursuant to sub-Sections XIV.B.5.e.i(a), (b), and (c) shall not be included in the Tournament's Aggregate Revenues.

"Tournament Aggregate WTA Revenues" shall be the sum of PSI and Non-PSI. "Non-PSI" shall be defined as any and all revenues related to the Tournament other than those revenues included in PSI, including, but not limited to, merchandise, parking, food and beverage, and any contributions received from, or investments made by, a concessionaire pursuant to a concessionaire agreement (with such contributions and investments included in Non-PSI on

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

an amortized basis over the entire term (or remaining term if a contribution or investment occurs after the first year of the term) of the applicable concessionaire agreement).

Any and all revenues unrelated to the Tournament shall be considered "Non-WTA" and are not to be included in the determination of "Tournament Aggregate WTA Revenues". Examples of Non-WTA revenues may include, but not be limited to, developmental tennis academies or activities, rentals or other revenues related to non-WTA events held at the stadium throughout the year but outside of the Tournament period, and any Barter which is excluded from the calculation of PSI pursuant to sub-Sections XIV.B.5.e.i(a), (b), and (c).

- vii. If any Tournament or Tournament Affiliate receives payment from the WTA related to a tier downgrade or other sanction, such payment(s) shall be classified as Non-WTA revenues and excluded from the calculation of PSI, Non-PSI and Tournament Aggregate WTA Revenues.

b. PSI Growth

"PSI Growth" from Period A to Period B shall be equal to the sum of (i) one, plus (ii) the percentage difference, expressed as a decimal and rounded to the nearest hundredth of 1%, between PSI for Period A and PSI for Period B (the "PSI Percentage Increase"), minus (iii) an "Expense Credit", expressed as a decimal, determined as follows:

PSI Percentage Increase	Expense Credit
Less than 7.00%	3.00%
Equal to or greater than 7.00% but less than 7.50%	2.00%
Equal to or greater than 7.50% but less than 8.00%	1.50%
Equal to or greater than 8.00%	1.00%

provided, however, that in no event may the result of a Tournament's PSI Growth calculation for any period be less than zero.

c. Capital Credits

The purpose of "Capital Credits" is to provide an incentive for Tournaments to make capital investments in their stadia and other facilities. For 2021, the Capital Credit for any Tournament shall be equal to the actual amount of depreciation for all capital items (determined in accordance with IFRS or US GAAP (as such terms are defined below), as applicable) for Pre-Approved Capital Projects (as defined below) to the extent recorded

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

by a Tournament or its Tournament Affiliate in accordance with IFRS or US GAAP (as applicable), applied on a straight-line method over the depreciable life of the applicable capital item (not to exceed 20 years) commencing with the first Tour Year in which such capital item is placed in service by the applicable Tournament or Tournament Affiliate.

For any Tournament that has multiple Capital Credits, the Capital Credits each year are limited to the amount of the Tournament's annual PSI increase. Any unused or unrealized Capital Credits will not be carried forward to subsequent years.

For example, if a Tournament has Capital Credits of \$45,000 in 2020 and \$25,000 in 2021, the Tournament's PSI increase before the Capital Credit would have to be at least \$45,000 in 2020 and \$70,000 (\$45,000 plus \$25,000) in 2021 in order to receive the full Capital Credit. If the Tournament's PSI increase from 2020 to 2021 before the Capital Credit was \$55,000, its Capital Credit would be limited to \$55,000.

"IFRS" means International Financial Reporting Standards, consistently applied.

"Pre-Approved Capital Projects" are those capital projects that (a) are placed in service by a Tournament or Tournament Affiliate on or after January 1, 2009, (b) constitute improvements to a Tournament's tennis stadium, arena or other facility that the Tournament demonstrates to the satisfaction of the PMF Committee is likely to result in growth in PSI, and (c) are approved in advance by the Board of Directors upon the recommendation of the PMF Committee.

"US GAAP" means United States generally accepted accounting principles, consistently applied.

d. **Tournament Affiliates**

For purposes of this Section XIV, the term "Tournament Affiliate" means, with respect to any Tournament, any entity that is (a) involved in the operation, marketing or broadcast of such Tournament's event and (b) either (i) an operator of such Tournament, or an owner of, or an entity that controls, in either case whether directly or indirectly, a 30% or greater equity interest in such Tournament (an "Owner/Operator"), (ii) an entity in which an Owner/Operator owns, directly or indirectly, a 30% or greater equity interest, or (iii) otherwise in control of, controlled by or under common control with any Owner/Operator.

Any and all revenues received by a Tournament Affiliate of any Tournament shall be included in the calculation of PSI, as if such revenues had been

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

received by such Tournament itself, subject to exclusions for Non-WTA activity as described below.

The PMF Committee shall review all of a Tournament's transactions with its Tournament Affiliates that the Tournament reports in accordance with Section XIV.B.7 and determine whether any revenue from those transactions is, or should be, PSI.

e. Other Definitions

For purposes of this Section XIV:

- i. The term "Barter" shall mean the value of any trade for goods or services receivable by a Tournament or Tournament Affiliate in exchange for any of the revenues that are included in the calculation of PSI under Section XIV.B.5.a. All Barter, regardless of whether the Barter is utilized by the Tournament or by the Tournament Affiliate, shall be included in the calculation of PSI, except for the following:
 - (a) any Barter consisting of media commitments for promotional time or space that are not for resale and are used solely (a) to promote the Tournament, (b) to promote the WTA or any related event or activity of the Tournament that generates PSI, (c) to promote charitable or not-for-profit organizations or agencies that are unrelated to the Tournament or Tournament Affiliate, or (d) for public service announcements;
 - (b) any Barter that is both used to satisfy the Tournament Standards of Performance and is for the direct benefit of the players. Such direct player benefits include, but are not limited to, hotel accommodations; player transportation; player food, meals and beverages; lounge for players; internet access for players; and gifting and on-court supplies for players; and
 - (c) any Barter that is transferred to a third party as part of an agreement that produces revenues that are included in the calculation of PSI under Section XIV.B.5.a.
- ii. The term "Television Rights" means any and all rights to transmit the audio-visual depictions of matches, whether whole or partial, for reception by the public by any means and in any form now known or hereafter devised. "Television Rights" shall include the right to transmit such depictions to "in-flight" devices, computers, cellular telephones, handhelds, PDAs and other mobile devices capable of receiving the transmission of such depictions.

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

- iii. The term “Taxes” means any and all taxes, surcharges, levies, impositions and other charges imposed or assessed on any Tournament or Tournament Affiliate by any governmental or quasi-governmental authority that are not refunded to, or otherwise received as a benefit by, such Tournament or Tournament Affiliate in any form, except for any taxes, surcharges, levies, impositions and other charges that (x) are imposed or assessed on the total income or revenues of any person or entity, or (y) are imposed or assessed specifically on or against the activities conducted by such Tournament or Tournament Affiliate at the site of the event, or any income, revenues, profits or other consideration generated there from (unless the tax, surcharge, levy, imposition or charge applies to the same or similar activities conducted by a reasonably broad range of other businesses or persons in the applicable jurisdiction or income, revenues, profits or other consideration therefrom, and otherwise qualifies under this definition of “Taxes”).
- iv. The term “Ticketing Fees” means any and all fees, convenience charges, surcharges or other charges imposed on any Tournament or Tournament Affiliate by any ticketing agent on the purchase of tickets or other Admission Rights that are not refunded to such Tournament or Tournament Affiliate.

6. PMF Committee

- a. A committee (“PMF Committee”) shall be appointed as provided below to assist in all matters relating to the establishment, implementation, interpretation, administration and calculation of the PMF.
- b. The PMF Committee will consist of (a) one (1) Player Board Representative selected by a majority vote of the Player Board Representatives (the “Player Representative Member”), (b) one (1) designee of the Player Board Representatives, who shall be selected by a majority vote of the Player Board Representatives and shall have experience in accounting matters (together with the Player Representative Member, the “Player Committee Members”), (c) one (1) Tournament Board Representative selected by a majority of the Tournament Board Representatives (the “Tournament Representative Member”), (d) one (1) designee of the Tournament Board Representatives, who shall be selected by a majority vote of the Tournament Board Representatives and shall have experience in accounting matters (together with the Tournament Representative Member, the “Tournament Committee Members”), and (e) the CEO. Members of the PMF Committee (other than the CEO) may be removed and replaced at any time by (x) in the case of any Player Committee Member, a majority vote of the Player Board Representatives, and (y)

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

in the case of any Tournament Committee Member, a majority vote of the Tournament Board Representatives. Only the Player Representative Member and the Tournament Representative Member shall be entitled to vote in any proceedings or deliberations of the PMF Committee. The other members of the PMF Committee will be entitled to participate in all such proceedings and deliberations (unless otherwise mutually determined by the Player Representative Member and the Tournament Representative Member) but shall not be entitled to vote.

- c. Subject to Section XIV.B.6.f below, the PMF Committee will be responsible, in the first instance, for determining any and all issues that may arise from time to time with respect to the establishment, interpretation, implementation, administration or calculation of the PMF. All decisions and actions of the PMF Committee shall be determined by the unanimous vote of the Player Representative Member and the Tournament Representative Member. In the absence of such a unanimous vote, the PMF Committee shall not be deemed to have made any decision or taken any action. A quorum shall exist only when both the Player Representative Member and the Tournament Representative Member are present; in the absence of such a quorum, the PMF Committee shall not conduct any business whatsoever. The PMF Committee shall, if requested by any member of the PMF Committee or any member of the Board of Directors, set forth its decision in a written memorandum. Notwithstanding anything to the contrary in this Section XIV.B.6.c, for any PMF Committee decision or action that requires the unanimous vote of the Player Representative Member and the Tournament Representative Member, the PMF Committee may make such decision or take such action without a meeting upon the unanimous consent of the Player Representative Member and the Tournament Representative Member, which may be written or electronic and, as long as it is submitted with information from which authorization can be determined, will have the same effect as the unanimous vote of the Player Representative Member and the Tournament Representative Member.
- d. The PMF Committee shall also be responsible for (a) appointing an independent accounting firm (the "Independent Accountant") to assist the PMF Committee in developing and overseeing the system of Tournament reporting, to perform certain procedures on Tournament reports, to report on the results of such procedures and to assist the PMF Committee in its calculation of the Minimum Player Compensation utilizing information reported by the Independent Accountant through such procedures (together with any other information otherwise received by the Independent Accountant and as the PMF Committee may determine from time to time), (b) recommending in advance any Capital Credits for eligible capital projects, and (c) reviewing and

SECTION XIV - PRIZE MONEY FORMULA

ratifying the Independent Accountant's calculation of the Minimum Player Compensation for each Tour Year in accordance with this Section XIV.

- e. The PMF Committee shall meet or consult with representatives of the Independent Accountant at least four (4) times (quarterly) during each Tour Year, including (a) at least once prior to March 31 of the Tour Year to review the scope of the Procedures (as defined below) and (b) again to review the results of the Procedures prior to finalizing the calculation of Minimum Player Compensation for Individual Tournaments the following Tour Year.
- f. If the PMF Committee does not resolve an issue by the unanimous vote of the Player Representative Member and the Tournament Representative Member required under Section XIV.B.5.c within 90 days after the issue has been disclosed to the PMF Committee (unless such period is extended for a further defined period by the PMF Committee in accordance with Section XIV.B.6.c above), the matter shall be referred to an independent mediator (the "Mediator"). The Mediator shall not have any relationship to the WTA (including, without limitation, any relationship to or with any member of the WTA, any member of the PMF Committee, the Independent Accountant or WTA management) that could reasonably be expected to interfere with the exercise of such person's independent judgment. The Mediator shall be appointed by the unanimous consent of the Board of Directors, after consultation with the CEO. If the Board of Directors is unable to agree on the appointment of the Mediator within a reasonable period of time, either the Player Representative Member or the Tournament Representative Member may request that the Mediator be appointed by the AAA. The Mediator shall serve for a defined term of no less than one (1) year (or a term of one (1) year, if appointed by the AAA), but may be discharged at any time by the unanimous consent of the Player Board Representatives and the Tournament Board Representatives. All proceedings conducted by or otherwise involving the Mediator shall be conducted in a cost-effective manner, with presentations by videoconference whenever such means are less costly than a live hearing. The Mediator shall set forth his or her recommended resolution in a written memorandum within sixty (60) days of the date the mediation commenced (unless such period is extended for a further defined period with the unanimous consent of the Board of Directors). If the issue is not fully resolved by the unanimous vote of the Player Representative Member and the Tournament Representative Member required under Section XIV.B.5.c within ten (10) days after the Mediator's issuance of his or her recommended resolution, any Player Board Representative, any Tournament Board Representative, the WTBA or any Tournament may refer the issue to arbitration for final and binding resolution in accordance with Section XIX.A below. The recommendation

FINANCIAL

of the Mediator shall be kept strictly confidential, and shall not be disclosed to or considered by any arbitrator appointed pursuant to Section XIX.B.

7. Reporting System

- a. On an annual basis, each Tournament shall prepare and submit to the Independent Accountant and PMF Committee a complete report of its actual PSI and other financial results for such event (including all business and operations related to the event conducted by any Tournament Affiliate), in the form prescribed from time-to-time by the PMF Committee (a "Final Report") no later than 120 days after the conclusion of the Tournament; provided, however, that a Tournament may apply to the PMF Committee for a reasonable extension of the deadline to file its Final Report in extraordinary circumstances (e.g., force majeure, significant data loss or system failure, etc.), which the PMF Committee may approve or reject in its sole discretion. A Tournament that fails to submit its Final Report within 120 days after its conclusion is subject to a fine in accordance with Section XIV.B.10.
- b. Unless otherwise determined by the PMF Committee, all Final Reports and Supplemental Information (as defined below) shall be prepared in accordance with IFRS (or, with respect to any Tournament held in the United States, US GAAP), this Section XIV, and the instructions to the Final Reports and Supplemental Information (collectively, including IFRS or US GAAP (as applicable) and this Section XIV, the "Reporting Requirements"). To the extent of any conflict or inconsistency between IFRS or US GAAP and the terms of this Section XIV or any instructions to the Final Reports or Supplemental Information, the terms of this Section XIV or such instructions shall control.
- c. All Final Reports shall be certified by the principal owner of the Tournament and the Tournament's tournament director as fairly presenting, in all material respects, the results of operations of the Tournament (including all business and operations conducted by any Tournament Affiliate), in accordance with the Reporting Requirements. If at any time the principal owner, tournament director, or any accounting or financial employee, contractor, or agent of a Tournament learns of an error in a Final Report or any other document or information submitted to the PMF Committee, the Tournament must disclose the error to the PMF Committee and the Independent Accountant. For clarity, each principal owner and tournament director must advise its accounting and financial employees, contractors, and agents of their obligations to disclose such errors, and each Tournament is solely responsible for the contents of its Final Report and any other documents or information it submits to the PMF Committee.

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

- d. The Independent Accountant shall review each Tournament's financial results and the reasonableness of any estimates or projections of revenues, expenses or Capital Credits included in the Final Reports and may propose adjustments to such estimates or projections as the Independent Accountant deems appropriate; provided, however, that subject to Section XIV.B.6.f, the determination of all calculations shall be made by the PMF Committee. Furthermore, the PMF Committee may require any Tournament to submit such supplemental financial or other information or reports as the PMF Committee may request from time-to-time ("Supplemental Information").
- e. The Independent Accountant shall issue a report on each Tournament's Final Report (and Supplemental Information, as applicable) to the PMF Committee. The PMF Committee shall determine each Tournament's Minimum Player Compensation for the following Tour Year in accordance with the PMF and based on the actual PSI and other financial results set forth in the Final Report (and Supplemental Information, as applicable). Such determinations shall be calculated individually for each Tournament and communicated to each Tournament as follows:
 - i. Projected calculation of the following Tour Year's MPC will be provided to the Tournament within 30 days after the Tournament's submission of their Final Report for the prior year; and
 - ii. The final level of MPC for the following Tour Year will be provided to the Tournament at the next quarterly meeting of the PMF Committee.
- f. The PMF Committee may from time-to-time, subject to Section XIV.B.6.f, promulgate, amend and modify rules and interpretations under this Section XIV, including, without limitations, financial reporting procedures and requirements and the forms for the Final Reports.

8. Accounting Rules

- a. PSI shall be calculated exclusively pursuant to the accrual method of financial accounting and not, for any purpose, the cash method of financial accounting.
- b. For the purpose of calculating PSI, any Barter shall be valued at the fair market value of the goods or services received by the Tournament or Tournament Affiliate.
- c. If any Tournament or Tournament Affiliate receives guaranteed cash payments (including any up-front or lump-sum payment) in the first year

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

of any agreement that produces PSI that exceeds the average annual guaranteed cash payments due under such agreement (which average shall be calculated by dividing the aggregate guaranteed cash payments payable under such agreement, including the guaranteed cash payments payable in the first year, by the total number of years of the scheduled term of the agreement, excluding options to extend and customary early termination rights), the amount of such excess shall be deemed to have been received ratably by such Tournament or Tournament Affiliate over the scheduled term of such agreement, unless such scheduled term exceeds seven (7) years, in which case, such amount shall be deemed to have been received ratably over the first seven (7) years of such scheduled term, with interest at an appropriate rate determined by the PMF Committee.

- d. If any Tournament or Tournament Affiliate receives guaranteed cash payments in any other year of any such agreement that exceed the average annual guaranteed cash payments due under such agreement (calculated as described in Section XIV.B.8.c above), the PMF Committee may, subject to Section XIV.B.6.f, allocate such excess over any period during the scheduled term of the agreement as the PMF Committee deems appropriate. Furthermore, if the PMF Committee determines that the payment schedule in any multi-year agreement is disproportionate to the allocation of rights or benefits receivable or conveyed thereunder (allowing for reasonable annual payment increases), the PMF Committee may, subject to Section XIV.B.6.f, reallocate such payments over such period as the PMF Committee deems appropriate.
- e. Any and all revenues receivable by a Tournament Affiliate of any Tournament shall be included in the calculation of PSI, as if such revenues had been receivable by such Tournament itself, subject to Section XIV.B.8.f below.
- f. PSI shall only include those revenues that are attributable to a WTA Tournament and shall exclude revenues to the extent they are attributable to any other events (other than events that are held as a part of, or in connection with, a WTA Tournament, such as, without limitation, a concert held at the Tournament site during and as part of the Tournament). For clarity, revenues (including but not limited to admission rights, sponsorship, and broadcast revenues) from celebrity pro-ams, legends matches, and similar events held during the WTA Tournament week at the Tournament's facilities (whether before, during, or after Tournament sessions) are PSI. The PMF Committee shall, subject to Section XIV.B.6.f, determine the allocation of any payments receivable by any Tournament or Tournament Affiliate between (x) those amounts that are attributable to a WTA Tournament and (y) those amounts

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

that are attributable any ATP or other men's tournament held by such Tournament or any of its Tournament Affiliates or any other events for which the payor has acquired rights.

- g. For Tournaments that are played simultaneously with an ATP tournament (combined) or before/after an ATP tournament (back-to-back), any domestic broadcasting and/or sponsorship contracts sold by the parent company that include broadcasting/sponsorship elements combined for both the WTA and ATP events shall be recorded in PSI at 50% of the total value of the shared contracts.

If a Tournament has domestic broadcasting contracts which separately cover the WTA and ATP events, PSI shall include 100% of the revenues related to the WTA contract and all revenues related to the ATP contract shall be excluded from PSI.

Any other revenues which are generated during the ATP and WTA tournaments (e.g., admission rights) shall be recorded in PSI at 50%, unless the Tournament is able to specifically identify the revenues related to only the WTA Tournament, in which case these WTA specific revenues shall be included in PSI at 100%.

Subject to Section XIV.B.3.d, this methodology shall be applied consistently for each reporting Tour Year.

- h. If the PMF Committee determines that any Tournament or any of its Tournament Affiliates has entered into one or more transactions for the purpose of circumventing the PMF, the Tournament shall be subject to an appropriate remedy as determined by the Board of Directors upon the recommendation of the PMF Committee (including, without limitation, the imposition of an appropriate Fine and/or the reallocation or imputation of PSI in one or more Tour Years).
- i. Complimentary tickets and other Admission Rights shall be excluded from PSI, up to a maximum per Tour Year determined on an annual basis by the PMF Committee based on historical averages.
- j. Any recovery by any Tournament or Tournament Affiliate under any business interruption insurance policy or any other insurance policy shall be included in PSI, but solely to the extent that such recovery compensates such Tournament or Tournament Affiliate for lost revenues that would otherwise have been included in PSI. The amount of such recovery shall be included in PSI net of any premiums paid for the policies under which such party recovers, any deductible and any unreimbursed out-of-pocket expenses arising out of or related to the events giving rise to such recovery.

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

- k. All revenues described in this Section XIV shall be based on the Tournament's local currency; provided, however, that if a Tournament's local currency is not the U.S. dollar, then any revenues received in U.S. dollars (e.g., payments from the WTA for commercial benefits and television) must be converted to the Tournament's local currency based on the average daily exchange rate for the 12-month period immediately prior to the Tournament's end date in a given Tour Year (or, with respect to any revenues accrued but not actually received, the year of such accrual).

I. Discovery of and Adjustments for Prior Year Transactions

If at any time the PMF Committee discovers that an amount of a Tournament's revenue from a prior Tour Year was misstated because either it should have been included in its PSI and was not included in its PSI for that Tour Year or it should not have been included in its PSI and was included in its PSI for that Tour Year, then beginning with the first Tour Year in which the applicable revenue was misstated (up to a maximum of three (3) Tour Years prior to the current Tour Year unless the PMF Committee determines that a material amount of revenue was excluded from an earlier Tour Year) ("Misstatement Year"):

- i. the Tournament's PSI for each Tour Year from the Misstatement Year through the Tour Year immediately preceding the current Tour Year must be restated with the correct revenue ("Restated PSI"); then
- ii. the Tournament's MPC for all Tour Years from the Misstatement Year through the Tour Year immediately preceding the current Tour Year must be recalculated using the applicable Restated PSI ("Restated MPC"); then
- iii. the total difference between the prior Tour Years' original (i.e., not using the Restated PSI) and Restated MPCs ("Prior Year True-Up") must be applied as an increase or decrease to the current Tour Year's MPC calculation, resulting in an "Adjusted MPC" for the current Tour Year (which cannot be less than the Tournament's minimum MPC for the current Tour Year per Section XIV.B.1, 2, or 3.b, as applicable); then
- iv. the Restated MPC for all applicable Tour Years (including the current Tour Year) must be used to calculate the Tournament's MPC for all future Tour Years (i.e., the Prior Year True-Up and current Tour Year's Adjusted MPC must not be used in calculating the MPC for any future Tour Year); and then

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

- v. if any misstatement or omission
- (a) by a WTA 1000 Non-Mandatory Tournament causes its Restated PSI in any Tour Year to be at least three and one-half percent (3.5%) higher or lower than its original PSI from that Tour Year; or
 - (b) by a WTA 500 Tournament causes its Restated PSI in any Tour Year to be at least five percent (5%) higher or lower than its original PSI from that Tour Year

(either of the foregoing a “Material Misstatement”), then the Tournament is subject to disciplinary action in accordance with Section XIV.B.10 below.

As an example, assume that WTA 500 Tournament A had a 2017 MPC of \$816,121 and a 2018 MPC of \$846,632 and during the 2018 Tour Year reported to the PMF Committee that \$40,000 of taxes should have been included in its 2016 PSI reporting as a \$40,000 decrease to its 2016 total PSI of \$6,550,000.

Tournament A’s 2019 (current Tour Year) MPC would be calculated by:

- restating its 2016 PSI as \$6,510,000 to reflect the \$40,000 error in taxes (i.e., $\$6,550,000 - \$40,000 = \$6,510,000$); then
- recalculating its 2017 MPC with its 2016 Restated PSI, resulting in a Restated 2017 MPC of \$813,497, and then subtracting its original 2017 MPC from its Restated 2017 MPC to yield a 2017 Prior Year True-Up of \$2,624 (i.e., $\$813,497 - \$816,121 = (-\$2,624)$); then
- recalculating its 2018 MPC using its Restated 2017 MPC, resulting in a Restated 2018 MPC of \$844,028, and then subtracting its original 2018 MPC from its Restated 2018 MPC to yield a 2018 Prior Year True-Up of \$2,604 (i.e., $\$844,028 - \$846,632 = (-\$2,604)$); then
- adding the 2017 Prior Year True-Up and 2018 Prior Year True-Up to yield a total Prior Year True-Up of $(-\$5,228)$ (i.e., $(-\$2,624) + (-\$2,604) = (-\$5,228)$); then
- calculating the Tournament’s Restated 2019 MPC using the Restated 2017 MPC and Restated 2018 MPC (assume the result

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

is a 2019 Restated MPC of \$859,286); then

- adding the total Prior Year True-Up to its Restated 2019 MPC, resulting in a 2019 Adjusted MPC of \$854,058 (i.e., $\$859,286 + (-\$5,228) = \$854,058$).

For 2019, Tournament A's 2019 Adjusted MPC (\$854,058) would be the MPC that the PMF Committee recommends to the Board of Directors.

For calculating Tournament A's 2020 MPC and all future Tour Years' MPCs, its 2019 Restated MPC (\$859,286) is used and its 2019 Adjusted MPC (\$854,058) is ignored.

As its 2016 Restated PSI is approximately 0.61% ($1 - (\$6,510,000 / \$6,550,000) = .0061 = .61\%$) lower than its original 2016 PSI and its 2019 Adjusted MPC is approximately 0.61% ($1 - (\$854,058 / \$859,286) = .0061 = 0.61\%$) lower than its 2019 Restated MPC, Tournament A would not be subject to a fine in accordance with Section XIV.B.10 below.

- m. The PMF Committee may, subject to Section XIV.B.6.f, develop such additional accounting rules and procedures as it may deem appropriate from time-to-time.

9. Review Procedures

The PMF Committee (through the Independent Accountant) and the WTBA (through an independent public accounting firm selected and engaged by the WTBA for such purpose ("WTBA Accountant")) shall each have the right to perform procedures on the books and records of each Tournament and its Tournament Affiliates to confirm that such Tournament's Final Reports are complete and accurate, subject to and in accordance with the provisions of this Section XIV.B.9.

The PMF Committee shall agree upon and instruct the Independent Accountant to perform certain procedures on the Final Reports and other financial information submitted by the Tournaments, which procedures may be modified or supplemented by the PMF Committee from time-to-time ("Procedures"). Each Tournament shall be subject to the Procedures at least once every three (3) years, but the PMF Committee may instruct the Independent Accountant to perform the Procedures on any Tournament more frequently if it so determines in its discretion.

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

For any Tour Year, the WTBA shall have the right to require the Independent Accountant to perform the Procedures on any Tournament on which it has not yet performed the Procedures for such Tour Year. In addition, after the Independent Accountant performs the Procedures on a specific Tournament, the WTBA Accountant (at the WTBA's direction and expense) shall have the right to review the Independent Accountant's work papers for such Procedures and, together with a representative of the Independent Accountant and the WTA and in accordance with the Procedures, to require additional data and documentation from and to conduct on-site interviews with the tournament director and staff of such Tournament regarding issues that, in the PMF Committee's discretion, are relevant to the calculation of such Tournament's MPC and the PMF. The WTBA's rights under this paragraph extend to a maximum of three (3) Tournaments per Tour Year; provided, however, that the WTBA shall not exercise such rights on a specific Tournament more than once in any three (3) Tour Year period unless the previous Procedures by the Independent Accountant or review by the WTBA Accountant revealed that such Tournament's Final Report contained any material misstatement or material omission (as determined by the PMF Committee, subject to Section XIV.B.6.f).

Each Tournament and its Tournament Affiliates shall make available to the PMF Committee, the Independent Accountant, the WTBA Accountant (subject to the immediately preceding paragraph of this Section XIV.B.9), and their respective agents copies of all documents, agreements, financial statements, books and records relating to the Tournament's PSI, Non-PSI, Non-WTA revenues, Capital Credits and other financial results, including any and all work papers of its accountants. No Tournament or Tournament Affiliate shall enter into any agreement that would prohibit or restrict such Tournament or Tournament Affiliate from providing such materials to such parties, limit such parties' access to such materials, or otherwise preclude or impair the ability of the PMF Committee to calculate or review the Minimum Player Compensation.

Any Procedures performed on a Tournament undertaken by the PMF Committee (through the Independent Accountant) or review by the WTBA under this Section XIV.B.9 may encompass such Tournament's three (3) most recently completed Tour Years and will include all transactions and other information directly or indirectly related to such Tournament's event with respect to those Tour Years, but may not include any transactions or other information that relates exclusively to any prior period. In the event that the Independent Accountant or the WTBA Accountant requests any document or other information from any Tournament or Tournament Affiliate with respect to any transaction that the Tournament asserts relates exclusively to a period prior to the start of the three (3) most recently completed Tour Years, the PMF Committee may require the Tournament to make a sufficient showing of the pertinent time period of such transaction without having to disclose

FINANCIAL

SECTION XIV - PRIZE MONEY FORMULA

to the Independent Accountant or WTBA Accountant the substance of the underlying transaction (e.g., by disclosing the time period or “term” provision of a requested contract).

10. Compliance

- a. Any Tournament that fails to submit its Final Report to the PMF Committee by its 120-day deadline is subject to a fine in accordance with the following chart:

Tournament Category	Fine Amount	
	Missed Deadline	Increase for Each 7 Calendar Days after Deadline
WTA 1000 Non-Mandatory	\$10,000	\$1,000
WTA 500	\$5,000	\$500

In addition, for each consecutive Tour Year in which a Tournament misses its 120-day deadline, its applicable Missed Deadline fine in the chart above doubles.

For example, if a WTA 1000 Non-Mandatory Tournament misses its 120-day deadline in a Tour Year, does not submit its Final Report until 14 calendar days after that deadline, and met its deadline the prior Tour Year, then its applicable fine is \$12,000 ($\$10,000 + (\$1,000 \times 2) = \$12,000$).

As another example, if a WTA 500 Tournament misses its 120-day deadline for the second consecutive Tour Year and does not submit its Final Report until 28 calendar days after that deadline, then its applicable fine is \$12,000 ($(\$5,000 \times 2) + (\$500 \times 4) = \$12,000$).

- b. Any Tournament that submits to the PMF Committee or the Independent Accountant a Final Report, Supplemental Information, or any other document or information on which the PMF Committee or Independent Accountant reasonably relies in determining its MPC that contains any Material Misstatement(s) is in breach of the Tournament Standards of Performance and is subject to disciplinary action in accordance with Section XVIII.A.46 that, subject to the PMF Committee’s discretion, must include a fine equal to the greater of \$2,500 or fifty percent (50%) of its Prior Year True-Up related to such Material Misstatement(s), but no greater than \$100,000.
- c. If in its sole discretion the PMF Committee determines that a Tournament otherwise violates the PMF, then the Tournament is in breach of the

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

Tournament Standards of Performance and is subject to disciplinary action in accordance with Section XVIII.A.46.

- d. A Tournament shall pay any fine(s) levied under Sections XIV.B.10.a-c above in accordance with Section XVIII.A.46.b.iv. A Tournament may appeal any fine(s) or other sanction(s) levied under Sections XIV.B.10.a-c above in accordance with Section XVIII.A.46.
- e. In addition to any sanctions under Sections XIV.B.10.a-c above, any willful noncompliance with the terms of the PMF is grounds for disqualification under and in accordance with Section XII.H.1.

11. Expiration

Notwithstanding anything to the contrary in this Section XIV or any other provision of this Rulebook, all of the provisions of this Section XIV.B shall be applicable for the 2021 Tour Year and automatically extend for additional Tour Years subject to this Section XIV.B.11.

No later than January 31 of any Tour Year either the Player Board Representatives or the Tournament Board Representatives may submit a request to the CEO for a meeting between the Player Board Representatives and the Tournament Board Representatives to discuss whether to terminate the provisions of this Section XIV.B following the end of such Tour Year. Following such meeting, either (a) a majority of the Player Board Representatives or (b) a majority of the Tournament Board Representatives may each elect to terminate the provisions of this Section XIV.B by giving written notice to the other members of the Board of Directors not later than May 31 of such Tour Year. In the event such a termination notice is given, the provisions of this Section XIV.B shall remain effective notwithstanding such notice through the end of the Tour Year in which such notice is given and such termination shall become effective on the start of the immediately following Tour Year. However, unless a termination notice is delivered by May 31 of any Tour Year, this Section XIV.B shall automatically be extended and shall remain in effect for the entirety of the following Tour Year (in which case, the guaranteed minimum amounts in Section XIV.B will be increased for each successive Tour Year in the same proportion as the prior increases in such amounts).

C. WTA 250 TOURNAMENTS

1. Minimum Player Compensation

For the 2021 Tour Year, each WTA 250 Tournament must pay MPC of at least \$300,000. Beginning with the 2022 Tour Year, the MPC for WTA 250 Tournaments increases by three percent (3%) each Tour Year (rounded to the

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

nearest \$1,000). The Board of Directors may, in its sole discretion, mandate MPC increases for WTA 250 Tournaments for the 2021 Tour Year.

2. Increased Prize Money

WTA 250 Tournaments shall have the option to increase their prize money to allow more than one (1) Top 10 Player to play singles and/or doubles in the Tournament. Tournaments must increase prize money by \$250,000 for each additional Top 10 Player accepted into the draw. Prize money increases will be distributed in accordance with Section XV.D. Tournaments may notify the WTA anytime up until the Qualifying Sign-In deadline of their decision to increase prize money above the minimum.

The WTA will not accept additional Top 10 Player entries until the Tournament provides written notice to the WTA confirming the required prize money increase.

Regardless of whether any Top 10 Player(s) withdraw(s), a WTA 250 Tournament may not reduce its prize money if:

- a. the Tournament accepts an additional Top 10 Player at the Main Draw Entry Deadline;
- b. the Tournament publicly announces the prize money increase; or
- c. the Qualifying Sign-In Deadline has passed.

3. Top 10 Player Delivery

An increase in the WTA 250 Tournament's minimum prize money will not alter the Top 10 Player Delivery requirements set out in Section II.C above.

D. NOT A MAXIMUM

Nothing in this Section XIV shall prevent a Tournament from paying player compensation in excess of the Minimum Player Compensation. For the avoidance of doubt, in the event any Tournament has been approved to pay player compensation in excess of the Minimum Player Compensation, and the Minimum Player Compensation increases from the prior Tour Year, such Tournament will not be required to increase its player compensation further. (For example, if a Tournament is paying 110% of the Minimum Player Compensation and the Minimum Player Compensation increases by 5%, such Tournament will not be required to increase its player compensation for that Tour Year.)

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

If in any Tour Year a Tournament voluntarily pays player compensation greater than its PMF-calculated MPC for that Tour Year, the calculation of that Tournament's MPC in future Tour Years must use its PMF-calculated MPC for all prior Tour Years (i.e., any player compensation greater than its PMF-calculated MPC that the Tournament voluntarily paid is not included in the calculation of its MPC in future Tour Years). For example, if a WTA 500 Tournament's 2021 PMF-calculated MPC is \$1,200,000 but it pays 2021 player compensation of \$1,500,000, then for purposes of calculating that Tournament's 2022 MPC, its 2021 MPC is \$1,200,000 (and not \$1,500,000).

E. AMENDMENT

Notwithstanding anything to the contrary in this Section XIV or any other provision of this Rulebook, the terms of this Section XIV may only be amended by the Board of Directors in its sole discretion, provided, that any amendment to this Section XIV shall be deemed to be a "Supermajority Matter" for purposes of the By-laws and this Rulebook.

Unless granted a waiver pursuant to sub-Section 6 below, a Player is not permitted to play in an Exhibition/Non-WTA Event if it is scheduled as follows:

- a. Within sixty (60) days before or thirty (30) days after a WTA 1000, WTA 500, or WTA 250 Tournament (including the WTA Finals and WTA Elite Trophy) and the Exhibition/Non-WTA Event is located either (i) within 125 miles/200 kilometers, measured linearly, of the site of the Tournament, or (ii) within the same generally recognized market area of the Tournament, as determined by the CEO;
- b. During the same week a WTA 1000, WTA 500, or WTA 250 Tournament (including the WTA Finals and WTA Elite Trophy) is scheduled; or
- c. During the same week as a WTA 125 Tournament in which the player is entered, including the Sunday night after the final.

4. Exception

Notwithstanding anything to the contrary herein, as long as a Player is not competing in a WTA Tournament in the week preceding a Grand Slam, she may participate in an Exhibition/Non-WTA Event on the Saturday or Sunday prior to the commencement of the Grand Slam Main Draw, if that Exhibition/Non-WTA Event is promoted by the Grand Slam.

CODE OF CONDUCT
SECTION XVII - CODE OF CONDUCT

5. Fine and Appeal Procedures

A Player in violation of the Exhibition/Non-WTA Event Rule shall be automatically fined in accordance with the following schedule, based on her prior Tour Year-End WTA Singles Ranking:

WTA Ranking	Fine
1-3	\$100,000
4-6	\$75,000
7-10	\$50,000
11-20	\$20,000
21-50	\$15,000

- a. Exhibition/Non-WTA Event fines will be shared equally between the WTA and the Tournament Council, which the Tournament Council can use in its discretion, including distribution in whole or in part to an aggrieved Tournament. If the Tournament Council determines in its sole discretion that an aggrieved Tournament had any involvement with the Exhibition/Non-WTA Event, the Tournament Council may choose to forego a distribution of the collected fines to the aggrieved Tournament and direct the undistributed money into the Tournament Council Fund.
- b. A Player shall not be subject to the applicable Exhibition/Non-WTA Event fine if her entry in the applicable week would not have been accepted into the respective Tournament by virtue of her singles ranking being below the cutoff at the time the initial Main Draw Acceptance List was produced (six (6) weeks prior to the Tournament).

6. Waiver Consideration

Any Player subject to this Exhibition/Non-WTA Event rule may apply to the CEO for a waiver of the rule with respect to one (1) or more Exhibition/Non-WTA Events, which application the CEO may grant in his/her sole and absolute discretion. Waiver requests must be submitted at least six (6) weeks prior to the Exhibition/Non-WTA Event.

The CEO may consider such waiver requests, including requests related to Exhibition/Non-WTA Events scheduled on any day during Tournament weeks, according to the individual circumstances presented. In considering whether or not to grant a waiver, the WTA may take into account, among other factors, the extent to which a player's participation in the proposed event would (i) negatively impact the overall health of the WTA Tour, (ii) lead

CODE OF CONDUCT
SECTION XVII - CODE OF CONDUCT

to confusion among tennis fans, media, and others about the logic, flow, and progression of the WTA circuit and the importance of participation in WTA Tour events, and (iii) impact on the Tournament(s) within the radius and temporal restrictions set forth herein. As a general rule, in addition to taking into consideration the number of days over which the Exhibition/Non-WTA Event will be scheduled, the television coverage, any marketplace conflicts (considering the size and separation of the marketplace, area population, and location on calendar), waivers may be granted more freely in cases of bona fide charity events, bona fide team competitions, events with Pro-Am formats, events with non-traditional tennis scoring, events not scheduled against WTA 1000 and WTA 500 Tournaments, and where the event could be reasonably expected to promote fan and media interest, excitement, and attendance at those WTA Tournaments nearest to where the event is to take place.

F. DISHONORABLE OR UNPROFESSIONAL CONDUCT OF TOURNAMENT SUPPORT PERSONNEL

The favorable public reputation of the WTA, the Tournaments, and the Players is a valuable asset and creates tangible benefits for all WTA members.

1. Tournament Obligation

Accordingly, it is an obligation for Tournament Support Personnel to refrain from engaging in conduct contrary to the integrity of the game of tennis and to ensure that Tournament partners adhere to the same standard in the activation of their partnership with the Tournament.

a. Definition

Conduct contrary to the integrity of the game of tennis shall include, but not be limited to, public comments, whether or not to the media, and marketing and promotional campaigns and messaging, which unreasonably attack or disparage a Tournament, sponsor, player, official, or the WTA.

Responsible expressions of legitimate disagreement with WTA policies are not prohibited. However, public comments that one (1) of the stated persons above knows, or should reasonably know, will harm the reputation or financial best interests of a Tournament, Player, sponsor, official, or the WTA are expressly prohibited by this Section.

b. Penalties

Violation of this Section shall subject a Tournament and/or Tournament Support Personnel to a fine of up to \$25,000, and/or loss or change in

CODE OF CONDUCT
SECTION XVII - CODE OF CONDUCT

membership status, and/or forfeiture of all sums, if any, previously paid to the WTA.

2. Appeals Process

The WTA shall have sole authority to declare a violation under this Section acting upon a formal and substantiated complaint. The WTA decision may be appealed to the Committee, with the exception of appeals involving monetary penalties of \$50,000 or more or appeals of major offenses, such as a change in membership status, in which case the matter will be referred to the Board of Directors for a decision.

G. PROCEDURES FOR PLAYER AND TOURNAMENT SUPPORT PERSONNEL VIOLATIONS

1. On-court Adjudication

Any violation of this Code that must by its nature be adjudicated prior to continuation of Tournament play shall be decided immediately by the official or officials given that authority under this Code. Any appeal of such decisions shall be made to the official making the decision, and the official's judgment with respect to any penalties other than fines shall be final in all cases. The fine portion of any on-court violation may be appealed to the Committee as set out below.

2. Complaints

a. Process and Timing for Reporting Alleged Player Violations

Reporting a Player's violation of this Code by a Player may originate with the WTA, any Player, or a Tournament official. Violations of the sexual abuse and sexual harassment rules may also be reported by the victim of the violation, in the case of a minor, by his or her parents or legal guardians, or by anyone who witnessed the violation. Complaints shall be directed to the WTA. Complaints must be received by the WTA within twenty-one (21) days of the alleged conduct and, where feasible, must be acted upon prior to the time of the next scheduled Committee meeting. No complaint, except for violations of the Exhibition/Non-WTA Event Rule, Anti-Corruption Program, Anti-Doping Program, or sexual abuse and sexual harassment rules, lodged more than twenty-one (21) days following knowledge or reason to know of the incident or activity alleged in violation of the Code may be considered by the WTA.

CODE OF CONDUCT
SECTION XVII - CODE OF CONDUCT

- b. Process and Timing for Reporting Alleged Tournament Support Personnel Violations

Reporting a violation of this Code by Tournament Support Personnel may originate with the WTA, any Player, or a Tournament official. Complaints shall be directed to the WTA. Complaints must be received by the WTA within twenty-one (21) days of the alleged conduct and, where feasible, must be acted upon prior to the time of the next scheduled Committee meeting.

3. Review, Appeal, and Hearing

For those offenses which require the WTA to conduct a thorough investigation, the WTA may do so either prior or subsequent to notification being given to the Player or Tournament involved.

The WTA and the Committee shall keep accurate records of all complaints and the disposition thereof and shall be responsible for recording all penalties imposed upon Players during any Tour Year.

- a. Review Process for Players

- i. Player Notification of Charges

If the WTA determines there are grounds for the complaint of misconduct under this Code, the Player so charged shall thereupon be notified orally, if possible, and in writing, specifying: a) the provisions which she is charged as having violated and b) the penalty such a violation carries if so specified in the Code.

If the penalty is not so specified, the Player shall be advised that the penalty will be determined by the WTA. This notification and any other in the course of a disciplinary proceeding shall be delivered to the player in person, sent to her by registered or certified mail, overnight delivery with confirmed delivery or sent by e-mail at her address as shown in the records of the WTA or on the most recent Tournament entry application submitted by the Player prior to the notification. All such notices shall be deemed given five (5) days after mailing.

- ii. Player Response to Charges

After receipt of notification of the charges and the potential penalties, a Player charged with misconduct for which a fine is not automatic, shall have twenty-one (21) days from the date of notice to respond in

CODE OF CONDUCT
SECTION XVII - CODE OF CONDUCT

writing to the allegations. Failure to respond to the charges within the time limit cited above will subject the charged Player to the imposition of the fines as determined by the WTA, if the WTA determines that the Player committed the violation with which she is charged, and such Player fails to appeal to the Committee as outlined in this Code.

iii. Player Request for Hearing

Any Player sanctioned for an offense which is subject to appeal, may request a hearing before the Committee or, in the case of an appeal involving monetary penalties of \$50,000 or more, a Player Major Offense potentially resulting in suspension from play, or other sanction of similar magnitude, a Player may request a hearing before the Board of Directors. The WTA must receive a request for a hearing within twenty-one (21) days following notification to the player of the fine or complaint against her.

b. Review Process for Tournament Support Personnel

i. Tournament Support Personnel Notification of Charges

If the WTA determines there are grounds for a complaint of misconduct under this Code, the Tournament Support Personnel so charged shall thereupon be notified orally, if possible, and in writing, specifying a) the provisions which he/she is charged as having violated and b) the penalty such a violation carries if so specified in the Code.

If the penalty is not so specified, the Tournament Support Personnel shall be advised that the penalty will be determined by the WTA. This notification and any other in the course of a disciplinary proceeding shall be delivered to the Tournament Support Personnel in person, sent to him/her by registered or certified mail, overnight delivery with confirmed delivery or sent by e-mail at his/her address as shown in the records of the WTA. All such notices shall be deemed given five (5) days after mailing.

ii. Tournament Support Personnel Response to Charges

After receipt of notification of the charges and the potential penalties, Tournament Support Personnel charged with misconduct shall have twenty-one (21) days in which to respond in writing to the allegations. Failure to respond to the charges within the time limit cited above will subject the charged party to the imposition of the fines as determined by the WTA.

CODE OF CONDUCT
SECTION XVII - CODE OF CONDUCT

iii. Tournament Support Personnel Request for Hearing

Any Tournament Support Personnel charged with an offense for which a sanction was levied may request a hearing before the Board of Directors. The WTA must receive a request for a hearing within twenty-one (21) days following notification to the Tournament Support Personnel of the sanction.

c. Hearing Process and Timing

i. Notification of Hearing Time and Place

A Player or Tournament Support Personnel requesting a hearing (as outlined in sub-Sections a.iii and b.iii above) shall be given at least ten (10) days' notice of the time and place of the hearing. Attendance at the appeal hearing is not mandatory.

It is intended that the hearing requested take place as soon as possible. If he/she wishes to shorten the time required for notice, the Committee or Board of Directors will cooperate in good faith.

ii. Hearing Procedures

At the hearing, he/she may call witnesses testifying on his/her behalf and examine witnesses testifying against him/her. He/she may, if he/she chooses, be represented by counsel at the hearing. The Committee or Board of Directors may determine that an interpreter is required in the interest of fairness. If so, they may retain such person at the expense of the WTA. The Committee or Board of Directors, as appropriate, shall make a determination, which shall be supported by written findings.

d. Meetings of the Committee

The Committee shall be scheduled to meet in person or by teleconference at least two (2) times per year, at least one (1) meeting of which shall be scheduled to be held outside the United States, unless there are no matters scheduled to be heard at the time of any such meeting. All expenses of the Committee shall be borne by the WTA.

e. Notification of Decisions

Within thirty (30) days of its decision, the Committee or Board of Directors shall give written notice to the Player or Tournament Support Personnel of its decision and the penalty to be imposed, if any, regardless of

CODE OF CONDUCT
SECTION XVII - CODE OF CONDUCT

whether or not a hearing was requested. The decision of the Committee or Board of Directors shall be final and non-appealable.

f. Request for New Hearing

Notwithstanding Section XVII.G.3.e above, after the Committee or Board of Directors renders a decision on a Player's or Tournament Support Personnel's violation of this Code, the WTA, applicable Player, or applicable Tournament Support Personnel may submit a request to the WTA for the Committee or Board of Directors, as applicable, to grant a new hearing ("New Hearing") of such violation because of the discovery of information that: (i) was not known to the WTA or applicable Player or Tournament Support Personnel at the time of the Committee's or Board of Directors' original hearing on his or her violation; and (ii) is capable of causing the Committee or Board of Directors, as applicable, to render a different decision on the violation ("New Information"). Such request must be submitted to the WTA no later than ninety (90) days after notice of the Committee's or Board of Directors' original decision unless the Committee or Board of Directors otherwise agrees.

The Committee or Board of Directors, as applicable, has no obligation to grant a New Hearing and has sole, absolute discretion in determining whether a New Hearing request contains any New Information and whether to grant a New Hearing on a violation. The decision regarding a New Hearing by the Committee or Board of Directors, as applicable, is final and non-appealable. If the Committee or Board of Directors, as applicable, grants a New Hearing, the provisions of Sections XVII.G.3.c and e will apply to that hearing.

g. Payment of Fines

Any fine imposed must be paid to the WTA within thirty (30) days of the final imposition, unless written extension of time is granted by the WTA. All unpaid fines at the end of the year will be subject to a penalty of 15% interest on the outstanding balance. Filing of an appeal will not prevent the WTA from deducting fines from player prize money or any payments due from the WTA to Tournaments, nor shall it delay the due date of any fine invoice.

H. PROCEDURES FOR PLAYER SUPPORT TEAM MEMBERS AND CREDENTIALLED PERSONS

1. Player Support Team

Player Support Team members are expected to conduct themselves in a professional manner at all times. In this regard, a Code of Conduct has been

11. Hotel Rooms/Per Diem – Player

a. Official Hotel Location and Transport Requirements

Tournaments will establish an official hotel that meets the standard requirements of the WTA. Hotels must be located in a secure and safe area. Motels or any accommodations that require entrance to rooms from the street or public outdoor walkways are not acceptable. Transport must be provided to and from the official hotel to the Tournament site.

b. Hotel Rates and Availability

Each Tournament should use its best effort to arrange for discounted or complimentary accommodations. If the official hotel daily rate for a double room (2 persons in room) excluding taxes and breakfast at WTA 1000 and WTA 500 Tournaments is higher than US\$225 (€200 in Europe) per day or US\$175 (€150 in Europe) per day at WTA 250 Tournaments, then an alternative player hotel must be provided with a rate of US\$225/€200 at WTA 1000 and WTA 500 Tournaments (US\$175/€150 at WTA 250 Tournaments) per day for a double room or less.

Rates should be available the day before Qualifying commences until the conclusion of the Tournament.

Tournaments may apply to the WTA for relief from these hotel rate standards, which may be granted by the WTA on a case-by-case basis, depending upon local considerations which make compliance with such standards impractical and unrealistic.

c. Alternate Hotel Location and Transport Requirements

The alternate hotel should be no more than 10-15 miles (or 10-15

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

minutes) from the Tournament site. Tournament transportation must be provided from the alternate hotel.

d. WTA Notification of Hotel Accommodations and Room Lists

The Supervisor should be notified by the Tournament of all housing arrangements. In addition, each Tournament shall provide the WTA with an official hotel room list.

e. Player Hotel Room Entitlement

Under the per diem rule, each player competing in the Main Draw (singles or doubles) and the Qualifying at all WTA Tournaments shall be entitled to a double room (or the cost of a double room), including room taxes, at one of the official hotels selected by the Tournament. Specific hotels for Qualifying and Main Draw may be designated by a Tournament. The player may designate the entirety of the nights in her per diem room to one (1) accompanying family member, coach, trainer, or agent. If multiple players elect to share a room, each player in such room is still entitled to receive full per diem.

The Tournament shall only pay the per diem allowances through the official hotel(s). Payment to the players is prohibited. Tournaments may apply to the WTA for relief from this requirement, which will only be granted by the WTA if the Tournament agrees to make secure arrangements for per diem payments to underage athletes.

f. Reservation Process and Deadlines

If a player does not make her hotel reservation by the deadline stated on the Tournament Fact sheet, she is not guaranteed a room or any discounted rate.

The hotel booking process must be clearly described on the Tournament Fact Sheet. The Tournament must ensure that a contact person is available by telephone and email starting at least six (6) weeks before the event and the contact details must appear on the Tournament Fact Sheet.

g. Required Length and Timing of Hotel Stay

i. Minimum Per Diem Nights

The minimum numbers of nights for which singles and doubles Main Draw players shall receive hotel room/per diem is listed in the table below.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

WTA 125	4	0	2

ii. Exception for Combined Events with ATP

WTA player hotel room/per diem at combined events shall be consistent with the WTA per diem rules, except where per diem provided under the ATP rules is greater, in which case the ATP per diem rule shall apply.

h. Per Diem for Main Draw Players

A player's Main Draw per diem nights: (i) begin three (3) days* before the start of a Tournament's Main Draw or the day that she registers, whichever is later; and (ii) continue through the night of her final exit from the Tournament (e.g. last match, withdrawal, etc.) or the night that she reaches the minimum per diem nights to which she is entitled under this Rule, whichever is later. In all cases, the last night for which any player will receive per diem is the night of the Tournament's final match, whether or not she has received her minimum per diem nights.

*If the Main Draw starts Wednesday, then per diem begins Sunday; if the Main Draw starts Tuesday, then per diem begins Saturday; if the Main Draw starts Monday, then per diem begins Friday; if the Main Draw starts Sunday, then per diem begins Thursday; if the Main Draw starts Saturday, then per diem begins Wednesday; and so on.

i. Per Diem for Qualifying Players

Per diem nights for Qualifying will be counted from the day of the Qualifying Sign-In deadline.

Qualifiers shall be afforded hotel room/per diem through the later of

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

the minimum number of nights or the night of the player's final exit from the Qualifying Draw, and successful Qualifiers shall be afforded the same hotel room/per diem as Main Draw players. However, nights used under the Qualifying per diem shall count towards the minimum number of nights to which a player is entitled under the Main Draw per diem. Regardless of the number of days played to qualify, successful Qualifiers shall receive per diem from the day of the Qualifying Sign-In through the night of a player's final exit (e.g., last match, withdraw, etc.) from the Main Draw, or until the minimum number of nights for a singles Main Draw player has been provided, whichever is later.

Players who play in the Qualifying but who do not qualify and then play in the Doubles Main Draw shall receive the applicable nights for Qualifying per the table in sub-Section g above in addition to the standard Doubles Main Draw per diem allowance.

j. Per Diem for Lucky Losers and Doubles Alternates

Each day, the highest ranked among the Lucky Losers (see Section V.A.1.a.vi) and Doubles Alternates who have signed in to preserve their eligibility shall receive hotel/per diem the same as Main Draw players up through the night following the last day a Lucky Loser or Doubles Alternate, as applicable, is eligible to be awarded a spot in the Main Draw. The hotel/per diem will fall to the next highest-ranked Lucky Loser or Doubles Alternate in the event the highest-ranked Lucky Loser or Doubles Alternate moves off the list (e.g., moves into the Main Draw), with the hotel/per diem beginning on the day the highest-ranked Lucky Loser or Doubles Alternate moves off the list.

k. Per Diem for Players Who Withdraw On-Site for Medical Reasons

Main Draw singles players who have used an Excused Withdrawal or a Prize Money Withdrawal on site before starting to compete and who have complied with all requirements of the applicable withdrawal according to Section IV.A shall receive two (2) nights of hotel/per diem.

At WTA/ATP combined events, Main Draw and Qualifying players who have withdrawn on-site for medical reasons before starting to compete and who are examined by the on-site Tournament Physician shall receive hotel/per diem through the night of the examination.

l. Hotel Upgrade or Per Diem in Lieu of Accommodation Request

If the official hotel designated by the Tournament does not meet the standard requirements, the WTA may request an upgrade in accommodations to a hotel of that standard rating.

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

If the Tournament is unable or refuses to comply with this rule, then the WTA may choose the per day per diem (US\$200/€175 at WTA 1000 and WTA 500 Tournaments and US\$150/€125 at WTA 250 Tournaments) in lieu of hotel accommodations for a player who is entitled to a complimentary room.

A player is responsible for all hotel charges over and above those for the room rate and tax (double room or double room cost).

12. Hotel Rooms and Per Diem – WTA Staff

a. **General**

All rooms below shall be provided from the day before the Qualifying Sign-In through the final day of the Tournament. The Tournament shall be responsible for payment of hotel room taxes and resort or similar fees and the WTA staff and Supervisors shall be responsible for all incidental expenses. In addition, each Tournament should use best efforts to arrange for the player rate at the official hotel to be offered to WTA staff working at the Tournament.

b. **WTA Tournaments**

WTA Tournaments are required to provide three (3) complimentary hotel rooms for the WTA staff, which may be divided among the Supervisor, PHCP staff, and Massage Therapist. The allocation of WTA staff rooms, however, shall be determined by the WTA and communicated to the Tournament by the Supervisor.

c. **WTA/ATP Combined Events**

At WTA/ATP combined events, where ATP Supervisors receive a complimentary hotel room, per diem, and laundry service, the equal number of WTA Supervisors shall also receive similar complimentary accommodations and benefits. In addition to the complimentary hotel rooms and benefits provided to the tour Supervisors, all WTA/ATP combined events must provide the WTA and ATP each one (1) complimentary hotel room, which may be used for a PHCP or Massage Therapist.

13. Internet Communication

In each instance in the Rules where a high-speed internet connection is required, it shall consist of an always-on, high-speed internet connection. A minimum total 1Mb/sec (mega bit per second) of available bandwidth must be

15. Laundry Service

Each Tournament shall provide laundry service to participating players from the first day of Qualifying until the completion of the Tournament. Laundry service may be limited to 'next-day wash & fold' service and may be provided on site and handled by the locker room attendants, or directly at the official hotel. Laundry service costs should be reasonable (whether per item or per bag), and must be approved by the WTA at least one (1) month prior to the Tournament.

16. Lighting

It is the responsibility of the Tournament Director to ensure, upon final preparation of the tennis courts before the Tournament commences, that all court specifications, including lighting measurements, comply with the standards set forth in Appendix H – Light Measurements.

Measurements should be taken from approximately three (3) feet (0.914 meters) above the court.

The Supervisor has the authority to suspend play on any court if the intensity of illumination, in his/her judgment, is insufficient for Professional Tennis.

b. Second Court for Outdoor Night Matches

If an outdoor Tournament holds night sessions, a second match court with lighting that meets Tour standards will be required.

17. Live Scoring

Beginning with the Qualifying, each Tournament shall be responsible for providing live scoring services including the set up and maintenance of an encrypted scoring network with a signal throughout the venue, based on specifications provided by WTA, to support the live scoring services for each match of the event and will provide the WTA access to such signal and assist WTA in its efforts to produce and host the live score data generated from each match, including but not limited to by delivering the live scoring data directly to the WTA (or its designees) in the on-site TV compound. Each Tournament hereby consents to WTA's non-exclusive use of such live score data, subject to the restrictions below. Each Tournament must use a company approved by the WTA.

Tournaments shall not allow or authorize the dissemination, transmission, publication, or release from the grounds of the Tournament of any live match scores or related statistical data, including without limitation the live score data from the scoring network, by a third party until thirty (30) seconds after the actual occurrence of the incident of match play or action that leads to such live score update (e.g. a point being scored), such delay shall not be applicable to the live audio and/or visual broadcast or streaming by any method or means (i.e. moving pictures and/or sound/audio reporting of actual on-court action) and purposes related to such broadcast of any match. Tournaments may only supply match related data or information to gambling entities through WTA's approved data reseller. In addition, each Tournament shall notify WTA in advance of any third party to whom the Tournament has granted access to the network used for live scoring for the purpose of accessing the live score data. Persons who are or work for data resellers shall not be issued credentials.

This petition shall be in writing and must be filed with the CEO within twenty-one (21) days after notice of the penalty is received by the Tournament from the WTA. Such petition shall state in detail the basis for such appeal.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

ii. Hearing Procedures

The Tournament shall be advised of the date, time and place for the hearing of such appeal; however, attendance is not mandatory. In addition to submitting a written submission of the basis for its appeal, a Tournament may also request in writing to send a representative to the hearing to orally present its appeal.

On appeal, the Code of Conduct and Standards of Performance Committee or the Board of Directors may affirm, reverse, or modify the decisions of the WTA. The decision of the Code of Conduct and Standards of Performance Committee or the Board of Directors shall be final and non-appealable.

iii. Request for New Hearing

Notwithstanding Section XVIII.A.46.c.ii above, after the Code of Conduct and Standards of Performance Committee or Board of Directors renders a decision on a Tournament's breach of the Tournament Standards of Performance, the WTA or any applicable Tournament Support Personnel may submit a request to the WTA for the Code of Conduct and Standards of Performance Committee or Board of Directors, as applicable, to grant a new hearing ("New Hearing") of such breach because of the discovery of new information that: (i) was not known to the Tournament at the time of the Code of Conduct and Standards of Performance Committee's or Board of Directors' original hearing on the breach; and (ii) is capable of causing the Code of Conduct and Standards of Performance Committee or Board of Directors, as applicable, to render a different decision on the breach ("New Information"). Such request must be submitted to the WTA no later than ninety (90) days after notice of the Committee's or Board of Directors' original decision unless the Committee or Board of Directors otherwise agrees.

The Code of Conduct and Standards of Performance Committee or Board of Directors, as applicable, has no obligation to grant a New Hearing and has sole, absolute discretion in determining whether a New Hearing request contains any New Information and whether to grant a New Hearing on a breach. The decision regarding a New Hearing by the Committee or Board of Directors, as applicable, is final and non-appealable. If the Code of Conduct and Standards of Performance Committee or Board of Directors, as applicable, grants a New Hearing, the provisions of this Section XVIII.A.46.c will apply to that hearing.

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

B. MEDICAL SECTION

1. Mandatory Physical Examination

Each player participating in a WTA Tournament must complete all components of a mandatory physical examination as required by the WTA no more than once per Tour Year unless WTA SS&M reasonably determines that any further follow-up related to the mandatory physical examination is medically necessary. If the examination is not performed by the SS&M staff, physical and disability examinations will be at the expense of the player. Each player's medical doctor will be required to complete the WTA mandatory physical examination online using the WTA medical documentation system or as otherwise directed by the WTA and provide any supportive documentation such as vaccination records in English.

a. Timing

If a mandatory physical examination is required in a particular Tour Year, the completed physical examination documentation (provided by the WTA) must be submitted to the SS&M Department by March 31 of the current Tour Year.

b. Medical Documentation Handling

This and all medical information will be maintained in a secure and confidential online medical documentation system and/or filed with the SS&M Department.

c. Penalties

If the examination is not completed by the deadline, the player may be subject to a \$500 fine, and if the player has purchased disability insurance from the WTA, the player will not be eligible for disability coverage under the WTA Plan.

2. Player Treatment Area/Training Room

Each Tournament must provide a secure, private medical treatment area. This area should be easily accessible to the locker room and the match courts and should have good ventilation and temperature control, as well as a sink for sanitary purposes.

The room/area should be accessible and professional (i.e., not under stairwells or in player lounges, hallways, general gym areas, or Tournament staff areas). This area should be set up by the first day of Qualifying.

Players' health care providers are required to provide their own equipment and medical supplies.

3. Treatment On Court

4. Physician

The Tournament Director must appoint a Chief Tournament Physician to coordinate the local medical team. Each Tournament Physician must complete the Tournament Physician SmartSheet and provide it to a SS&M Department, Tournament Relations staff member no later than ninety (90) days prior to the event.

The local medical team should include no more than two (2) assistant physicians. The Tournament Physician may assist in providing medical care for spectators and Tournament staff; however, the priority will be to care for the Players. Therefore, it is recommended that separate medical staff, such as first aid or paramedics, be appointed to care for spectators and Tournament staff. Also, it is recommended that the emergency medical staff is either able

In either case, all such information must be in English and submitted or entered by the end of each Tournament day.

It is required that all Tournament Physicians participate in a training session, in order to access the WTA online medical documentation system. Best efforts will be made to include this training as part of the pre-Tournament orientation.

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

(d) WTA Mandatory Physical Examination

The Tournament Physician shall be available to assist in completing the WTA Mandatory Physical Examinations.

iii. Duties Upon Conclusion of the Tournament

In addition to the daily medical treatment documentation required during the Tournament, all off-site testing or treatment procedure documentation referred by the Tournament Physician must be submitted to the PHCP upon completion of the Tournament.

iv. Medical Supplies and Equipment

The Tournament Physician must have the standard medical supplies and equipment that are required by the SS&M Department and communicated to the Tournament Physician in advance of the Tournament. All medical supplies must be within their expiration dates.

c. Treatment Procedures

- i. Medical procedures undertaken by the Tournament Physician must comply with the Anti-Doping Program.
- ii. Treatment provided by the Tournament Physician to the players on-site must be free of charge.
- iii. Players, however, are responsible for the payment of off-site treatment, medical testing, or prescriptions, if they are necessary.

d. Additional Requirement for the WTA Finals

During the WTA Finals, an Internal Medicine/Primary Care Physician and an Orthopedic Surgeon must be appointed to provide medical coverage for the entire Tournament.

5. Medical Procedures

a. Medical Conditions

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation or medical treatment by the PHCP in conjunction with the Tournament Physician, if appropriate, during the warm-up or the match.

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

i. Treatable Medical Conditions

(a) Acute Medical Condition

The sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.

(b) Non-Acute Medical Condition

A medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the change of ends or set break.

ii. Non-Treatable Medical Conditions

Players may not receive treatment at any time during the match (or warm-up) for the following conditions:

(a) Any medical condition that cannot be treated appropriately.

(b) Any medical condition (inclusive of symptoms) that will not be improved by available medical treatment within the time allowed, specifically chronic conditions such as overuse injuries and recurring injuries.

(c) General player fatigue.

(d) Any medical condition requiring injections, intravenous infusions, or supplemental oxygen, except for diabetes for which prior medical certification has been obtained and for which subcutaneous injections of insulin may be administered.

b. Medical Evaluation

i. Purpose

The purpose of the medical evaluation is to determine if a player has sustained or aggravated a treatable medical condition and, if so, to determine when medical treatment is warranted and whether a Medical Time-Out (as further described in sub-Section c below, "MTO") is necessary. The development of the condition need not be witnessed by the Chair Umpire.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

ii. Player Request and Process

If at any time during the warm-up or the match, the player believes that medical evaluation and treatment are required, she may request, through the Chair Umpire only, to see a PHCP.

The Chair Umpire may ask the player if she is able to continue playing; however, the Chair Umpire is under no obligation to do so.

The player has the option to:

- (a) Stop play and wait until the PHCP arrives, only in the case that a player believes she has developed an acute, treatable medical condition necessitating an immediate stop in play; or
- (b) Wait until the next change of ends or set break to see the PHCP, if the injury is a non-acute, treatable medical condition.

The player is expected to be forthright about whether she believes she suffers with an acute medical condition that warrants a stop in play; otherwise, she is subject to a penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

iii. Timing and Location of Evaluation

Accompanied on the court by the Supervisor (or Referee), the PHCP will begin, and the Chair Umpire shall begin to time, the evaluation when the PHCP commences communication with the player.

Evaluations by the PHCP shall be performed within a reasonable length of time, balancing player safety on the one hand and continuous play on the other (recommended not to exceed three (3) minutes), and may take place off court, if the PHCP so requests.

Once the evaluation is completed, the PHCP will inform the Chair Umpire if treatment is needed and when treatment is to begin.

iv. Involvement of Tournament Physician

At the discretion of the PHCP, should further evaluation be required by the Tournament Physician, this shall be a separate evaluation, also of a reasonable length of time.

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

v. Potential Outcomes of Evaluation

(a) Non-Treatable Medical Condition

If after evaluation, the PHCP determines the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed. Medical treatment, including medication, is allowed only for treatable medical conditions.

(b) Treatable Medical Condition Requiring MTO

The PHCP may authorize for that condition a one- (1) time, three- (3) minute MTO, which would take place during a change of ends or set break, unless the PHCP determines it is an acute medical condition that requires immediate medical treatment.

(c) Treatable Medical Condition not Requiring MTO

If the PHCP determines that the player has a treatable medical condition, but that a MTO is not needed in cases such as illness or muscle cramping, then the PHCP may, following the evaluation, begin treatment if time remains in the change of ends or set break. If necessary, the PHCP may treat the player for this medical condition for two (2) additional change of ends, not necessarily consecutive.

vi. Medical Treatment

A player may only receive on-court medical evaluation, treatment, and/or supplies from the PHCP (who may request assistance from the Tournament Physician) during any 90-second change of ends or 120-second set break (not necessarily consecutive) for each treatable medical condition.

Players may not receive medical treatment for non-treatable medical conditions.

(a) Definition

PHCP on-court medical evaluation, treatment, or supplies shall include:

- (i) Adjustment of medical support and/or tape;

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

- (ii) Provision of medication; or
- (iii) Supplies for contact lenses.

(b) Process and Timing

All such requests for treatment must be made through the Chair Umpire, who shall notify the PHCP and Supervisor (or Referee) of a player's request to see the PHCP and will time the change of ends (or set break) as the usual 90 (or 120) seconds. Medical treatment is limited to two (2) change of ends (or set breaks) for each treatable condition, before or after a MTO (defined below) and need not be consecutive. If adjustment of medical equipment is necessary during or immediately following the warm-up, the player must request an adjustment immediately following the warm-up, limited to 90 seconds.

This treatment should not exceed two (2) changes of ends, which need not be consecutive. During a warm-up, if adjustment of medical equipment is necessary it must be done at the end of the warm-up (90 seconds).

(c) Non-Medical Equipment

Any non-medical equipment (e.g., hair accessories, food, drinks, etc.) requested by a player while on court must be given to an on-court official by a PHCP or Supervisor/Referee to be delivered to the player.

vii. Additional Administrative Procedures Applicable to Change of Ends or Set Break

If evaluation takes place on a change of ends, prior to "Time" being called, the Chair Umpire will ask the PHCP if she is continuing the evaluation. The PHCP will indicate:

- (a) If yes, the PHCP clearly will state if she is continuing the evaluation, or if she is starting a MTO. If the evaluation is completed before "Time" has been called, the remaining time of the change of ends may be added to the three (3) minutes for the MTO.
- (b) If no, the Chair Umpire will call "Time" at sixty (60) seconds (change of ends) or ninety (90) seconds (set break). Once "Time" is called, the player has thirty (30) seconds in which to resume play.

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

c. Medical Time-Out

A MTO is granted by the Supervisor or Chair Umpire when the PHCP has evaluated the player and has determined that additional time for medical treatment is required. The MTO takes place during a change of ends or set break, unless the PHCP determines the player has developed an acute medical condition that requires immediate medical treatment.

i. Player Allowance

A player is allowed one (1) MTO per match for each distinct treatable medical condition. The following shall be considered as one (1) treatable medical condition:

- (a) All treatable musculoskeletal injuries that manifest and are assessed as part of a kinetic chain continuum; and
- (b) Any and all clinical manifestations of heat illness and cramping subject to the following:
 - (i) A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a MTO for muscle cramping. In cases where there is doubt about whether it is (x) an acute medical condition, (y) non-acute medical condition, inclusive of muscle cramping, or (z) non-treatable medical condition, the decision of the PHCP in conjunction with the Tournament Physician, if appropriate, is final. If a player exhibits symptoms of an illness or heat illness (i.e., heat stroke or heat exhaustion) and cramping is one of the manifested symptoms, a MTO may be taken, which will be determined by the PHCP at the time of evaluation.
 - (ii) A player who has stopped play by claiming an acute medical condition, but is determined by the PHCP, in conjunction with the Tournament Physician, if appropriate, to have muscle cramping, shall be ordered by the Supervisor/Referee or Chair Umpire to resume play immediately. If the player cannot continue playing due to severe muscle cramping, the player may forfeit the point or game(s) needed to get to a change of ends or set break in order to receive treatment.* There may be a total of two (2) change of ends treatments for muscle cramping in a match, not necessarily consecutive. If it is determined by the Chair Umpire or Supervisor/Referee that gamesmanship

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

was involved, then a Code Violation for Unsportsmanlike Conduct may be issued.

*The chair umpire will announce to the players and spectators: "Miss/Mrs. ____ is requesting immediate medical treatment for cramping. She may receive this treatment only on a changeover/set break and therefore is conceding all points and games up to the next changeover/set break."

ii. Time and Duration of Treatment

Should the MTO take place, it will not exceed three (3) minutes. It shall begin after the completion and diagnosis of medical condition by the PHCP and Tournament Physician, if required, and be timed from the moment when the PHCP is ready to commence treatment.

iii. Off-Court Treatment

At the discretion of the PHCP, and for reasons of privacy and modesty, treatment during a MTO may be performed off court in the most private location nearest the court and may proceed in conjunction with the Tournament Physician.

In such a case, the Chair Umpire and/or Supervisor shall be responsible for notifying the PHCP of time remaining. At the conclusion of the three- (3) minute, off-court treatment, the player will immediately return to court.

iv. Provisions for Players with Diabetes

Players with diabetes with prior medical written certification obtained from a primary care physician or endocrinologist and submitted to the Anti-Doping Program administrator may be allowed to use devices off court to check blood sugar during the reasonable time evaluation period and administer subcutaneous injections of insulin (if needed) during the MTO.

v. Additional MTO Administrative Procedures

- (a) At the commencement of the MTO the Chair Umpire will announce publicly, "Miss/Mrs. ____ is now receiving a Medical Time-Out" and start timing.
- (b) The Chair Umpire will announce to the players and the PHCP the following:

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

- (i) "Two (2) minutes remaining."
- (ii) "One (1) minute remaining."
- (iii) "Thirty (30) seconds remaining."
- (iv) "Time" (publicly).
- (c) Should the MTO take less than the permitted three (3) minutes, the PHCP shall inform the Chair Umpire when treatment has finished, and the Chair Umpire shall announce to the players: "Treatment complete" and then publicly: "Time."
- (d) When treatment takes the full three (3) minutes, the Chair Umpire shall announce "Treatment complete" and then publicly: "Time." After "treatment complete," is announced, if needed, the player should be given the time necessary to put on her socks and shoes before "Time" is called.
- (e) If a player is unable to play after thirty (30) seconds, then the player will be subject to a Code of Conduct violation (in accordance with the Point Penalty Schedule).
- (f) At the conclusion of the MTO, the PHCP shall leave the court. The player may receive treatment on two (2) additional change of ends, which need not be consecutive, for each MTO taken.

vi. Consecutive MTOs

A total of two (2) consecutive MTOs may be allowed by the Supervisor or Chair Umpire for the special circumstance in which the PHCP determines the player has developed at the same time at least two (2) distinct treatable medical conditions.

(a) Circumstances Allowing for Consecutive MTOs

Such circumstances may include:

- (i) A medical illness in conjunction with a musculoskeletal injury; or
- (ii) Two (2) or more distinct musculoskeletal injuries.

(b) Process and Timing

In such cases, the PHCP will perform a medical evaluation for

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

the two (2) or more treatable medical conditions during a single evaluation, and may then determine that two (2) consecutive MTOs are required, advising the Chair Umpire accordingly.

The Chair Umpire will count down the MTOs separately, making appropriate announcements for the commencement of each MTO (e.g., "Miss/Mrs. ____ is taking a second Medical Time-Out").

d. Resumption of Play and Penalties for Rule Violations

After completion of a MTO or medical treatment, any delay in resumption of play shall be penalized as a Code of Conduct violation for Delay of Game.

Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct Section of the Code of Conduct.

e. Additional Administrative Procedures

i. Biohazardous Materials

The Chair Umpire will suspend play and call for the PHCP when Biohazardous Materials (blood and vomit) are present on the court. Play is suspended until the court is cleaned by the appropriate Tournament Personnel, with proper disposal of Biohazardous Materials using the Tournament-provided spill kits.

(a) Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible and call the PHCP to the court for evaluation and treatment. The PHCP, in conjunction with the Tournament Physician, if appropriate, will evaluate the source of the bleeding and request a MTO for treatment, if necessary.

If requested by the PHCP and/or Tournament Physician, the Supervisor or Chair Umpire may extend the MTO and allow up to a total of five (5) minutes to assure control of the bleeding.

If within five (5) minutes, the bleeding is not controlled, the PHCP may advise that continued play is detrimental to the player's health. In that case, the Supervisor/Referee may retire the player from the match.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

If blood has spilled onto the court or its immediate vicinity, play should not resume until the blood spill has been cleaned appropriately.

(b) Vomiting

If a player is vomiting, the Chair Umpire must stop play if vomit has spilled onto the court, or if the player requests medical evaluation.

If the player requests medical evaluation, then the PHCP shall determine if the player has a treatable medical condition.

If vomiting is continuous, the PHCP may advise that continued play is detrimental to the player's health. In that case, the Supervisor/Referee may retire the player from the match.

If vomit has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

ii. Physical Incapacity

During the match, if there is an emergency medical condition, and the player involved is unable to make a request for a PHCP, the Chair Umpire immediately shall call for the PHCP and Tournament Physician to assist the player.

Either before or during a match, if a player is considered physically unable to compete, or poses a serious health risk to players, officials, or Tournament staff, the PHCP and/or Tournament Physician should inform the Supervisor and recommend that the player be ruled unable to compete in the match to be played, or retired from the match in progress.

The Supervisor/Referee shall use great discretion before taking this action and should base the decision on the best interests of Professional Tennis, as well as taking all medical advice and any other information into consideration.

Subject to the restrictions set forth in Section IV.C.2 - Matches Scheduled Same Day, the player subsequently may compete in another event at the same tournament if the Tournament Physician determines the player's condition has improved to the extent that the player may safely physically perform at an appropriate level of play and no longer poses a serious health risk to players, officials or Tournament staff.

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

iii. Medically-Warranted Clothing Change

If during an on-court evaluation or MTO the PHCP deems it medically-warranted for the player to change her clothing, the PHCP could include this during the MTO (performed off court at the closest/most private location); otherwise, a clothing change only may be taken at the end of a set.

iv. Simultaneous Court Calls

In the event there are simultaneous court calls, when a second PHCP is not covering the Tournament, the PHCP will go to the first request, unless otherwise advised of a medical emergency.

If there are two (2) court calls on the same court the following procedure will occur:

- (a) The PHCP will go to the first request or medical emergency, administer a complete evaluation and MTO, if indicated, then;
- (b) Go to the second request and administer a complete evaluation and MTO, if indicated; and
- (c) The PHCP will rotate treatments on the change of ends, if necessary, beginning with the player who had the first request, until the process is complete.

In the event the PHCP determines both court calls to be muscle cramping, the PHCP will treat the player who had the first request for sixty (60) seconds (as timed by the Chair Umpire) and then treat the second player for the remaining sixty (60) seconds of the 120 second change of ends, or treat each player for ninety (90) seconds during a set break.

v. Warm-Up Period

With regard to the Medical Rule, the match includes both the warm-up and play; thus, any medical condition incurred during the warm-up is considered a medical condition during the match.

If a player sustains an acute treatable medical condition during the warm-up that prevents the player from starting the match as scheduled, the player can receive either a MTO or ninety- (90) second treatment period at the end of the warm-up, prior to the start of the match.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

If the MTO is taken during the warm-up, the five- (5) minute warm-up shall be suspended until the conclusion of the MTO. If it is clear the player is not physically able to compete after receiving treatment, then the match should not begin.

6. Extreme Weather Conditions and Lightning

a. Definitions

i. Measurement Methods

Extreme Weather Conditions shall be defined as when the Heat Stress Index (Wet-Bulb Globe Temperature (WBGT)) meets or exceeds the levels stated below for Extreme Weather Conditions - Modification of Play and Extreme Weather Conditions - Suspension of Play. Extreme Heat Condition – Modification of Play											
Extreme Heat Condition – Suspension of Play											

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

ii. Modification of Play

Extreme Weather Condition - Modification of Play shall be defined as when the Heat Stress Index (WBGT) meets or exceeds 30.1 degrees Celsius/86.2 degrees Fahrenheit or when the Heat Index (Apparent Temperature) meets or exceeds 34.0 degrees Celsius/93.2 degrees Fahrenheit.

iii. Suspension of Play

Extreme Weather Condition - Suspension of Play shall be defined as when the Heat Stress Index (WBGT) meets or exceeds 32.2 degrees Celsius/90.0 degrees Fahrenheit or when the Heat Index (Apparent Temperature) meets or exceeds 40.1 degrees Celsius/104.2 degrees Fahrenheit.

b. Procedures for Measuring/Monitoring Weather Conditions

The WBGT Index or Apparent Temperature should be measured by the PHCP a minimum of three (3) times, and a maximum of five (5) times, per day. The readings will be determined by the PHCP and the Supervisor prior to the start of play and will be posted in the Supervisor's office. Measurements should be taken every two (2) hours, but at a minimum, three (3) readings should be taken at the following times:

- i. One-half hour before match play begins;
- ii. Middle of the scheduled day; and
- iii. Just prior to beginning of the last match of the day, or prior to the start of the first evening match.

The WBGT Index or Apparent Temperature also should be measured under the following circumstances:

- iv. Following any suspension of play; and
- v. At the discretion of the Supervisor, in consultation with the Tournament Physician and/or PHCP.

c. Modification of Play Timing and Weather Condition Change

When the Extreme Weather Condition Modification of Play is in effect before the start of a match, the procedures set out below in sub-Section d, shall be followed.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

In the event that during the day there is a change in weather conditions as determined by this periodic monitoring, the Extreme Weather Condition Rule can be put into effect at any time on all courts, including matches already in progress. Once notified that the Extreme Weather Condition Rule is in effect, the Chair Umpire must inform the players at the next opportunity, no later than the next change of ends.

If there is a sudden change in weather conditions and the Rule is lifted, those matches already in progress will continue under the Extreme Weather Condition Rule. In the case of rain or interruption to play, the Supervisor and PHCP can re-assess the Extreme Weather Condition Rule.

d. Modification of Play Procedures, Singles

A 10-minute break will be allowed between the second and third sets if either player requests such a break. If neither player requests such a break, then play will continue.

The Supervisor, in consultation with the PHCP, also may choose to delay the starting time for matches until such a time as the Extreme Weather Condition Modification of Play no longer is in effect.

i. During the ten (10) minute break

- (a) A player may leave the court for a toilet or change of attire break and it will not be counted toward her allotment of toilet/change of attire breaks.
- (b) On-court coaching will be allowed (ninety (90) seconds within the ten (10) minutes, either at the start or end of the break).
- (c) During televised matches, the Host Broadcaster will be allowed to interview the on-court coaches.
- (d) Medical evaluations, MTOs, or medical treatments will not be allowed, unless approved by the Referee/Supervisor prior to leaving the court or before the end of the second set, in which case treatment may be conducted off court.

A player, however, may be allowed to receive an adjustment of medical support (including re-taping), medical equipment, and/or medical advice from the PHCP.

ii. Immediately following the ten (10) minute break

- (a) Any delay in resumption of play shall subject a player to back-to-

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

back Time Violations in accordance with Section VII.G.

- (b) No re-warm up will be allowed. (This rule also applies to any toilet or change of attire breaks allowed during the match.)
- (c) A player may not receive medical evaluations, MTOs, or medical treatments, unless approved by the Referee/Supervisor prior to leaving the court or before the end of the second set.

iii. Consecutive Breaks

An Extreme Weather Condition ten (10) minute break and a Bathroom/Change of Attire break may not be taken consecutively.

e. Suspension of Play Procedures

When the Extreme Weather Condition Suspension of Play is in effect, the Supervisor, in consultation with the Tournament Physician, PHCP, and Tournament Director, may suspend play according to the suspension policy then in effect, until the temperature falls below the criterion for Suspension of Play.

f. Lightning

The Supervisor has the authority to suspend play when lightning is sighted. Play shall resume when the likelihood of a lightning strike has passed.

7. Consecutive Withdrawals

See Section IV.A.7 - Consecutive Withdrawals.

C. ELECTRONIC REVIEW

1. Required Use

A WTA-approved electronic system for reviewing line calls and/or overrules ("ELC System") is authorized for use at WTA Tournaments with the court surface for which the ELC System was approved.

a. WTA/ATP Combined WTA 1000 Tournaments

Use of an ELC System is required at minimum on center court during the Main Draw at all WTA 1000 hard court Tournaments. In addition, if a court will be equipped with an ELC System for the Main Draw and that court

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

also will be used for Qualifying, then the ELC System is required to be used on that court during Qualifying.

- b. All Other WTA 1000 and WTA 500 Tournaments

Use of an ELC System is required at minimum on center court for the Main Draw at all WTA 1000 and WTA 500 hard and grass court Tournaments.

2. Reviewable Points

A request for an Electronic Review of a line call or overrule by a player (team) shall be allowed only on either a point-ending shot or when a player (team) stops playing the point during a rally. (Returns are permitted, but then the player immediately must stop.)

3. Doubles Appeal to Chair Umpire

In doubles, the appealing player must make her appeal in such a way that either play stops or the Chair Umpire stops play. If an appeal is made to the Chair Umpire, then he/she must first determine that the correct appeal procedure was followed. If it was not correct, or if it was late, then the Chair Umpire may determine that the opposing team was hindered deliberately, in which case the appealing team loses the point.

4. Number of Challenges Allowed

Each player (team) shall receive three (3) incorrect challenges per set and one (1) extra challenge in case of a tie-break. In doubles, when a ten (10) point match tie-break is played in lieu of a final set, the number of challenges is reset to three (3) at the beginning of the match tie-break.

5. Additional Challenge for Tie-Break Game

During the tie-break game in any set, each player (team) shall receive one (1) additional challenge. This is in addition to any challenges not lost, if any, during the set.

6. Clear Communication to Umpire of Intent to Challenge

To challenge a line call or overrule, the player must show to the Chair Umpire an immediate interest in making a challenge and must do so in a timely manner. The player must make her intention to challenge known to the Chair Umpire either verbally or visually (e.g., by using her racquet, arm, or hand). The Chair Umpire will:

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

- a. Reconfirm with the player her intent to challenge;
- b. Confirm that the player has challenges remaining; and
- c. Proceed with the Electronic Review.

7. No Electronic Review Decision Available

The original call or overrule always will stand if the Electronic Review is unable, for whatever reason, to make a decision on that line call or overrule. In this case, the player shall not have her available number of challenges reduced.

8. Electronic Review in Lieu of Call from On-Court Officials

If there is no call made from the on-court officials (unsighted Line Umpire, and Chair Umpire cannot make the call) on a point-ending shot, the Chair Umpire may call for a review, and the result of the review will not affect the remaining challenges of either player.

9. Final Decision

The decision of the Electronic Review is final and cannot be appealed. In the situation where the written ruling (IN/OUT) on the video board differs from the graphic shown (ball mark digital imagery), then the ball mark imagery determines whether the ball is IN or OUT, not the written ruling, however, the Chair Umpire must contact the review official to get the final confirmation on the call.

10. Review Official

A certified official, approved by the Supervisor, shall act as the review official, whose duties shall include, but are not limited to:

- a. Determining which impact shall be reviewed by the system.
- b. Monitoring the system to ensure it is functioning properly.
- c. Notifying the Chair Umpire immediately in the case of a system failure or any other condition that prohibits or brings into question the ability of the system to review a challenged call. In this case, the Chair Umpire immediately shall notify both players that review is not available until further notice.
- d. Acting as the final authority on the number of challenges each player has remaining. Communicating with the Chair Umpire, at first possible

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

opportunity, when one (1) challenge is left, and confirming the one (1) remaining challenge.

The review official and supporting technology staff shall be located within the stadium or arena in a secured area and with an unobstructed view of the court.

11. Video Board

For each court that is using a review system, there shall be a minimum of one (1) video board, of sufficient size, located in a position where the Chair Umpire, players, and spectators may view the results of the challenge.

12. Review Booth

The following specifications are recommended for the electronic system review booth:

- a. The booth must be located in direct line of sight to the court, in order to provide an unobstructed view of the court. It should preferably be at the back (North or South end) of the court when possible.
- b. The Review Official must have a full view of the whole court and line umpires.
- c. The booth must have direct audio from the Chair Umpire's microphone (not from the television feed).
- d. The Review Official should be able to hear the line umpire calls from the court.
- e. The booth must have room for five (5) persons plus equipment (minimum of 25 sq. meters (82 sq. feet) with a minimum court frontage of 5 meters (16.5 feet) as required by review vendor).
- f. The booth should have full air conditioning for equipment and personnel, unless technically unable to do so, and approved by the WTA and the vendor.
- g. Access to the booth must be reasonably easy and safe.
- h. Appropriate communication with the Supervisor, Chair Umpire, and Video Board operator (if not in the same room) must be available.
- i. Tables, chairs, and high stools must be provided as requested by the ELC team.

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

D. ON-COURT COACHING¹

Provided the following rules and procedures are followed, a player may request that her coach go on-court during a match to provide coaching.

1. Designation Procedures

- a. A player must designate her on-court coach prior to the start of her match or before going back on court to finish a suspended match (same or different day). A player can designate her on-court coach by signing in with the Supervisor in the on-site WTA office.
- b. For doubles, both players may designate an on-court coach; however, only one (1) coach is permitted on court at a time.
- c. A player can change her designated on-court coach during the week but can only designate one (1) on-court coach per match, unless the match is suspended and the originally designated coach is unavailable when the match resumes (same or different day), in which case the player can designate a different coach.
- d. To be eligible as an on-court coach, the coach must (i) complete and sign a Player Support Team form (one time only); and (ii) sign-in with the on-site WTA office before the start of the match.

2. On-Court Coaches

- a. On-court coaches are subject to Code of Conduct, including the provisions relating to player on-court behavior (see Section XVII.D.4).
- b. On-court coaches should dress and present themselves in a professional manner. They must wear appropriate and clean tennis attire. Whether a coach is dressed professionally shall be at the sole discretion of the Supervisor and Referee and shall not be appealable. If a coach is asked to change and fails to do so, it shall result in his/her on-court coaching privileges being removed for that match.
- c. Microphones

On World Feed Courts, on-court coaches shall wear a microphone to capture their on-court coaching and conversations with their players, which may be used for television broadcasts.

- i. On-court coaches must be available in the Players Lounge fifteen (15) minutes prior to the match for the microphone to be fitted. No coach

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

will be allowed on a World Feed Court court if he/she is not wearing a microphone.

- ii. If an on-court coach is not wearing the microphone on his or her clothing appropriately (e.g., as fitted prior to the match) or has his or her microphone switched off or otherwise obstructed during the on-court coaching time-out:
 - (a) the on-court coach will not be allowed to participate in on-court coaching for the remainder of that Tournament and for the following WTA Tournament at which he or she coaches any player(s); and
 - (b) each player who designated the on-court coach as her coach for the Tournament at which the violation occurred will not be allowed to receive on-court coaching (and may not designate a different coach) for the remainder of that Tournament and during the following WTA Tournament in which she participates.

An on-court coach's microphone may be switched off while he or she is sitting in the stands.

- d. On-court coaches may converse in their chosen language.
- e. On-court coaches should sit in the designated coaching seats to allow easy and quick access to the court. The coach must use the official court entrance to get onto the court and can under no circumstances climb the stands or jump over fences, which may result in his/her on-court coaching privileges being removed.
- f. On-court coaches shall only provide advice during the on-court coaching period and are not permitted to bring any articles (i.e., food, drinks, tennis equipment, or medical supplies) onto the court to provide to their player(s), unless any such articles have been seen and approved by the Chair Umpire. Notes and official WTA authorized electronic devices may be brought onto the court but may not be left with the player.
- g. On-court coaches must leave the court immediately upon the Chair Umpire announcing "Time."
- h. On-court coaches may not provide coaching or communicate with a player outside of the court.

Coaches are subject to the normal coaching rules outside the on-court coaching procedures and may be penalized in accordance to the Point Penalty Schedule for Coaching.

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

3. On-Court Coaching Requests

- a. On-court coaching requests must be made to the Chair Umpire.
- b. During a match, a player can request her coach at the following times:
 - i. Once per set (either on a change of ends or at the end of a set). A set break will count as part of the set that just finished;*
 - ii. When her opponent takes a change of attire/toilet break, or asks for a PHCP except in the following cases:
 - (a) change of ends treatments (i.e., the two (2) additional change of ends following an MTO or the two (2) change of ends for muscle cramping);
 - (b) call for re-taping during the regular change of ends time; or
 - (c) medication delivery during the regular change of ends time.

On-court coaching can start from when the PHCP is called to court or when the player leaves the court, respectively.

- iii. In accordance with the Extreme Weather Condition Rule (ninety (90) seconds within the ten (10) minutes, either at the start or end of the break).

* In addition to the coaching requests of the previous set, doubles teams may see their coaches before the start of the match tie-break played instead of the third set.

- c. If a player makes an on-court coaching request without her opponent asking for a PHCP or taking a change of attire/toilet break, such request will count as her one (1) allowed on-court coaching request for that set, regardless of whether her opponent also makes a request for her coach.
- d. During a match, a player can only make one (1) of the following requests at the same time: (i) on-court coaching request; (ii) request for a PHCP; or (iii) request for a toilet/change of attire break.
- e. In doubles, if one partner leaves the court for a toilet break, her partner on-court may not request to see her coach at the same time, however their opponents may request to see their coach.

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

4. Chair Umpire

- a. Prior to the start of a match, the Chair Umpire shall confirm that a player has a designated coach for on-court coaching.
- b. During the pre-match meeting, the Chair Umpire may include a brief explanation of the on-court coaching procedures if necessary and shall confirm that both, one, or none of the players have a designated coach for the match.
- c. The following procedures shall apply when an on-court coaching time is taken:
 - i. The player shall request through the Chair Umpire her desire to have her designated coach on the court. The Chair Umpire will confirm to the player whether the request is granted or not.
 - ii. The Chair Umpire shall immediately announce over the microphone: "Miss/Mrs. ____ has requested to see her coach."
 - iii. The Chair Umpire will monitor the timing of the change of ends, set break, change of attire/toilet break, or MTO as per normal procedure and will call "Time" at sixty (60)/ninety (90) seconds or later if on a World Feed court (change of ends/set break) or at the end of the change of attire/toilet break/MTO. If a player receiving on-court coaching is not ready to play within thirty (30) seconds of the Chair Umpire calling "Time," the delay will be penalized in accordance with the Point Penalty Schedule for a Delay of Game.
- iv. If the Extreme Weather Rule is in effect and:
 - (a) One or both players want to take the ten (10) minute break after the second set, then they can only receive on-court coaching for a maximum of ninety (90) seconds, which has to be taken on-court either at the beginning of the ten (10) minute break or at the end of it (choice of the player); however, the coaching time will be included in the ten (10) minutes. The Chair Umpire shall time the ninety (90) seconds and ask the coach to leave the court at the conclusion of the allowed on-court coaching time.
 - (b) If none of the players want to take the ten (10) minute break, the normal set-break procedures will apply.
- v. Only WTA-approved personnel are permitted to provide treatment on-court, any actions interpreted as treatment by a coach during the

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

on-court coaching may be penalized in accordance with the Point Penalty Schedule for Unsportsmanlike Conduct.

- vi. Immediately after completion of a match, the Chair Umpire should return the completed On-Court Coaching Umpire Work Sheet to the WTA office.

Any concerns about on-court coaching/personnel on-court should be communicated directly to the Supervisor/Referee.

5. Television

- a. On World Feed Courts, where coaches are required to wear microphones and additional microphones (booms) are provided around the player's chair to capture the on-court coaching, broadcasters are not required to delay the on-court coaching until play commences and may air the on-court coaching live, subject to certain limitations.
- b. Only conversations related to coaching (e.g., strategic, tactical, and emotional advice) shall be broadcasted. Conversations relating to injuries or personal matters and extended emotional outbursts shall not be aired.
- c. Audio broadcasts of on-court coaching in the stadium are not permitted.
- d. Audio and audiovisual broadcasts of coaches via their on-court coaching microphones while they are not providing on-court coaching are not permitted.
- e. When the Extreme Weather Condition Rule is in effect, coaches shall be available to conduct an interview with the Host Broadcaster either during the match or within the ten (10) minute break.

3. Overspill

The natural and incidental reception of broadcast and streaming transmissions from either the WTA or its licensees within the Domestic Area or a Tournament or its licensees outside of the Domestic Area will not (a) constitute a violation of these Standards as long as there is no marketing, promotion, advertising, or support of such Overspill, or (b) give rise to any additional payments by the WTA to a Tournament or any damages, remedies, setoff rights, or holdback rights.

4. Match Schedule

- a. At least 120 days before the commencement of a Tournament, the Tournament shall provide the WTA (and its designees) with a preliminary outline of the times of the Produced Matches, which outline may change.

In addition, if the Host Broadcaster or production partner chooses to deliver the Dirty Feed from the on-site Graphics office to the Clean Feed point of origin, the Host Broadcaster or production partner must provide all necessary cabling for such delivery. The WTA (or its designees) is responsible for the cabling necessary to carry the Dirty Feed from the on-site Graphics Office to the on-site transmission point; provided, however, that each Tournament shall introduce the WTA (or its designees) to its facilities provider(s) so that the WTA (or its designees) may contract directly with such facilities provider(s) for such cabling.

 - i. A specific start time, or an appropriate not before time, must be designated for all quarterfinal, semifinal, and final Matches. In the event that two (2) quarterfinal or semifinal Matches are scheduled to run back-to-back, a specific start time, or not before time, must only be specified for the first Match.
 - ii. A not before time must be specified if a doubles semifinal or final Match will precede a Match and at combined events where an ATP match precedes a Match. Unless otherwise approved by the Supervisor, a minimum of two hours (2:00) should be allowed for each preceding match before scheduling the not before time for a regular Match and a minimum of two and a half hours (2:30) should be allowed for each preceding Match before scheduling a not before time for a singles semifinal or final.

(a) Camera 1

Provides a traditional master shot and must be positioned high up in the stands (center court line).

Positioning must be correct for optimal main angle camera coverage. In order to calculate this, a guideline ratio of 4:1 should be used, where 4 is the distance from the base of the net to the bottom of the camera platform and 1 is the height of the camera lens from the ground. This gives an angle of 12 degrees.

(b) Camera 2

Provides coverage/close up and must be positioned approximately three (3) rows lower below Camera 1 (center court line) either in a central position or an off center position toward the side where Cameras 3 and 4 are positioned. The camera's position should give the effect of looking over the player's shoulder as she serves from that side of the court.

(c) Cameras 3 and 4

Provide player close-ups for cutting into coverage and isos and may be positioned courtside on the same or opposite side from where the players sit down on the change of ends. The camera objective lens height should be approximately one (1) meter.

(d) Camera 5

Low-angle camera positioned on court behind the baseline, in line with the sideline.

b. Tripods, Camera Mounts, and Irises

- iii. If the Tournament is held indoors, the Tournament shall cause the use of strobe lights on any "still" photographic equipment to be discouraged at the site. The best type of lamp source is a tungsten lamp with a color temperature of 3200 Kelvin. The tungsten light source offers a far more stable color temperature than discharge lamps and is far more reliable. The most suitable luminaries are flood lights with a symmetrical reflector and 1.5 kw. Depending upon the reflective values of surfaces within the area and the distance between the luminaries and the playing surface, 60-80 (30-40 on each side) luminaries are required. g. Commentary Positions

i. Each Tournament shall, at no cost to the WTA (or its designees), and if not otherwise prohibited by Host Broadcaster or other agreements, provide to the WTA (and its designees) all physical space and utilities reasonably necessary to permit one (1) or more on-camera unilateral commentary positions at the site of the Tournament for foreign language broadcasts.

The WTA (and its designees) must not be charged more than the Tournament's cost for all such production facilities (including power) and production space. The following outlines the standard production facilities and production space requirements:
 - (a) Transmission Office: Office space within the TV compound, which is at least 10 feet x 15 feet and contains two (2) long work tables (approximately 6 feet x 3 feet), seven (7) chairs, access to four (4) power outlets, Host Broadcaster cabling of the Clean Feed (including back-up feed), a configurable 31" multi-view HD, two (2) cabled high-speed internet line connections, and access to a minimum 4 Mbps wireless internet connection via a router in the Transmission Office. APPENDIX E

ROOF POLICY

General Conditions:

- WTA Tournaments played outdoors may have one (1) or more courts with a retractable roof, allowing play to continue or be resumed even when inclement weather affects the Tournament.
- Tournaments with retractable roofs shall remain primarily outdoor events. Wherever practicable, the conditions on courts with retractable roofs shall be the same as those on all other courts.
- When the roof on a court is open, the two (2) moveable halves shall be positioned as determined by the Supervisor based on the site's configuration.
- At combined events, the Supervisor, in consultation with the ATP supervisor, shall make all decisions concerning the closing, re-opening, and positioning of the roof.

Rain:

- In the event of rain falling prior to the scheduled start of play, the roof shall remain closed for the duration of the match.
- If the rain stops or the weather forecast is good, the roof may be opened after the match in progress is completed. Decisions on re-opening the roof will be made on a match-by-match basis depending upon current conditions and the weather forecast.
- If play commences with the roof closed, the roof shall remain closed for the remainder of such match. A decision may be made to open the roof for the following scheduled matches.
- If play commences with the roof open, a decision to close the roof will normally be made after play has stopped due to rain, although if other factors warrant the roof to be closed prior to play being stopped, the Supervisor shall make such decision.
- In general, the roof will not be closed because of a threat of rain.
- In the event high winds of a sufficient capacity to harm the retractable roof are forecasted with reasonable certainty, the roof may be closed prior to the start of the match. The reverse is applicable when the roof is closed and high winds or other conditions necessitate, for safety reasons, that the roof be reopened.

APPENDIX E

ROOF POLICY

- Changes to the order of play, including the completion of an unfinished match on a different court than the one on which it started, may be authorized in exceptional circumstances in the best interests of completing a Tournament on schedule.

Darkness:

- If the roof must be partially closed in order for the lights to work properly, then the roof must be partially closed prior to the start of the match. The Supervisor will determine the exact time of day after which the roof will be closed for this purpose.

Cold:

- In the event the temperature is below 50F/10C prior to the start of a match, in order to enhance the fan experience, the roof may be closed as directed by the Supervisor. Decisions on whether to close the roof for cold will be made on a match-by-match basis.

FOREWORD

The International Tennis Federation (ITF) is the governing body of the game of tennis and its duties and responsibilities include protecting the integrity of the game through determination of the Rules of Tennis.

To assist the ITF in carrying out this responsibility, the ITF has appointed a Rules of Tennis Committee which continually monitors the game and its rules, and when considered necessary makes recommendations for changes to the Board of Directors of the ITF who in turn make recommendations to the Annual General Meeting of the ITF which is the ultimate authority for making any changes to the Rules of Tennis.

Appendix V lists approved alternative procedures and scoring methods. In addition, on its own behalf or on application by interested parties, certain variations to the rules may be approved by the ITF for trial purposes only at a limited number of tournaments or events and/or for a limited time period. Such variations are not included in the published rules and require a report to the ITF on the conclusion of the approved trial.

Note: *If there are any inconsistencies between the English version and Rules of Tennis translated into other languages, the English version shall prevail.*

APPENDIX J

ITF RULES OF TENNIS

1. THE COURT

The court shall be a rectangle, 78 feet (23.77 m) long and, for singles matches, 27 feet (8.23 m) wide. For doubles matches, the court shall be 36 feet (10.97 m) wide.

The court shall be divided across the middle by a net suspended by a cord or metal cable which shall pass over or be attached to two net posts at a height of 3½ feet (1.07 m). The net shall be fully extended so that it completely fills the space between the two net posts and it must be of sufficiently small mesh to ensure that a ball cannot pass through it. The height of the net shall be 3 feet (0.914 m) at the centre, where it shall be held down tightly by a strap. A band shall cover the cord or metal cable and the top of the net. The strap and band shall be completely white.

- The maximum diameter of the cord or metal cable shall be 1/3 inch (0.8 cm).
- The maximum width of the strap shall be 2 inches (5 cm).
- The band shall be between 2 inches (5 cm) and 2½ inches (6.35 cm) deep on each side.

For doubles matches, the centres of the net posts shall be 3 feet (0.914 m) outside the doubles court on each side.

For singles matches, if a singles net is used, the centres of the net posts shall be 3 feet (0.914 m) outside the singles court on each side. If a doubles net is used, then the net shall be supported, at a height of 3½ feet (1.07 m), by two singles sticks, the centres of which shall be 3 feet (0.914 m) outside the singles court on each side.

- The net posts shall not be more than 6 inches (15 cm) square or 6 inches (15 cm) in diameter.
- The singles sticks shall not be more than 3 inches (7.5 cm) square or 3 inches (7.5 cm) in diameter.
- The net posts and singles sticks shall not be more than 1 inch (2.5 cm) above the top of the net cord.

The lines at the ends of the court are called baselines and the lines at the sides of the court are called sidelines.

Two lines shall be drawn between the singles sidelines, 21 feet (6.40 m) from each side of the net, parallel with the net. These lines are called the

APPENDIX J

ITF RULES OF TENNIS

servicelines. On each side of the net, the area between the serviceline and the net shall be divided into two equal parts, the service courts, by the centre serviceline. The centre serviceline shall be drawn parallel with the singles sidelines and half way between them.

Each baseline shall be divided in half by a centre mark, 4 inches (10 cm) in length, which shall be drawn inside the court and parallel with the singles sidelines.

- The centre serviceline and centre mark shall be 2 inches (5 cm) wide.
- The other lines of the court shall be between 1 inch (2.5 cm) and 2 inches (5 cm) wide, except that the baselines may be up to 4 inches (10 cm) wide.

All court measurements shall be made to the outside of the lines and all lines of the court shall be of the same colour clearly contrasting with the colour of the surface.

No advertising is allowed on the court, net, strap, band, net posts or singles sticks except as provided in Appendix IV.

In addition to the court described above, the court designated as “Red” and the court designated as “Orange” in Appendix VII can be used for 10 and under tennis competition.

Note: Guidelines for minimum distances between the baseline and backstops and between the sidelines and sidestops can be found in Appendix IX.

2. PERMANENT FIXTURES

The permanent fixtures of the court include the backstops and sidestops, the spectators, the stands and seats for spectators, all other fixtures around and above the court, the chair umpire, line umpires, net umpire and ball persons when in their recognised positions.

In a singles match played with a doubles net and singles sticks, the net posts and the part of the net outside the singles sticks are permanent fixtures and are not considered as net posts or part of the net.

3. THE BALL

Balls, which are approved for play under the Rules of Tennis, must comply with the specifications in Appendix I.

The International Tennis Federation shall rule on the question of whether any ball or prototype complies with Appendix I or is otherwise approved,

APPENDIX J

ITF RULES OF TENNIS

or not approved, for play. Such ruling may be taken on its own initiative, or upon application by any party with a bona fide interest therein, including any player, equipment manufacturer or National Association or members thereof. Such rulings and applications shall be made in accordance with the applicable Review and Hearing Procedures of the International Tennis Federation.

The event organisers must announce in advance of the event:

- a. The number of balls for play (2, 3, 4 or 6).
- b. The ball change policy, if any.

Ball changes, if any, can be made either:

- i. After an agreed odd number of games, in which case, the first ball change in the match shall take place two games earlier than for the rest of the match, to make allowance for the warm-up. A tie-break game counts as one game for the ball change. A ball change shall not take place at the beginning of a tie-break game. In this case, the ball change shall be delayed until the beginning of the second game of the next set; or
- ii. At the beginning of a set

If a ball gets broken during play, the point shall be replayed.

Case 1: If a ball is soft at the end of a point, should the point be replayed?

Decision: If the ball is soft, not broken, the point shall not be replayed.

Note: Any ball to be used in a tournament which is played under the Rules of Tennis, must be named on the official ITF list of approved balls issued by the International Tennis Federation.

4. THE RACKET

Rackets, which are approved for play under the Rules of Tennis, must comply with the specifications in Appendix II.

The International Tennis Federation shall rule on the question of whether any racket or prototype complies with Appendix II or is otherwise approved, or not approved, for play. Such ruling may be undertaken on its own initiative, or upon application by any party with a bona fide interest therein, including any player, equipment manufacturer or National Association or members thereof. Such rulings and applications shall be made in accordance with the applicable Review and Hearing Procedures of the International Tennis Federation.

APPENDIX J

ITF RULES OF TENNIS

Case 1: Is more than one set of strings allowed on the hitting surface of a racket?

Decision: No. The rule mentions a pattern (not patterns) of crossed strings. (See Appendix II)

Case 2: Is the stringing pattern of a racket considered to be generally uniform and flat if the strings are on more than one plane?

Decision: No.

Case 3: Can vibration damping devices be placed on the strings of a racket? If so, where can they be placed?

Decision: Yes, but these devices may only be placed outside the pattern of the crossed strings.

Case 4: During a point, a player accidentally breaks the strings. Can the player continue to play another point with this racket?

Decision: Yes, except where specifically prohibited by event organisers.

Case 5: Is a player allowed to use more than one racket at any time during play?

Decision: No.

Case 6: Can a battery that affects playing characteristics be incorporated into a racket?

Decision: No. A battery is prohibited because it is an energy source, as are solar cells and other similar devices.

5. SCORE IN A GAME

a. Standard game

A standard game is scored as follows with the server's score being called first:

No point	-	"Love"
First point	-	"15"
Second point	-	"30"
Third point	-	"40"
Fourth point	-	"Game"

APPENDIX J

ITF RULES OF TENNIS

except that if each player/team has won three points, the score is “Deuce”. After “Deuce”, the score is “Advantage” for the player/team who wins the next point. If that same player/team also wins the next point, that player/team wins the “Game”; if the opposing player/team wins the next point, the score is again “Deuce”. A player/team needs to win two consecutive points immediately after “Deuce” to win the “Game”.

b. Tie-break game

During a tie-break game, points are scored “Zero”, “1”, “2”, “3”, etc. The first player/team to win seven points wins the “Game” and “Set”, provided there is a margin of two points over the opponent(s). If necessary, the tie-break game shall continue until this margin is achieved.

The player whose turn it is to serve shall serve the first point of the tie-break game. The following two points shall be served by the opponent(s) (in doubles, the player of the opposing team due to serve next). After this, each player/team shall serve alternately for two consecutive points until the end of the tie-break game (in doubles, the rotation of service within each team shall continue in the same order as during that set).

The player/team whose turn it was to serve first in the tie-break game shall be the receiver in the first game of the following set.

Additional approved alternative scoring methods can be found in Appendix V.

6. SCORE IN A SET

There are different methods of scoring in a set. The two main methods are the “Advantage Set” and the “Tie-break Set”. Either method may be used provided that the one to be used is announced in advance of the event. If the “Tie-break Set” method is to be used, it must also be announced whether the final set will be played as a “Tie-break Set” or an “Advantage Set”.

a. “Advantage Set”

The first player/team to win six games wins that “Set”, provided there is a margin of two games over the opponent(s). If necessary, the set shall continue until this margin is achieved.

b. “Tie-break Set”

The first player/team to win six games wins that “Set”, provided there is a margin of two games over the opponent(s). If the score reaches six games all, a tie-break game shall be played.

Additional approved alternative scoring methods can be found in Appendix V.

APPENDIX J

ITF RULES OF TENNIS

7. SCORE IN A MATCH

A match can be played to the best of 3 sets (a player/team needs to win 2 sets to win the match) or to the best of 5 sets (a player/team needs to win 3 sets to win the match).

Additional approved alternative scoring methods can be found in Appendix V.

8. SERVER & RECEIVER

The players/teams shall stand on opposite sides of the net. The server is the player who puts the ball into play for the first point. The receiver is the player who is ready to return the ball served by the server.

Case 1: Is the receiver allowed to stand outside the lines of the court?

Decision: Yes. The receiver may take any position inside or outside the lines on the receiver's side of the net.

9. CHOICE OF ENDS & SERVICE

The choice of ends and the choice to be server or receiver in the first game shall be decided by toss before the warm-up starts. The player/team who wins the toss may choose:

- a. To be server or receiver in the first game of the match, in which case the opponent(s) shall choose the end of the court for the first game of the match; or
- b. The end of the court for the first game of the match, in which case the opponent(s) shall choose to be server or receiver for the first game of the match; or
- c. To require the opponent(s) to make one of the above choices.

Case 1: Do both players/teams have the right to new choices if the warm-up is stopped and the players leave the court?

Decision: Yes. The result of the original toss stands, but new choices may be made by both players/teams.

10. CHANGE OF ENDS

The players shall change ends at the end of the first, third and every subsequent odd game of each set. The players shall also change ends at the end of each set unless the total number of games in that set is even, in which

APPENDIX J

ITF RULES OF TENNIS

case the players change ends at the end of the first game of the next set.

During a tie-break game, players shall change ends after every six points.

Additional approved alternative procedures can be found in Appendix V.

11. BALL IN PLAY

Unless a fault or a let is called, the ball is in play from the moment the server hits the ball, and remains in play until the point is decided.

12. BALL TOUCHES A LINE

If a ball touches a line, it is regarded as touching the court bounded by that line.

13. BALL TOUCHES A PERMANENT FIXTURE

If the ball in play touches a permanent fixture after it has hit the correct court, the player who hit the ball wins the point. If the ball in play touches a permanent fixture before it hits the ground, the player who hit the ball loses the point.

14. ORDER OF SERVICE

At the end of each standard game, the receiver shall become the server and the server shall become the receiver for the next game.

In doubles, the team due to serve in the first game of each set shall decide which player shall serve for that game. Similarly, before the second game starts, their opponents shall decide which player shall serve for that game. The partner of the player who served in the first game shall serve in the third game and the partner of the player who served in the second game shall serve in the fourth game. This rotation shall continue until the end of the set.

15. ORDER OF RECEIVING IN DOUBLES

The team which is due to receive in the first game of a set shall decide which player shall receive the first point in the game. Similarly, before the second game starts, their opponents shall decide which player shall receive the first point of that game. The player who was the receiver's partner for the first point of the game shall receive the second point and this rotation shall continue until the end of the game and the set.

After the receiver has returned the ball, either player in a team can hit the ball.

APPENDIX J

ITF RULES OF TENNIS

Case 1: Is one member of a doubles team allowed to play alone against the opponents?

Decision: No.

16. THE SERVICE

Immediately before starting the service motion, the server shall stand at rest with both feet behind (i.e. further from the net than) the baseline and within the imaginary extensions of the centre mark and the sideline.

The server shall then release the ball by hand in any direction and hit the ball with the racket before the ball hits the ground. The service motion is completed at the moment that the player's racket hits or misses the ball. A player who is able to use only one arm may use the racket for the release of the ball.

17. SERVING

When serving in a standard game, the server shall stand behind alternate halves of the court, starting from the right half of the court in every game.

In a tie-break game, the service shall be served from behind alternate halves of the court, with the first served from the right half of the court.

The service shall pass over the net and hit the service court diagonally opposite, before the receiver returns it.

18. FOOT FAULT

During the service motion, the server shall not:

- a. Change position by walking or running, although slight movements of the feet are permitted; or
- b. Touch the baseline or the court with either foot; or
- c. Touch the area outside the imaginary extension of the sideline with either foot; or
- d. Touch the imaginary extension of the centre mark with either foot.

If the server breaks this rule it is a "Foot Fault".

Case 1: In a singles match, is the server allowed to serve standing behind the part of the baseline between the singles sideline and the doubles sideline?

APPENDIX J

ITF RULES OF TENNIS

Decision: No.

Case 2: Is the server allowed to have one or both feet off the ground?

Decision: Yes.

19. SERVICE FAULT

The service is a fault if:

- a. The server breaks Rules 16, 17 or 18; or
- b. The server misses the ball when trying to hit it; or
- c. The ball served touches a permanent fixture, singles stick or net post before it hits the ground; or
- d. The ball served touches the server or server's partner, or anything the server or server's partner is wearing or carrying.

Case 1: After tossing a ball to serve, the server decides not to hit it and catches it instead. Is this a fault?

Decision: No. A player, who tosses the ball and then decides not to hit it, is allowed to catch the ball with the hand or the racket, or to let the ball bounce.

Case 2: During a singles match played on a court with net posts and singles sticks, the ball served hits a singles stick and then hits the correct service court. Is this a fault?

Decision: Yes.

20. SECOND SERVICE

If the first service is a fault, the server shall serve again without delay from behind the same half of the court from which that fault was served, unless the service was from the wrong half.

21. WHEN TO SERVE & RECEIVE

The server shall not serve until the receiver is ready. However, the receiver shall play to the reasonable pace of the server and shall be ready to receive within a reasonable time of the server being ready.

A receiver who attempts to return the service shall be considered as being ready. If it is demonstrated that the receiver is not ready, the service cannot be called a fault.

APPENDIX J
ITF RULES OF TENNIS

22. THE LET DURING A SERVICE

The service is a let if:

- a. The ball served touches the net, strap or band, and is otherwise good; or, after touching the net, strap or band, touches the receiver or the receiver's partner or anything they wear or carry before hitting the ground; or
- b. The ball is served when the receiver is not ready.

In the case of a service let, that particular service shall not count, and the server shall serve again, but a service let does not cancel a previous fault.

Additional approved alternative procedures can be found in Appendix V.

23. THE LET

In all cases when a let is called, except when a service let is called on a second service, the whole point shall be replayed.

Case 1: When the ball is in play, another ball rolls onto court. A let is called. The server had previously served a fault. Is the server now entitled to a first service or second service?

Decision: First service. The whole point must be replayed.

24. PLAYER LOSES POINT

The point is lost if:

- a. The player serves two consecutive faults; or
- b. The player does not return the ball in play before it bounces twice consecutively; or
- c. The player returns the ball in play so that it hits the ground, or before it bounces, an object, outside the correct court; or
- d. The player returns the ball in play so that, before it bounces, it hits a permanent fixture; or
- e. The receiver returns the service before it bounces; or
- f. The player deliberately carries or catches the ball in play on the racket or deliberately touches it with the racket more than once; or
- g. The player or the racket, whether in the player's hand or not, or anything

APPENDIX J

ITF RULES OF TENNIS

which the player is wearing or carrying touches the net, net posts/singles sticks, cord or metal cable, strap or band, or the opponent's court at any time while the ball is in play; or

- h. The player hits the ball before it has passed the net; or
- i. The ball in play touches the player or anything that the player is wearing or carrying, except the racket; or
- j. The ball in play touches the racket when the player is not holding it; or
- k. The player deliberately and materially changes the shape of the racket when the ball is in play; or
- l. In doubles, both players touch the ball when returning it.

Case 1: After the server has served a first service, the racket falls out of the server's hand and touches the net before the ball has bounced. Is this a service fault, or does the server lose the point?

Decision: The server loses the point because the racket touches the net while the ball is in play.

Case 2: After the server has served a first service, the racket falls out of the server's hand and touches the net after the ball has bounced outside the correct service court. Is this a service fault, or does the server lose the point?

Decision: This is a service fault because when the racket touched the net the ball was no longer in play.

Case 3: In a doubles match, the receiver's partner touches the net before the ball that has been served touches the ground outside the correct service court. What is the correct decision?

Decision: The receiving team loses the point because the receiver's partner touched the net while the ball was in play.

Case 4: Does a player lose the point if an imaginary line in the extension of the net is crossed before or after hitting the ball?

Decision: The player does not lose the point in either case provided the player does not touch the opponent's court.

Case 5: Is a player allowed to jump over the net into the opponent's court while the ball is in play?

Decision: No. The player loses the point.

APPENDIX J

ITF RULES OF TENNIS

Case 6: A player throws the racket at the ball in play. Both the racket and the ball land in the court on the opponent's side of the net and the opponent(s) is unable to reach the ball. Which player wins the point?

Decision: The player who threw the racket at the ball loses the point.

Case 7: A ball that has just been served hits the receiver or in doubles the receiver's partner before it touches the ground. Which player wins the point?

Decision: The server wins the point, unless it is a service let.

Case 8: A player standing outside the court hits the ball or catches it before it bounces and claims the point because the ball was definitely going out of the correct court.

Decision: The player loses the point, unless it is a good return, in which case the point continues.

25. A GOOD RETURN

It is a good return if:

- a. The ball touches the net, net posts/singles sticks, cord or metal cable, strap or band, provided that it passes over any of them and hits the ground within the correct court; except as provided in Rule 2 and 24 (d); or
- b. After the ball in play has hit the ground within the correct court and has spun or been blown back over the net, the player reaches over the net and plays the ball into the correct court, provided that the player does not break Rule 24; or
- c. The ball is returned outside the net posts, either above or below the level of the top of the net, even though it touches the net posts, provided that it hits the ground in the correct court; except as provided in Rules 2 and 24 (d); or
- d. The ball passes under the net cord between the singles stick and the adjacent net post without touching either net, net cord or net post and hits the ground in the correct court, or
- e. The player's racket passes over the net after hitting the ball on the player's own side of the net and the ball hits the ground in the correct court; or
- f. The player hits the ball in play, which hits another ball lying in the correct court.

APPENDIX J

ITF RULES OF TENNIS

Case 1: A player returns a ball which then hits a singles stick and hits the ground in the correct court. Is this a good return?

Decision: Yes. However, if the ball is served and hits the singles stick, it is a service fault.

Case 2: A ball in play hits another ball which is lying in the correct court. What is the correct decision?

Decision: Play continues. However, if it is not clear that the actual ball in play has been returned, a let should be called.

26. HINDRANCE

If a player is hindered in playing the point by a deliberate act of the opponent(s), the player shall win the point.

However, the point shall be replayed if a player is hindered in playing the point by either an unintentional act of the opponent(s), or something outside the player's own control (not including a permanent fixture).

Case 1: Is an unintentional double hit a hindrance?

Decision: No. See also Rule 24 (f).

Case 2: A player claims to have stopped play because the player thought that the opponent(s) was being hindered. Is this a hindrance?

Decision: No, the player loses the point.

Case 3: A ball in play hits a bird flying over the court. Is this a hindrance?

Decision: Yes, the point shall be replayed.

Case 4: During a point, a ball or other object that was lying on the player's side of the net when the point started hinders the player. Is this a hindrance?

Decision: No.

Case 5: In doubles, where are the server's partner and receiver's partner allowed to stand?

Decision: The server's partner and the receiver's partner may take any position on their own side of the net, inside or outside the court. However, if a player is creating a hindrance to the opponent(s), the hindrance rule should be used.

27. CORRECTING ERRORS

As a principle, when an error in respect of the Rules of Tennis is discovered, all points previously played shall stand. Errors so discovered shall be corrected as follows:

- a. During a standard game or a tie-break game, if a player serves from the wrong half of the court, this should be corrected as soon as the error is discovered and the server shall serve from the correct half of the court according to the score. A fault that was served before the error was discovered shall stand.
- b. During a standard game or a tie-break game, if the players are at the wrong ends of the court, the error should be corrected as soon as it is discovered and the server shall serve from the correct end of the court according to the score.
- c. If a player serves out of turn during a standard game, the player who was originally due to serve shall serve as soon as the error is discovered. However, if a game is completed before the error is discovered the order of service shall remain as altered. In this case, any ball change to be made after an agreed number of games should be made one game later than originally scheduled.

A fault that was served by the opponents(s) before the error was discovered shall not stand.

In doubles, if the partners of one team serve out of turn, a fault that was served before the error was discovered shall stand.

- d. If a player serves out of turn during a tie-break game and the error is discovered after an even number of points have been played, the error is corrected immediately. If the error is discovered after an odd number of points have been played, the order of service shall remain as altered.

A fault that was served by the opponent(s) before the error was discovered shall not stand.

In doubles, if the partners of one team serve out of turn, a fault that was served before the error was discovered shall stand.

- e. During a standard game or a tie-break game in doubles, if there is an error in the order of receiving, this shall remain as altered until the end of the game in which the error is discovered. For the next game in which they are the receivers in that set, the partners shall then resume the original order of receiving.

APPENDIX J

ITF RULES OF TENNIS

- f. If in error a tie-break game is started at 6 games all, when it was previously agreed that the set would be an "Advantage set", the error shall be corrected immediately if only one point has been played. If the error is discovered after the second point is in play, the set will continue as a "Tie-break set".
- g. If in error a standard game is started at 6 games all, when it was previously agreed that the set would be a "Tie-break set", the error shall be corrected immediately if only one point has been played. If the error is discovered after the second point is in play, the set will continue as an "Advantage set" until the score reaches 8 games all (or a higher even number), when a tie-break game shall be played.
- h. If in error an "Advantage set" or "Tie-break set" is started, when it was previously agreed that the final set would be a match tie-break, the error shall be corrected immediately if only one point has been played. If the error is discovered after the second point is in play, the set will continue either until a player or team wins three games (and therefore the set) or until the score reaches 2 games all, when a match tie-break shall be played. However, if the error is discovered after the second point of the fifth game has started, the set will continue as a "Tie-break set". (See Appendix V)
- i. If the balls are not changed in the correct sequence, the error shall be corrected when the player/team who should have served with new balls is next due to serve a new game. Thereafter the balls shall be changed so that the number of games between ball changes shall be that originally agreed. Balls should not be changed during a game.

28. ROLE OF COURT OFFICIALS

For matches where officials are appointed, their roles and responsibilities can be found in Appendix VI.

29. CONTINUOUS PLAY

As a principle, play should be continuous, from the time the match starts (when the first service of the match is put in play) until the match finishes.

- a. Between points, a maximum of twenty-five (25) seconds is allowed. When the players change ends at the end of a game, a maximum of ninety (90) seconds are allowed. However, after the first game of each set and during a tie-break game, play shall be continuous and the players shall change ends without a rest.

At the end of each set there shall be a set break of a maximum of one hundred and twenty (120) seconds.

APPENDIX J

ITF RULES OF TENNIS

The maximum time starts from the moment that one point finishes until the first service is struck for the next point.

Event organisers may apply for ITF approval to extend the ninety (90) seconds allowed when the players change ends at the end of a game and the one hundred and twenty (120) seconds allowed at a set break.

- b. If, for reasons outside the player's control, clothing, footwear or necessary equipment (excluding the racket) is broken or needs to be replaced, the player may be allowed reasonable extra time to rectify the problem.
- c. No extra time shall be given to allow a player to recover condition. However, a player suffering from a treatable medical condition may be allowed one medical time-out of three minutes for the treatment of that medical condition. A limited number of toilet/change of attire breaks may also be allowed, if this is announced in advance of the event.
- d. Event organisers may allow a rest period of a maximum of ten (10) minutes if this is announced in advance of the event. This rest period can be taken after the 3rd set in a best of 5 sets match, or after the 2nd set in a best of 3 sets match.
- e. The warm-up time shall be a maximum of five (5) minutes, unless otherwise decided by the event organisers.

30. COACHING

Coaching is considered to be communication, advice or instruction of any kind and by any means to a player.

In team events where there is a team captain sitting on-court, the team captain may coach the player(s) during a set break and when the players change ends at the end of a game, but not when the players change ends after the first game of each set and not during a tie-break game.

In all other matches, coaching is not allowed.

Case 1: Is a player allowed to be coached, if the coaching is given by signals in a discreet way?

Decision: No.

Case 2: Is a player allowed to receive coaching when play is suspended?

Decision: Yes.

Case 3: Is a player allowed to receive on-court coaching during a match?

APPENDIX J

ITF RULES OF TENNIS

Decision: Sanctioning bodies may apply to the ITF to have on-court coaching allowed. In events where on-court coaching is allowed, designated coaches may enter the court and coach their players under procedures decided by the sanctioning body.

31. PLAYER ANALYSIS TECHNOLOGY

Player analysis technology, that is approved for play under the Rules of Tennis, must comply with the specifications in Appendix III.

The International Tennis Federation shall rule on the question of whether any such equipment is approved, or not approved. Such ruling may be taken on its own initiative, or upon application by any party with a bona fide interest therein, including any player, equipment manufacturer or National Association or members thereof. Such rulings and applications shall be made in accordance with the applicable Review and Hearing Procedures of the International Tennis Federation.

AMENDMENT TO THE RULES OF TENNIS

(Article 28 of the Constitution of ITF Ltd)

The official and decisive text to the Rules of Tennis shall be for ever in the English language and no alteration or interpretation of such Rules shall be made except at an Annual General Meeting of the Council, nor unless notice of the Resolution embodying such alterations shall have been received by the ITF in accordance with Article 17 and such Resolution or one having the like effect shall be carried by a majority of two-thirds of the votes recorded in respect of the same.

Any alteration so made shall take effect as from the first day of January following, unless the Meeting shall by the like majority decide otherwise.

The Board of Directors shall have power, however, to settle all urgent questions of interpretation subject to confirmation at the General Meeting next following.

This text shall not be altered at any time without the unanimous consent of a General Meeting of the Council.

APPENDIX J

ITF RULES OF TENNIS

Notes:

¹ The largest permissible change in the specified properties resulting from the durability test described in the current edition of *ITF Approved Tennis Balls & Classified Court Surfaces*. The durability test uses laboratory equipment to simulate the effects of nine games of play.

- d. Only the ball types specified in the ITF Rules of Tennis can be used in 10 and under tennis competition. See the complete rules for details.
- e. All tests for rebound, mass, size, deformation and durability shall be made in accordance with the Regulations described in the current edition of *ITF Approved Tennis Balls & Classified Court Surfaces*.

CLASSIFICATION OF COURT PACE

The ITF test method used for determining the pace of a court surface is ITF CS 01/02 (ITF Court Pace Rating) as described in the ITF publication entitled “ITF guide to test methods for tennis court surfaces”.

Court surfaces which have an ITF Court Pace Rating of 0 to 29 shall be classified as being Category 1 (slow pace). Examples of court surface types which conform to this classification will include most clay courts and other types of unbound mineral surface.

Court surfaces which have an ITF Court Pace Rating of 30 to 34 shall be classified as being Category 2 (medium-slow pace), while court surfaces with an ITF Court Pace Rating of 35 to 39 shall be classified as being Category 3 (medium pace). Examples of court surface types which conform to this classification will include most acrylic coated surfaces plus some carpet surfaces.

Court surfaces with an ITF Court Pace Rating of 40 to 44 shall be classified as being Category 4 (medium-fast pace), while court surfaces which have an ITF Court Pace Rating of 45 or more shall be classified as being Category 5 (fast pace). Examples of court surface types which conform to this classification will include most natural grass, artificial grass and some carpet surfaces.

Case 1: Which ball type should be used on which court surface?

Decision: 3 different types of balls are approved for play under the Rules of Tennis, however:

- a. *Ball Type 1 (fast speed) is intended for play on slow pace court surfaces*
- b. *Ball Type 2 (medium speed) is intended for play on medium-slow, medium and medium-fast pace court surfaces*
- c. *Ball Type 3 (slow speed) is intended for play on fast pace court surfaces*

APPENDIX J

ITF RULES OF TENNIS

Note:

In addition to the ball types specified under paragraph (b) above, the Stage 1 (Green) ball may be used for all levels of competitive play except for world ranking professional tennis events, Davis Cup and Billie Jean King Cup, the Olympic and Paralympic Tennis Events, World Tennis Tour Men's, Women's and Junior Tournaments and Team events sanctioned by the ITF and affiliated Regional Associations, ITF Senior Circuit and Team events and ITF Wheelchair Tennis Tour Circuit and Team events.

Each National Association shall have the right to decide which national competitive events should use the Stage 1 (Green) ball.

APPENDIX II

THE RACKET

For all measurements in Appendix II, SI units shall take precedence

- a. The racket shall consist of a frame and string(s). The frame shall consist of a handle and head, and may also include a throat. The head is defined as that part of the racket to which the string(s) connect. The handle is defined as that part of the racket connected to the head which is held by the player in normal use. The throat, where present, is that part of the racket that joins the handle to the head.
- b. The hitting surface, defined as the main area of the stringing pattern bordered by the points of entry of the strings into the head or points of contact of the strings with the head, whichever is the smaller, shall be flat and consist of a pattern of crossed strings, which shall be alternately interlaced or bonded where they cross. The stringing pattern must be generally uniform and, in particular, not less dense in the centre than in any other area.

The racket shall be designed and strung such that the playing characteristics are identical on both faces.

- c. The racket shall not exceed 73.7 cm (29.0 inches) in overall length, and 31.7 cm (12.5 inches) in overall width. The hitting surface shall not exceed 39.4 cm (15.5 inches) in overall length, when measured parallel to the longitudinal axis of the handle, and 29.2 cm (11.5 inches) in overall width, when measured perpendicular to the longitudinal axis of the handle.
- d. The racket shall be free of any attached object, protrusion or device which makes it possible to change materially the shape of the racket, or its moment of inertia about any principal axis, or to change any physical property which may affect the performance of the racket during the playing of a point. Attached objects, protrusions and devices that are

APPENDIX J

ITF RULES OF TENNIS

approved as Player Analysis Technology, or that are utilised to limit or prevent wear and tear or vibration or, for the frame only, to distribute weight, are permitted. All permissible objects, protrusions and devices must be reasonable in size and placement for their respective purpose(s).

No energy source that in any way could change or affect the playing characteristics of a racket may be built into or attached to a racket.

APPENDIX III

PLAYER ANALYSIS TECHNOLOGY

Player Analysis Technology is equipment that may perform any of the following functions with respect to player performance information:

- A. Recording
- B. Storing
- C. Transmission
- D. Analysis
- E. Communication to a player of any kind and by any means

Player Analysis Technology may record and/or store information during a match. Such information may only be accessed by a player in accordance with Rule 30.

APPENDIX IV

ADVERTISING

1. Advertising is permitted on the net as long as it is placed on the part of the net that is within 3 feet (0.914 m) from the centre of the net posts and is produced in such a way that it does not interfere with the vision of the players or the playing conditions.

A mark (non-commercial) of the sanctioning body is permitted on the lower part of the net, minimum 20 inches (0.51 m) from the top of the net, as long as it is produced in such a way that it does not interfere with the vision of the players or the playing conditions.

2. Advertising and other marks or material placed at the back and sides of the court shall be permitted unless it interferes with the vision of the players or the playing conditions.
3. Advertising and other marks or material placed on the court surface outside the lines is permitted unless it interferes with the vision of the players or the playing conditions.
4. Notwithstanding paragraphs (1), (2) and (3) above, any advertising, marks or

APPENDIX J

ITF RULES OF TENNIS

material placed on the net or placed at the back and sides of the court, or on the court surface outside the lines may not contain white or yellow or other light colours that may interfere with the vision of the players or the playing conditions.

5. Advertising and other marks or material are not permitted on the court surface inside the lines of the court.

APPENDIX V

ALTERNATIVE PROCEDURES AND SCORING METHODS

The alternatives listed in this Appendix V may be used.

SCORE IN A GAME (RULE 5)

"No-Ad" SCORING METHOD

A "No-Ad" game is scored as follows with the server's score being called first:

No point	-	"Love"
First point	-	"15"
Second point	-	"30"
Third point	-	"40"
Fourth point	-	"Game"

If both players/teams have won three points each, the score is "Deuce" and a deciding point shall be played. The receiver(s) shall choose whether to receive the service from the right half or the left half of the court. In doubles, the players of the receiving team cannot change positions to receive this deciding point. The player/team who wins the deciding point wins the "Game".

In mixed doubles, the player of the same gender as the server shall receive the deciding point. The players of the receiving team cannot change positions to receive the deciding point.

SCORE IN A SET (RULES 6 AND 7)

1. SHORT SETS

The first player/team who wins four games wins that set, provided there is a margin of two games over the opponent(s). If the score reaches four games

APPENDIX J

ITF RULES OF TENNIS

all, a tie-break game shall be played. Alternatively (at the discretion of the sanctioning body), if the score reaches three games all, a tie-break game shall be played.

2. SHORT SET TIE-BREAK

When playing Short Sets only, a Short Set tie-break may be used. The first player/team to win five points wins the "Game" and "Set", with a deciding point if the score reaches four all. The order and number of serves shall be determined by the sanctioning body. Players/Teams will only change ends after the first four points have been played.

3. MATCH TIE-BREAK (7 POINTS)

When the score in a match is one set all, or two sets all in best of five sets matches, one tie-break game shall be played to decide the match. This tie-break game replaces the deciding final set.

The player/team who first wins seven points shall win this match tie-break and the match provided there is a margin of two points over the opponent(s).

4. MATCH TIE-BREAK (10 POINTS)

When the score in a match is one set all, or two sets all in best of five sets matches, one tie-break game shall be played to decide the match. This tie-break game replaces the deciding final set.

The player/team who first wins ten points shall win this match tie-break and the match provided there is a margin of two points over the opponent(s).

Note: *When using the match tie-break to replace the final set:*

- *the original order of service continues. (Rules 5 and 14)*
- *in doubles, the order of serving and receiving within the team may be altered, as in the beginning of each set. (Rules 14 and 15)*
- *before the start of the match tie-break there shall be a 120 seconds set break.*
- *balls should not be changed before the start of the match tie-break even if a ball change is due.*

CHANGE OF ENDS (RULE 10)

During a tie-break game, players shall change ends after the first point and thereafter after every four points.

APPENDIX J
ITF RULES OF TENNIS

THE LET DURING A SERVICE (RULE 22)

"NO LET" RULE

This alternative is play without the service let in Rule 22a, whereby a serve that touches the net, strap or band is in play.

At the discretion of the sanctioning body, when playing doubles using Short Sets in combination with No-Ad scoring and the No-Let rule, either player on the receiving team is permitted to return a serve that touches the net, strap or band and lands within the correct service box.

APPENDIX VI

ROLE OF COURT OFFICIALS

The referee is the final authority on all questions of tennis law and the referee's decision is final.

In matches where a chair umpire is assigned, the chair umpire is the final authority on all questions of fact during the match.

The players have the right to call the referee to court if they disagree with a chair umpire's interpretation of tennis law.

In matches where line umpires and net umpires are assigned, they make all calls (including foot-fault calls) relating to that line or net. The chair umpire has the right to overrule a line umpire or a net umpire if the chair umpire is sure that a clear mistake has been made. The chair umpire is responsible for calling any line (including foot-faults) or net where no line umpire or net umpire is assigned.

A line umpire who cannot make a call shall signal this immediately to the chair umpire who shall make a decision. If the line umpire cannot make a call, or if there is no line umpire, and the chair umpire cannot make a decision on a question of fact, the point shall be replayed.

In team events where the referee is sitting on-court, the referee is also the final authority on questions of fact.

Play may be stopped or suspended at any time the chair umpire decides it is necessary or appropriate.

The referee may also stop or suspend play in the case of darkness, weather or adverse court conditions. When play is suspended for darkness, this should be done at the end of a set, or after an even number of games have been played in the set in progress. After a suspension in play, the score and position of players on-court in the match shall stand when the match resumes.

APPENDIX J

ITF RULES OF TENNIS

The chair umpire or referee shall make decisions regarding continuous play and coaching in respect of any Code of Conduct that is approved and in operation.

Case 1: The chair umpire awards the server a first service after an overrule, but the receiver argues that it should be a second service, since the server had already served a fault. Should the referee be called to court to give a decision?

Decision: Yes. The chair umpire makes the first decision about questions of tennis law (issues relating to the application of specific facts). However, if a player appeals the chair umpire's decision, then the referee shall be called to make the final decision.

Case 2: A ball is called out, but a player claims that the ball was good. May the referee be called to court to make a decision?

Decision: No. The chair umpire makes the final decision on questions of fact (issues relating to what actually happened during a specific incident).

Case 3: Is a chair umpire allowed to overrule a line umpire at the end of a point if, in the chair umpire's opinion, a clear mistake was made earlier in the point?

Decision: No. A chair umpire may only overrule a line umpire immediately after the clear mistake has been made.

Case 4: A line umpire calls a ball "Out" and then the player argues that the ball was good. Is the chair umpire allowed to overrule the line umpire?

Decision: No. A chair umpire must never overrule as the result of the protest or appeal by a player

Case 5: A line umpire calls a ball "Out". The chair umpire was unable to see clearly, but thought the ball was in. May the chair umpire overrule the line umpire?

Decision: No. The chair umpire may only overrule when sure that the line umpire made a clear mistake.

Case 6: Is a line umpire allowed to change the call after the chair umpire has announced the score?

Decision: Yes. If a line umpire realises a mistake, a correction should be made as soon as possible provided it is not as the result of a protest or appeal of a player.

Case 7: If a chair umpire or line umpire calls "Out" and then corrects the call to good, what is the correct decision?

APPENDIX J

ITF RULES OF TENNIS

Decision: The chair umpire must decide if the original “Out” call was a hindrance to either player. If it was a hindrance, the point shall be replayed. If it was not a hindrance, the player who hit the ball wins the point.

Case 8: A ball is blown back over the net and the player correctly reaches over the net to try to play the ball. The opponent(s) hinders the player from doing this. What is the correct decision?

Decision: The chair umpire must decide if the hindrance was deliberate or unintentional and either awards the point to the hindered player or order the point to be replayed.

BALL MARK INSPECTION PROCEDURES

1. Ball mark inspections can only be made on clay courts.
2. A ball mark inspection requested by a player (team) shall be allowed only if the chair umpire cannot determine the call with certainty from their chair on either a point-ending shot or when a player (team) stops playing the point during a rally (returns are permitted but then the player must immediately stop).
3. When the chair umpire has decided to make a ball mark inspection, they should go down from the chair and make the inspection themselves. If they do not know where the mark is, they can ask the line umpire for help in locating the mark, but then the chair umpire shall inspect it.
4. The original call or overrule will always stand if the line umpire and chair umpire cannot determine the location of the mark or if the mark is unreadable.
5. Once the chair umpire has identified and ruled on a ball mark, this decision is final and not appealable.
6. In clay court tennis the chair umpire should not be too quick to announce the score unless absolutely certain of the call. If in doubt, wait before calling the score to determine whether a ball mark inspection is necessary.
7. In doubles the appealing player must make their appeal in such a way that either play stops or the chair umpire stops play. If an appeal is made to the chair umpire then they must first determine that the correct appeal procedure was followed. If it was not correct or if it was late, then the chair umpire may determine that the opposing team was deliberately hindered.
8. If a player erases the ball mark before the chair umpire has made a final decision, they concede the call.

APPENDIX J
ITF RULES OF TENNIS

9. A player may not cross the net to check a ball mark without being subject to the Unsportsmanlike provision of the Code of Conduct.

ELECTRONIC REVIEW PROCEDURES

At tournaments where an Electronic Review System is used, the following procedures should be followed for matches on courts where it is used.

1. A request for an Electronic Review of a line call or overrule by a player (team) shall be allowed only on either a point-ending shot or when a player (team) stops playing the point during a rally (returns are permitted but then the player must immediately stop).
2. The chair umpire should decide to use the Electronic Review when there is doubt about the accuracy of the line call or overrule. However, the chair umpire may refuse the Electronic Review if they believe that the player is making an unreasonable request or that it was not made in a timely manner.
3. In doubles the appealing player must make their appeal in such a way that either play stops or the chair umpire stops play. If an appeal is made to the chair umpire then they must first determine that the correct appeal procedure was followed. If it was not correct or if it was late, then the chair umpire may determine that the opposing team was deliberately hindered, in which case the appealing team loses the point.
4. The original call or overrule will always stand if the Electronic Review is unable, for whatever reason, to make a decision on that line call or overrule.
5. The chair umpire's final decision will be the outcome of the Electronic Review and is not appealable. If a manual choice is required for the system to review a particular ball impact, a review official approved by the referee shall decide which ball impact is reviewed.
6. Each player (team) is allowed three (3) unsuccessful appeals per set, plus one (1) additional appeal in the tie-break. For matches with advantage sets, players (teams) will start again with a maximum of three (3) unsuccessful appeals at 6 games all and every 12 games thereafter. For matches with match tie-break, the match tie-break counts as a new set and each player (team) starts with three (3) appeals. Players (teams) will have an unlimited number of successful appeals.

APPENDIX IX

SUGGESTIONS ON HOW TO MARK OUT A COURT Including Blended Lines

Note: All court measurements shall be made to the outside of the lines.

The following procedure is for the usual combined doubles and singles court. (See note at foot for a court for one purpose only.)

First select the position of the net; a straight line 42 feet (12.80 m) long. Mark the centre (X on the diagram above) and, measuring from there in each direction, mark:

- at 13'6" (4.11 m) the points a, b, where the net crosses the inner sidelines,
- at 16'6" (5.03 m) the positions of the singles sticks (n, n),
- at 18'0" (5.48 m) the points A, B, where the net crosses the outer sidelines,
- at 21'0" (6.40 m) the positions of the net posts (N, N), being the ends of the original 42'0" (12.80 m) line.

Insert pegs at A and B and attach to them the respective ends of two measuring

APPENDIX J

ITF RULES OF TENNIS

tapes. On one, which will measure the diagonal of the half-court, take a length 53'1" (16.18 m) and on the other (to measure the sideline) a length of 39'0" (11.89 m). Pull both taut so that at these distances they meet at a point C, which is one corner of the court. Reverse the measurements to find the other corner D. As a check on this operation it is advisable at this stage to verify the length of the line CD which, being the baseline, should be found to be 36'0" (10.97 m); and at the same time its centre J can be marked, and also the ends of the inner sidelines (c, d), 4'6" (1.37 m) from C and D.

The centreline and serviceline are now marked by means of the points F, H, G, which are measured 21'0" (6.40 m) from the net down the lines bc, XJ, ad, respectively.

Identical procedure the other side of the net completes the court.

If a singles court only is required, no lines are necessary outside the points a, b, c, d, but the court can be measured out as above. Alternatively, the corners of the baseline (c, d) can be found if preferred by pegging the two tapes at a and b instead of at A and B, and by then using lengths of 47'5" (14.46 m) and 39'0" (11.89 m). The net posts will be at n, n, and a 33'0" (10 m) singles net should be used.

When a combined doubles and singles court with a doubles net is used for singles, the net must be supported at the points n, n, to a height of 3 feet 6 inches (1.07 m) by means of two singles sticks, which shall be not more than 3 inches (7.5 cm) square or 3 inches (7.5 cm) in diameter. The centres of the singles sticks shall be 3 feet (.914 m) outside the singles court on each side.

To assist in the placing of these singles sticks it is desirable that the points n, n, should each be shown with a white dot when the court is marked.

When sanctioning bodies approve so called "Blended Lines" on courts the following guidelines must be followed:

Colour:

- Within the same colour family as the background playing surface.
- Lighter than the background playing surface.
- Limit on colour variation of +22 points on the L* scale
(Add 25% by volume of white paint to the background colour)

Pace:

- Within 5 CPR of the playing surface.

APPENDIX J

ITF RULES OF TENNIS

Dimensions:

- 1.0-1.5 cm narrower than the standard lines.

Marking:

- Terminate 8 cm from intersection with white playing lines.

Note:

As a guide for international competitions, the recommended minimum distance between the baselines and the backstops should be 21 feet (6.40 m) and between the sidelines and the sidestops the recommended minimum distance should be 12 feet (3.66 m).

As a guide for recreational and Club play, the recommended minimum distance between the baselines and the backstops should be 18 feet (5.48 m) and between the sidelines and the sidestops the recommended minimum distance should be 10 feet (3.05 m).

As a guide, the recommended minimum height measured at the net from the court surface to the ceiling should be 29.6 feet (9.0 m).

APPENDIX K
