WELCOME TO THE WTA COACH PROGRAM.

Congratulations on reaching the highest level of coaching in women's professional tennis. Coaches are an essential part of our sport, providing support and guidance to enable the best players of a generation to achieve their full potential.

The WTA Coach Program aims to professionalize, standardize, and recognize the important role of coaching on the WTA Tour Driven by Mercedes-Benz, while providing tangible benefits to Registered Coaches.

The WTA Coach Program Handbook contains all the information you will need to understand the benefits and professional responsibilities associated with being a WTA Registered Coach. Additionally, you will find a summary of the governance structure, a full list of contacts and frequently asked questions. The rules of the WTA Coach Program, also contained within this handbook, will serve to govern the benefits, obligations, and procedures of the program, and should be reviewed thoroughly.

Thank you again for your commitment. We look forward to working with you and making the WTA Coach Program a beneficial and successful program.

COACH
PROGRAM
RULES

WTA COACH PROGRAM RULES

I. INTRODUCTION

A. Description

The WTA Coach Program (“Program”) is a registration system open to eligible individuals providing coaching services for professional women’s tennis players that are members of WTA Tour, Inc. (also known as the Women’s Tennis Association) (collectively, “WTA”) competing on the circuit of professional tennis tournaments that is the highest level of professional women’s tennis (“WTA Tour”). The purpose of the Program is to professionalize, standardize, and recognize the important role of coaching on the WTA Tour.

B. Administration and Governance

The Board of Directors, Chief Executive Officer, and other officers and staff of the WTA administer and govern the WTA Tour and the Program. As part of the Program, the WTA has established a Coach Program Advisory Committee (“CPAC”) to advise WTA officers and staff on the administration and governance of the Program, the acceptance of applicants to the Program, and other WTA Tour matters as the WTA deems appropriate. The WTA in its sole discretion is entitled to promulgate all procedures related to the CPAC, including but not limited to the appointment and removal of CPAC members, the organization and management of CPAC meetings, the authority of the CPAC, and the dissolution of the CPAC.

C. Rules

These WTA Coach Program Rules (“Program Rules”) establish and govern the benefits, obligations, and procedures of the Program. At all times, the Program is subject to the Official WTA Rules as amended from time to time (“WTA Rules”). All undefined capitalized terms in these Program Rules have the same meanings that the WTA Rules assigns to such terms. If there is a conflict between the Program Rules and the WTA Rules, the WTA in its sole discretion is entitled to determine whether the Program Rules or WTA Rules govern. All monetary amounts in these Program Rules are in United States dollars.

II. ELIGIBILITY AND REGISTRATION

A. Eligibility for Registration

1. Minimum Eligibility Requirements

Any individual providing or endeavoring to provide coaching services to a WTA Player may apply to the Program, but only applicants that meet the criteria in this Section II.A are eligible to become registered members of the Program (each a “Registered Coach” and collectively “Registered Coaches”) and receive the benefits of the Program. To become a Registered Coach, an applicant must meet the following minimum eligibility requirements:

- c. provide a letter of recommendation from a current WTA Full Member, Associate Member, or Player Development Player (“Designated Player”) that he or she is coaching; and

- d. submit the application materials and pay the application fee that WTA requires in its sole discretion.

2. Active, In-Progress, and Inactive Registered Coaches

If in WTA's sole discretion an applicant meets the minimum eligibility requirements in Section II.A.1, the WTA will consider whether such applicant also meets the applicable eligibility requirements to become an Active, In-Progress, or Inactive Registered Coach.

a. Active Registered Coach

To become an Active Registered Coach ("Active Registered Coach"), an applicant must:

- i. meet the minimum eligibility requirements in Section II.A.1; and
- ii. be coaching a WTA Full or Associate Member or be an active Billie Jean King Cup captain or coach at the time of application and must:
 - (a) have coached at fifty (50) WTA or ATP events in the past five (5) years; or
 - (b) previously have been an Active Registered Coach who coached at fifty (50) WTA or ATP events in a five- (5) year period; or
 - (c) be a former WTA Full Member.

If an Active Registered Coach ends a relationship with a Player, he or she will retain their status until the end of the year, after which he or she will become an Inactive Registered Coach.

b. In-Progress Registered Coach

To become an In-Progress Registered Coach ("In-Progress Registered Coach"), an applicant must:

- i. meet the minimum eligibility requirements in Section II.A.1; and

An Inactive Registered Coach is a formerly approved Active Registered Coach who currently is not working with a WTA player ("Inactive Registered Coach").

B. Application and Registration Procedures

For Program application deadlines, forms, and requirements, contact the WTA Coach Program Manager at coach@wtatennis.com.

If in WTA's sole discretion an applicant meets the eligibility requirements for registration, such applicant must pay the Annual Dues (as Section IV.G.1 of these Program Rules

defines that term) and complete the Program on-boarding process to become a Registered Coach. Once an applicant becomes a Registered Coach, he or she is subject to these Program Rules.

b. Sponsor Visits

The WTA may request that each Registered Coach whose Designated Player reaches the quarterfinals of a Tournament participates in a sponsor visit that is no more than ten (10) minutes in length and is on site at such Tournament on the day of such Designated Player's quarterfinal, semifinal, or final match.

3. Coach ACES Activity Materials

At a Registered Coach's request, the WTA in its sole and absolute discretion may provide such Registered Coach with photographs, audio recordings, audiovisual recordings, and other materials resulting from such Registered Coach's Coach ACES ("Coach ACES Materials"), subject to availability and intellectual property rights clearances. A Registered Coach may use any Coach ACES Materials solely for non-commercial purposes on his or her personal website and promotional materials, and a Registered Coach shall not use or allow any third party to use any Coach ACES Materials in conjunction with a sponsor or other third-party activity.

4. Violation of Coach ACES Policy

c. acknowledges and agrees that the WTA owns any and all rights in and to the Materials in perpetuity; and

d. waives as to the WTA and its successors, assigns, and licensees all moral and personal rights and objections to any use of the Coach Likeness or Materials in accordance with these Program Rules; and

e. understands and agrees that as the owner of the Materials, the WTA's use of the Materials may extend, without limitation, to use by any of its sponsors, advertisers, owners, partners, affiliates, directors, officers, officials, members, and agents solely for the purposes that this Section IV.B.1 permits.

D. Coach Attire

1. Dress Code

At all times while on site at a Tournament, a Registered Coach must dress and present himself or herself in a professional manner, which includes wearing appropriate and clean tennis attire as applicable. The Coach Program Manager or applicable WTA Supervisor or Referee has sole discretion in determining whether a Registered Coach's attire complies with this Section IV.D.

2. Coach Attire Rules Violations

A registered Coach must pay the WTA a fine of \$50.00 for each violation of this Section IV.D; provided, however, that if such violation occurs during a televised quarterfinal, semifinal, or final match, the WTA in its sole discretion may increase the fine to \$250.00. In addition, if a Registered Coach continuously fails to meet the requirements in this Section IV.D, the WTA in its sole discretion may suspend or expel such Registered Coach from the Program.

E. Code of Conduct, Safeguarding Code, Tennis Anti-Corruption Program, and Tennis Anti-Doping Program

Each Registered Coach must comply with and is subject to the Code of Conduct in the WTA Rules, the WTA Safeguarding Code, the Tennis Anti-Corruption Program, and Tennis Anti-Doping Program. In addition to any sanctions under the WTA Rules, if a Registered Coach fails to comply with the Code of Conduct in the WTA Rules, the WTA Safeguarding Code, the Tennis Anti-Corruption Program, or Tennis Anti-Doping Program, the WTA in its sole discretion may suspend or expel such Registered Coach from the Program.

F. Code of Ethics

All coaches participating in the WTA Coach Program must behave ethically and professionally at all times. Accordingly, a Registered Coach must:

1. G. Annual Requirements

1. Dues

Upon acceptance into the Program, each Registered Coach must pay a one-time \$150 application fee and a \$150 fee for membership in the Program ("Annual Dues"). The membership is valid for 12 months, after which the Coach must pay \$150 to renew his or her membership. A Registered Coach is not eligible to receive a coaching credential at any Tournament or access any benefits of the Program during a Tour Year until he or she has paid the Annual Dues for that Tour Year.

2. Meetings

Each Registered Coach must attend at least one (1) Program meeting per Tour Year.

3. Education Requirements

During each Tour Year, each Registered Coach must complete the minimum WTA, Tennis Anti-Corruption Program, Tennis Anti-Doping Program, and other relevant tennis-related education and training programs that the WTA designates in its sole, reasonable discretion ("Annual Education"). If a Registered Coach fails to complete his or her Annual Education within the first three (3) months of any Tour Year (for new Registered Coaches, the first three (3) months after acceptance into the Program), such Registered Coach is not eligible to receive a coach credential at any Tournament or any of the benefits of the Program until he or she completes the Annual Education for such Tour Year.

4. Sanctions

If a Registered Coach continuously fails to meet any of the requirements in this Section IV.G, the WTA in its sole discretion may suspend or expel such Registered Coach from the Program.

H. General Rules for Compliance and Sanctions

1. Payments to the WTA

- a. A Registered Coach must pay all outstanding amounts to the WTA before he or she is eligible to receive a coach credential at any future Tournament that such Registered Coach attends.
- b. Where the WTA Rules permit the WTA to fine a Player for the actions of her coach, these Program Rules permit the WTA to collect such fine directly from a Registered Coach.
- c. The WTA will accept only credit card or wire transfer for a Registered Coach's payment of any outstanding fine, Annual Dues, or other amounts due to the WTA.

2. Suspension and Expulsion

If the WTA suspends or expels a Registered Coach from the Program for any reason, such Registered Coach:

- a. immediately loses any and all benefits, privileges, and rights he or she receives under the Program;
- b. is not entitled to a refund of his or her Annual Dues or any other amounts he or she has paid to the WTA as part of the Program;

- c. if suspended, will remain suspended for the period of time that WTA determines in its sole discretion; and
- d. if expelled, may reapply to the Program no earlier than twelve (12) months after the date of such expulsion and only with the WTA's prior permission in its sole discretion.

3. Relationship with WTA Rules

Any sanctions under these Program Rules are supplemental to and explicitly do not replace the sanctions under the WTA Rules. If both these Program Rules and the WTA Rules provide a sanction for a particular violation, the WTA in its sole discretion cumulatively may apply both the sanctions under the WTA Rules and these Program Rules for such violation.

V. FINAL DISPUTE RESOLUTION

A. Arbitration

1. If there is any dispute between the WTA and a Registered Coach arising out of the application of any provision of the WTA Rules or these Program Rules that the applicable parties do not resolve finally by applying provisions of the WTA Rules or these Program Rules, the applicable parties shall submit such dispute exclusively to the American Arbitration Association ("AAA") for final and binding arbitration before a single arbitrator according to the Expedited Procedures of the AAA's Commercial Arbitration Rules. A party must file for arbitration of a dispute within twenty-one (21) days after such party knows of the act or omission that is the subject of the dispute.
2. The parties mutually shall agree upon and select the arbitrator from the AAA's National Roster. If the parties are unable to agree upon the arbitrator, then the AAA will select the arbitrator according to its expedited procedures for the appointment of an arbitrator (Rule E-4).
3. The non-prevailing party in any dispute shall pay the AAA's administrative fees and the fees and expenses of the arbitrator. Each party is responsible for its own costs and expenses it incurs in connection with any dispute, including its attorney's fees.

B. Confidentiality

Except as law or other form of legal process requires, the proceedings before the arbitrator, including any submission to the arbitrator and any written reasons for the decision, will be and must remain non-public and confidential; provided, however, that the fact of the dispute and the outcome of the arbitration are not confidential information.

C. Invalidity

If a court or administrative body of competent jurisdiction finds that any provision of this Section V is void, voidable, invalid, or unenforceable, such finding will not affect any other provision of this Section V, and the remaining provisions of this Section V will remain in full force and effect.
